**Additional governance issues (Optional information)**

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

**FA SAFEGUARDING CHILDREN DECLARATION YOUTH FOOTBALL**

As a club providing youth football we will:

1. Adhere to The FA's Safeguarding Children (SC) Policy and Procedures and proactively share our Club SC Policy with all parents/carers, players, club, and team officials.
2. Proactively share and promote our Club Welfare Officer's details with all parents/carers, players, club, and team officials.
3. Ensure all club officials' details are accurate and up to date on FA systems.
4. Ensure all team officials working directly with under-18s are named on FA systems for every team.
5. Ensure all team officials working directly with under-18s maintain an in-date accepted FA DBS check and have completed all required FA Safeguarding training.
6. Refer safeguarding concerns in line with The FA's SC Policy and Procedures.
7. Ensure there are a minimum of two FA DBS-checked and safeguarding trained adults in place for all club-organised activities.
8. Commit to creating a child-centred culture

EUFC trustees endorse the declaration and follow all the FA recommended FA policies and procedures, seeking guidance from the Devon FA DSO Designated Safeguarding Officer and respective League Welfare Officers as and when required.

The club is recognised as an FA England Football Accredited club.

The club is affiliated to the FA through Devon County Football Association and is a member of the Exeter and District Youth League and the Devon

<p>Girls Football League.</p> <p>The trustees have overall control over the charity, operational control is given to the Executive Football Club Committee at the AGM. The AGM follows standard protocols to vote in club executive committee members and trustees.</p> <p>This being made up of a quorum of four trustees, Chairman, Treasurer, Welfare Officer, Secretary and one non trustee who is the vice chairperson.</p> <p>The Executive Committee hold regular meetings to discuss and agree running of the club, full club meetings with team managers and coaches are also held throughout the year.</p>

Section C	Objectives and activities
-----------	---------------------------

**Summary of the objects of the charity set out in its governing document**

<p>EUFC believes in the provision of community participation in healthy recreation, in particular by the provision of facilities for the playing of football.</p>
---

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

<p>In planning our activities for the year, we kept in mind the Charity Commissions guidance on public benefit at our Executive and Committee meetings.</p> <p>Exmouth United FC is committed to providing opportunities for as many children and young adults as possible to participate in physical activity and sport. Our focus is on the participation through the playing of football, both in training sessions and in non-competitive and/or competitive games.</p> <p>This season we have engaged with children, both girls and boys, from the ages of 8 to 16 years old.</p> <p>We believe that taking part in team football activities promotes development in self confidence and social skills, alongside physical fitness, mental well being and life skills. The club strongly believes football has no room for racism and believes in inclusion. To this end, the club has actively increased its provision for girls football this season.</p> <p>The benefit of participating in sport has not only been shown to increase concentration levels but also to help with academic achievement. We therefore believe that by providing a fun and safe environment to play in football can cross all social, and economic barriers and allow all children including those that have had to relocate as refugees, the chance to enjoy activities together, building friendships and lasting connections.</p>

## Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The club recognises that some families have been affected by economic changes not only as a result of the cost-of-living crisis, displacement but also as an ongoing result of the pandemic.

Where there has been financial hardship or the child is in the care system or seeking political asylum the club committee have used discretion in relation to the paying of fees and sponsor a number of children allowing them to join the club and play football.

The growth of the club in recent years has seen an expansion of the number of girl's teams, the club has invested heavily into qualifying new coaches and ensuring additional helpers have completed all the required training.

This is not only to ensure that the FA recommended child to DBS adult ratios are met (FA take recommended adult to children ratios from the NSPCC recommendations and guidelines) but is seen as a long-term investment into the future of grassroots football.

Exmouth United FC is run solely by volunteers. We are proud of the huge contribution our committee members, member volunteers, coaches and managers make to the club in giving children opportunities to get involved in grassroots football.

The committee works extremely hard behind the scenes to ensure the club continues to run safely and efficiently. Coaches put in immense amounts of personal time, effort, and energy into the planning of drills and training sessions, and in many cases provide opportunities beyond this in the form of outings to watch football matches as well as team bonding events.

Our club secretary has continued to volunteer for the Exeter District Youth League as the Assistant Child Welfare officer providing guidance for all clubs and teams in the area.

All that participate in the club activities also receive huge amounts of support and encouragement from parents, grandparents, and other club supporters. This provides a successful mix of family friendly and open community feel within the club. The club are very grateful for everyone's contribution.

**Summary of the main achievements of the charity during the year**

The club was affiliated to the DCFA  
A total of 15 youth teams were registered.  
Nine teams were entered into the Exeter and District Youth League  
Six teams were entered into the Devon Girls league.

The club gave over 250 children the opportunity to participate in football this year. Matches were held on Saturday morning / afternoons and Sunday mornings.

Operation of match day football at multiple venues:  
Lease of football pitches @ Bicton Agricultural College, Woodbury Recreational Ground, Brixington Academy School.

Hire of local council pitches at Withycombe Common from East District County Council.

Operation of football training venues.  
Hire of astro turf pitches for training at Exmouth Community College and Bicton Agricultural College.

The club operates exclusively 10 months of the year from August to May, additionally the month of June is optional to coaches to run free of charge and we have therefore offered football for 44 weeks of the year for all age groups.

The cost of venue hire for training and matches continues to be our highest outlay each season.

As a continued investment in providing football opportunities in the closed season paying for teams to enter local tournaments, with the committee agreeing that each team were able to take part in 3 tournaments supported by the club.

The club's main income remains from player membership subscriptions.

It was with great pride we were able to hold another celebratory presentation day with each child being recognised for their contribution during the year receiving an individual medal or trophy.

Each year the Andy Guy Shield is awarded to a player who has shown commitment and dedication to the club which extended past his own player journey.

Each year the Cross Cup is awarded to the coach who has demonstrated commitment and contributed the most to the club's ethos in the past year.

The annual presentation day was a huge success and it was wonderful to see so many children, friends and families enjoying themselves.

The club, through from the trustees, committee, managers, coaches and helpers all recognise that football is not just about the number of goals scored, or games won, it is about learning the enjoyment of celebrating with friends when times are good and supporting each other when things don't always go right as an individual or group. It is these life lessons and times for learning that create the foundations for personal growth and build resilience for the future. This is something that everyone at the club can be extremely proud of.

It has been another outstanding year for Exmouth United, with children across all age groups seeing their hard work rewarded through improved skills, strong team performances, and memorable experiences both on and off the pitch. Whether reaching county cup finals, winning leagues, or simply growing in confidence and forming new friendships, every player has achieved something meaningful. None of this would have been possible without the dedication of our volunteer coaches, managers, and helpers, whose commitment continues to drive the club forward.

#### Summary bullet points collated from all team managers

- Reached major milestones including the **Devon FA County Cup Final** and **League Cup Finals**, demonstrating strong development and competitive progress.
- Continued to grow as inclusive, supportive squads where players formed strong friendships and developed confidence in a fun, encouraging environment.
- Enjoyed exceptional experiences such as attending the **Lionesses match at the Etihad Stadium**, creating unforgettable memories for young players.
- Delivered competitive 7-aside, 9-aside and 11-aside football across multiple age groups, with many teams showing resilience, teamwork, and tactical improvement.
- Adapted successfully to new formats, rules, and positions, with players demonstrating maturity and excellent teamwork throughout the season.
- Several teams rebuilt after losing players to higher-level leagues, showing determination and strong character to remain competitive.
- Coaches continued their own development, strengthening the quality of training and support offered to players.
- Achieved league success, including the U12 Reds winning both their **league** and the **Devon Cup Final**, and several girls' teams securing tournament wins.
- Maintained strong team spirit, with players enjoying social events such as bowling, beach days, and presentation celebrations.
- Expanded opportunities for girls' football, with new and developing players making remarkable progress despite limited prior experience.
- Competed strongly in higher divisions, with teams holding their own in competitive leagues and finishing the season proud of their performances.
- Ran large, inclusive squads — in some cases over 30 players — ensuring opportunities for all abilities through split-group development sessions.
- Benefited from high-quality coaching, including UEFA-qualified support, helping players improve technically while keeping football enjoyable.
- Reached cup finals and delivered strong performances across the club, with several players now ready to progress toward

senior-level football.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

Although the club does not have reserves policy sufficient funds are required at the start of every season for the club to continue to function before sufficient memberships fees are collected. Advance hire fees and procurement of training equipment and training kit and training courses for new coaches.

It is quite difficult to judge the amount required each season to enable this to happen and there is always a risk with expenditure throughout the season exceeding expected expenditure.

The largest financial commitment of the club is hire of training and match venues and equated to approx.£16000.

The next biggest commitment is the provision of training kit, training equipment, and trophies for presentation day.

Equating to approx. £15000

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principal sources of funds 99% are player membership subscriptions, with the addition of some small grants and or fund raising.

Expenditure is entirely related to the provision of football for children being our core objective.

## Section F

## Other optional information

The clubs continued growth and plans to increase opportunities for children and young adults in the local community to participate in football is directly related to the availability of training and match venues. This means continued participation levels and further increase in growth are always at risk due to insufficient facilities in Exmouth and East Devon.

Although there are financial incentives to charities on tenure with rate reductions, we do not receive any relief for any of the training or match day venues we hire from Exmouth Community College or East Devon District Council or Bickton Agricultural College (which is part of Cornwall College).
