Financial review

Principal funding sources

The charity's main source of income are seasonal donations, regular donors and sponsors. Giving at Friday prayers are declining due given the economic conditions currently affecting our local community this level of voluntary giving is both generous and encouraging.

The collection and distribution of Zakat, Fitrana, Qurbani, Sadaqa, Mawlid and Ghiyarveen shareef funds are of great benefit to those in poverty or need overseas, and the trustees were delighted to exceed last year's collection in such difficult economic times.

Investment policy and objectives

The charity has no long-term investments. Our cash reserves are held in deposit accounts. The interest earned is considered as a gift of the UK banking system and supplements the work supported by the collection of Zakat.

Reserves policy

The trustees have reviewed the reserves of the charity. Their policy is to hold enough funds to meet four months operating costs of the main project, excluding the collection and distribution of seasonal donations, and of our community educational activities and programmes.

Future plans

We intend to maintain our existing range of community activities working in partnership with the community and to further develop our community projects in collaboration with partners to make these sustainable and effective in the long term. We continue to place great importance on sharing a good understanding of different faiths and cultures as well as being neighbourly building cohesion and hope to be more proactive in educating communities against trends in crime and corruption, warning the wider public about the preying nature including pitfalls of extremism and terrorism.

Structure, governance and management

Governing document

OJAALA WELFARE FOUNDATION is constituted & registered trust with the Charity Commission in August 2013, under charity No 1154697 and it is governed by our constitution adopted in August 2013.

Recruitment and appointment of new trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders, professionals and community leaders. The trustees believe this approach ensures that new trustees are respected members of the local communities and ensures that good relations are fostered between different people building social cohesion in the local community that we serve.

When selecting new trustees, we seek to identify people who are vetted, skilled, committed and regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they may be proposed as future trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 AUGUST 2024**

Structure, governance and management

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet together as a body monthly and are responsible for all decisions taken in relation to activities provided by the charity. To assist in the smooth running of the charity the trustees have set up a number of sub-committees that help them oversee certain aspects of the charity's work.

Sub-committees are currently set up for finance, education, distribution, day-to-day management of the building and report back with their updates and recommendations to the full meeting of the trustees.

The sub-committees each meet six times a year, on alternate months to each other. The chair of trustees or another trustee in his absence will chair sub-committees whose membership reflects the particular skills that trustees can bring to the work of the sub-committees. The day-to-day management of the community hub, educational site, hostel facilities, all resources and projects are assigned and delegated to the appropriate team. A separate committee deals with the collection and distribution of donations that meets monthly to review targets, milestones and future direction.

Induction and training of new trustees

Following appointment, new trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedures adopted by our charity. A number of publications from the Charity Commission are also provided including the Essential Trustee, guidance on charities and public benefit, on the advancement of religion and education for the public benefit. This ensures that new trustees are aware of the scope of their responsibilities under the Charities Act. Initially, new trustees work with an existing trustee assisting on particular activities and projects run by the charity. After satisfactory feedback from existing trustees, they are then given the task of leading a particular activity or project, reporting progress at trustees' meetings.

Risk management

The trustees have assessed the risks the charity faces and have drawn up a risk matrix which identifies the major risks by area of activity, the nature of those risks, the likelihood of the risks happening and the measures taken to manage them. The trustees review this risk matrix regularly at their meetings and at meetings of the two sub-committees on finance and buildings. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified. Appropriate Criminal Records Bureau (CRB), vetting and verification checks are supported by regularly reviewed policies, are made for all those who work with children or other vulnerable groups within the projects, school, hostel, or community spaces.

Partnership working and performance review

In developing our community programmes, we are pleased to work in partnership with both of which have provided funding and invaluable advice. Our charity support projects working close with Ojaala International English School, Masjid Asrar, and Jannat Bibi hostel. They have also been very supportive of our educational initiatives as have a number of local community organisations, in particular officials of Union Council Bagarianwala who have worked closely with us on a number of initiatives. We look to all our partners, including, to give feedback on the success of our initiatives, receive any criticisms, then the trustees review the progress and outcomes of our work at each meeting.

A liaison meeting is held each term with school staff, parents and members of the local education authority to assess the progress and improvements that can be made to this programme

Approved by order of the board of trustees on 30 August 2025 and signed on its behalf by:

Financial review

Principal funding sources

The charity's main source of income are seasonal donations, regular donors and sponsors. Giving at Friday prayers are declining due given the economic conditions currently affecting our local community this level of voluntary giving is both generous and encouraging.

The collection and distribution of Zakat, Fitrana, Qurbani, Sadaqa, Mawlid and Ghiyarveen shareef funds are of great benefit to those in poverty or need overseas, and the trustees were delighted to exceed last year's collection in such difficult economic times.

Investment policy and objectives

The charity has no long-term investments. Our cash reserves are held in deposit accounts. The interest earned is considered as a gift of the UK banking system and supplements the work supported by the collection of Zakat.

Reserves policy

The trustees have reviewed the reserves of the charity. Their policy is to hold enough funds to meet four months operating costs of the main project, excluding the collection and distribution of seasonal donations, and of our community educational activities and programmes.

Future plans

We intend to maintain our existing range of community activities working in partnership with the community and to further develop our community projects in collaboration with partners to make these sustainable and effective in the long term. We continue to place great importance on sharing a good understanding of different faiths and cultures as well as being neighbourly building cohesion and hope to be more proactive in educating communities against trends in crime and corruption, warning the wider public about the preying nature including pitfalls of extremism and terrorism.

Structure, governance and management

Governing document

OJAALA WELFARE FOUNDATION is constituted & registered trust with the Charity Commission in August 2013, under charity No 1154697 and it is governed by our constitution adopted in August 2013.

Recruitment and appointment of new trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders, professionals and community leaders. The trustees believe this approach ensures that new trustees are respected members of the local communities and ensures that good relations are fostered between different people building social cohesion in the local community that we serve.

When selecting new trustees, we seek to identify people who are vetted, skilled, committed and regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work.

Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they may be proposed as future trustees at the subsequent trustees' meeting.

This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet together as a body monthly and are responsible for all decisions taken in relation to activities provided by the charity. To assist in the smooth running of the charity the trustees have set up a number of sub-committees that help them oversee certain aspects of the charity's work.

Sub-committees are currently set up for finance, education, distribution, day-to-day management of the building and report back with their updates and recommendations to the full meeting of the trustees.

The sub-committees each meet six times a year, on alternate months to each other. The chair of trustees or another trustee in his absence will chair sub-committees whose membership reflects the particular skills that trustees can bring to the work of the sub-committees. The day-to-day management of the community hub, educational site, hostel facilities, all resources and projects are assigned and delegated to the appropriate team. A separate committee deals with the collection and distribution of donations that meets monthly to review targets, milestones and future direction.

Induction and training of new trustees

Following appointment, new trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedures adopted by our charity. A number of publications from the Charity Commission are also provided including the Essential Trustee, guidance on charities and public benefit, on the advancement of religion and education for the public benefit. This ensures that new trustees are aware of the scope of their responsibilities under the Charities Act. Initially, new trustees work with an existing trustee assisting on particular activities and projects run by the charity. After satisfactory feedback from existing trustees, they are then given the task of leading a particular activity or project, reporting progress at trustees' meetings.

Risk management

The trustees have assessed the risks the charity faces and have drawn up a risk matrix which identifies the major risks by area of activity, the nature of those risks, the likelihood of the risks happening and the measures taken to manage them. The trustees review this risk matrix regularly at their meetings and at meetings of the two sub-committees on finance and buildings. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified. Appropriate Criminal Records Bureau (CRB), vetting and verification checks are supported by regularly reviewed policies, are made for all those who work with children or other vulnerable groups within the projects, school, hostel, or community spaces.

**Structure, governance and management
Partnership working and performance review**

In developing our community programmes, we are pleased to work in partnership with both of which have provided funding and invaluable advice. Our charity support projects working close with Ojaala International English School, Masjid Asrar, and Jannat Bibi hostel. The have also been very supportive of our educational initiatives as have a number of local community organisations, in particular officials of Union Council Bagarianwala who have worked closely with us on a number of initiatives. We look to all our partners, including, to give feedback on the success of our initiatives, receive any criticisms, then the trustees review the progress and outcomes of our work at each meeting.

A liaison meeting is held each term with school staff, parents and members of the local education authority to assess the progress and improvements that can be made to this programme

Statement of trustees' responsibilities

The trustees (who are also the directors of Ojaala Welfare Foundation for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FOR THE YEAR ENDED 30 AUGUST 2022

Recruitment and appointment of trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders, professionals and community leaders. The trustees believe this approach ensures that new trustees are respected members of the local communities and ensures that good relations are fostered between different people building social cohesion in the local community that we serve.

This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Induction and training of trustees

Following appointment, new trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedures adopted by our charity. A number of publications from the Charity Commission are also provided including the Essential Trustee, guidance on charities and public benefit, on the advancement of religion and education for the public benefit. This ensures that new trustees are aware of the scope of their responsibilities under the Charities Act. Initially, new trustees work with an existing trustee assisting on particular activities and projects run by the charity. After satisfactory feedback from existing trustees, they are then given the task of leading a particular activity or project, reporting progress at trustees' meetings.

Risk management

The trustees have assessed the risks the charity faces and have drawn up a risk matrix which identifies the major risks by area of activity, the nature of those risks, the likelihood of the risks happening and the measures taken to manage them. The trustees review this risk matrix regularly at their meetings and at meetings of the two sub-committees on finance and buildings. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified. Appropriate Criminal Records Bureau (CRB), vetting and verification checks are supported by regularly reviewed policies, are made for all those who work with children or other vulnerable groups within the projects, school, hostel, or community spaces.

OBJECTIVES AND ACTIVITIES

Aims and objectives

The objects of the organisation as set out in the constitution are as follows:

- 1 – Relief of poverty
- 2 – Advancement of education
- 3 – Advancement of religion
- 4 – Helping the needy and poor including widows and orphans
- 5 – Aiding where natural disasters have occurred

When planning activities for the year, the trustees have considered the Commission's guidance on public benefit.

Strategies

We want to make our educational project to be accessible and a catalyst to a new future with bright options as a passport out of poverty. We ensure that they receive the appropriate English language teaching and that the successful children are helped into places at higher, further and post graduate education.

All classes, open days and seminars are widely advertised and we welcome the participation of all neighbours (both Muslims and non-Muslims) in our educational initiatives and workshops where we share our values, culture, traditions and our faith with wider society. We also hold an open week each year when we invite congregations from all the local places of worship to visit us and learn more about our work. An important part of our faith is charitable giving we are pleased to receive Zakat, Fitrana, qurbani, Mawlid and sadaqa donations for the sole purpose of the relief of need, overcome financial hardship and provide future social progression opportunities to younger generations especially those who have insufficient income or savings to cover their basic essential needs for shelter, food, clothing or who are destitute with no means of support.

We are mindful that all staff, students, volunteers and partners are upright people that are law abiding good citizens and that we be smartly vigilant to protect them from crime, corruption, hatred, extremism and terrorism.

Use of volunteers

Volunteers are an important resource in our work and are involved in most of our community activities. We encourage all members of our community to be involved in voluntary activities to share their skills with others. All volunteers working with projects involving children or elderly people are CRB checked or vetted with verified professional references provided for each.

Grant making policy

The charity through various campaigns and appeals receives money from the generosity of caring donors. The charity awards these monies to partner education facilities in which we allocate and budget funds to help overcome some short term financial problems of parents thus enabling pupils' education to continue. We also administer the receipt and distribution of zakat, fitrana, qurbani, sadaqa, Mawlid and Ghiyarveen shareef donations.

FINANCIAL REVIEW

Reserves policy

The trustees have reviewed the reserves of the charity. Their policy is to hold enough funds to meet four months' operating costs of the main project, excluding the collection and distribution of seasonal donations, and of our community educational activities and programmes.

Principal funding sources

The charity's main source of income are seasonal donations, regular donors and sponsors. Giving at Friday prayers are declining due given the economic conditions currently affecting our local community this level of voluntary giving is both generous and encouraging.

The collection and distribution of Zakat, Fitrana, Qurbani, Sadaqa, Mawlid and Ghiyarveen shareef funds are of great benefit to those in poverty or need overseas, and the trustees were delighted to exceed last year's collection in such difficult economic times.

Investment policy and objectives

The charity has no long-term investments. Our cash reserves are held in deposit accounts. The interest earned is considered as a gift of the UK banking system and supplements the work supported by the collection of Zakat.

FUTURE DEVELOPMENTS

We intend to maintain our existing range of community activities working in partnership with the community and to further develop our community projects in collaboration with partners to make these sustainable and effective in the long term. We continue to place great importance on sharing a good understanding of different faiths and cultures as well as being neighbourly building cohesion and hope to be more proactive in educating communities against trends in crime and corruption, warning the wider public about the preying nature including pitfalls of extremism and terrorism.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

I report on the accounts FOR THE YEAR ENDED 30 AUGUST 2022 set out on pages eight to eleven.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and

Basis of the independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

OJAALA WELFARE FOUNDATION is constituted & registered trust with the Charity Commission in August 2013, under charity No 1154697 and it is governed by our constitution adopted in August 2013.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet together as a body monthly and are responsible for all decisions taken in relation to activities provided by the charity. To assist in the smooth running of the charity the trustees have set up a number of sub-committees that help them oversee certain aspects of the charity's work.

Sub-committees are currently set up for finance, education, distribution, day-to-day management of the building and report back with their updates and recommendations to the full meeting of the trustees.

The sub-committees each meet six times a year, on alternate months to each other. The chair of trustees or another trustee in his absence will chair sub-committees whose membership reflects the particular skills that trustees can bring to the work of the sub-committees. The day-to-day management of the community hub, educational site, hostel facilities, all resources and projects are assigned and delegated to the appropriate team. A separate committee deals with the collection and distribution of donations that meets monthly to review targets, milestones and future direction.

OJAALA WELFARE FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30th AUGUST 2020

Recruitment and appointment of trustees

The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of both elders, professionals and community leaders. The trustees believe this approach ensures that new trustees are respected members of the local communities and ensures that good relations are fostered between different people building social cohesion in the local community that we serve.

When selecting new trustees, we seek to identify people who are vetted, skilled, committed and regularly attend events and functions organised by the charity and are willing to volunteer to help in our broader community work. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they may be proposed as future trustees at the subsequent trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Induction and training of trustees

Following appointment, new trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedures adopted by our charity. A number of publications from the Charity Commission are also provided including the Essential Trustee, guidance on charities and public benefit, on the advancement of religion and education for the public benefit. This ensures that new trustees are aware of the scope of their responsibilities under the Charities Act. Initially, new trustees work with an existing trustee assisting on particular activities and projects run by the charity. After satisfactory feedback from existing trustees, they are then given the task of leading a particular activity or project, reporting progress at trustees' meetings.

Risk management

The trustees have assessed the risks the charity faces and have drawn up a risk matrix which identifies the major risks by area of activity, the nature of those risks, the likelihood of the risks happening and the measures taken to manage them. The trustees review this risk matrix regularly at their meetings and at meetings of the two sub-committees on finance and buildings. The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified. Appropriate Criminal Records Bureau (CRB), vetting and verification checks are supported by regularly reviewed policies, are made for all those who work with children or other vulnerable groups within the projects, school, hostel, or community spaces.

Partnership working and performance review

In developing our community programmes, we are pleased to work in partnership with both of which have provided funding and invaluable advice. Our charity support projects working close with Ojaala International English School, Masjid Asrar, and Jannat Bibi hostel. The have also been very supportive of our educational initiatives as have a number of local community organisations, in particular officials of Union Council Bagarianwala who have worked closely with us on a number of initiatives. We look to all our partners, including, to give feedback on the success of our initiatives, receive any criticisms, then the trustees review the progress and outcomes of our work at each meeting.

A liaison meeting is held each term with school staff, parents and members of the local education authority to assess the progress and improvements that can be made to this programme.

OJAALA WELFARE FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30th AUGUST 2020

OBJECTIVES AND ACTIVITIES

Aims and objectives

The objects of the organisation as set out in the constitution are as follows:

- 1 – Relief of poverty
- 2 – Advancement of education
- 3 – Advancement of religion
- 4 – Helping the needy and poor including widows and orphans
- 5 – Aiding where natural disasters have occurred

When planning activities for the year, the trustees have considered the Commission's guidance on public benefit.

Strategies

We want to make our educational project to be accessible and a catalyst to a new future with bright options as a passport out of poverty. We ensure that they receive the appropriate English language teaching and that the successful children are helped into places at higher, further and post graduate education.

All classes, open days and seminars are widely advertised and we welcome the participation of all neighbours (both Muslims and non-Muslims) in our educational initiatives and workshops where we share our values, culture, traditions and our faith with wider society. We also hold an open week each year when we invite congregations from all the local places of worship to visit us and learn more about our work. An important part of our faith is charitable giving we are pleased to receive Zakat, Fitrana, qurbani, Mawlid and sadaqa donations for the sole purpose of the relief of need, overcome financial hardship and provide future social progression opportunities to younger generations especially those who have insufficient income or savings to cover their basic essential needs for shelter, food, clothing or who are destitute with no means of support.

We are mindful that all staff, students, volunteers and partners are upright people that are law abiding good citizens and that we be smartly vigilant to protect them from crime, corruption, hatred, extremism and terrorism.

Use of volunteers

Volunteers are an important resource in our work and are involved in most of our community activities. We encourage all members of our community to be involved in voluntary activities to share their skills with others. All volunteers working with projects involving children or elderly people are CRB checked or vetted with verified professional references provided for each.

Grant making policy

The charity through various campaigns and appeals receives money from the generosity of caring donors. The charity awards these monies to partner education facilities in which we allocate and budget funds to help overcome some short term financial problems of parents thus enabling pupils' education to continue. We also administer the receipt and distribution of zakat, fitrana, qurbani, sadaqa, Mawlid and Ghiyarveen shareef donations.
