Bulgarian Evangelical Church "Spring of Life"

Trustees' Report for the period ended 31 October 2024

The trustees present their annual report for the year ending 31 October 2024. The charity started operating in May 2013 and was registered with charity commission on 26 November 2014. The charity is governed by its constitution.

Aims and purpose

To advance the christian faith for the public benefit in such a way as the trustees deem fit.

Objectives and Activities

In order to achieve the principal objective which is set out above, the Church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the Church is the provision of regular public services of Christian worship. These services take place each Sunday at 1.30 pm. There are also occasional services at other times which are advertised on the Church website at www.bulgarianchurch.london. There is a children's programme during the morning services.

The church seeks to be a friendly and welcoming community and anybody is free to attend any of these services. The Church runs a series of house groups for the growth of faith and discipleship in the homes of some members, and further details of these can be obtained from the Trustees on request, or at the Sunday services of worship.

From time to time the Church runs courses in parenting, and course for people interested in discovering more about Christianity, entitled 'Alpha Course'. The Church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted with regard to the Criminal Records Bureau.

Structure, governance and management

The Church is governed by an Approved Governing Document which states that the principal purpose of the church is the advancement of the Christian faith according to the principles revealed in the Bible.

Members of the Church are accepted in accordance with the Constitution which requires them to be or to have been publicly baptised on the profession of faith in Jesus Christ, or following other modes of baptism to renew their public profession of faith in Jesus Christ.

The members Meeting normally takes place twice a year and has responsibility for the overall policy of the church. In accordance with the Constitution, there are three Trustees, who together are responsible for the day to day running of the church's work and witness, and the financial and legal aspects of the charity.

All members are encouraged to take an appropriate part in the spiritual and practical tasks involved in the furtherance of the charitable objective. Relevant matters may be submitted to the Church meeting by the Trustees for guidance, or may be raised by members in Church meeting for further consideration by the Trustees.

Trustees remuneration and related party transactions

Mr Evelin Todorov (trustee) received remuneration of £20,101 (2023:£21,325) during the year. V Todorov, wife of Mr E Todorov received £10,500 (2023:£8,320) as remuneration during the year.

1 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(i) Basis of accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011 and UK GAAP

The charitable company meets the definition of a public benefit entity under FRS 102.

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

The financial statements have been prepared under the historical cost convention.

(ii) Fund accounting

Unrestricted funds represent the funds of the charity that are not subject to any restrictions regarding their use and are available for the general purposes of the charity. Funds designated for a particular purpose by the trustees are also unrestricted.

Restricted funds are those funds that must be spent on restricted purposes.

The financial statements include all transactions, assets and liabilities for which the charity is responsible in law. They do not include the financial statements of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

(iii) Incoming resources

Donated services and facilities are included at the value to the charity where this can be quantified.

The value of services provided by volunteers has not been included in these accounts.

Voluntary income and capital sources

- Collections are recognised when received by or on behalf of the charity.
- Planned giving under Gift Aid is recognised only when received.
- Tax recoverable on Gift Aid donations is recognised when the donation is recognised.
- Grants and legacies to the PCC are accounted for as soon as the charity is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the charity is reasonable certain.
- Income from fundraising and similar events is accounted for gross.

(iv) Resources expended

Expenditure is accounted on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
