## **2 Objectives and Activities**

CityChurch Gloucester is part of the global Regions Beyond network of churches. The Church agrees with, and is committed to, the vision of Regions Beyond:

- church planting to unreached peoples;
- reaching out to the poor - not just to alleviate poverty, but also to see 'the poor' at the frontline of the advance of the Kingdom of God; and
- to see the diversity of the human race represented at every level of every local church; that is, to see churches that cannot be defined ethnically, racially, socially or by class.

Within this vision, the specific mission of CityChurch is to build a strategic Christian community in the Gloucester area, for the purposes of:

- developing a close relationship with God, that we might become more like Him in character;
- developing close functional relationships with other Christian men and women, and building strong links with other churches locally, nationally, and internationally; and
- reaching out to the wider community with works of kindness and the Christian message, especially to those who are hurt and unloved by society and providing spiritual and material support.

Grants and gifts to external organisations and individuals are considered on the basis of need and fulfilment of the charitable objectives. There are no upper or lower limits of support.

Much of the work of CityChurch depends on the unpaid services of volunteers, for example: worship leaders, home group leaders, children's workers, youth leaders, stewards, audio technicians, staff for Food Bank and assistants in Noah's Ark. A high proportion of CityChurch commits time to serve in such ways.

The trustees confirm that they have referred to the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its activities.

### **3 Achievements and Performance**

CityChurch actively pursues its vision to develop a close relationship with God by applying biblical principles to faith and practice. All are encouraged to develop a life of prayer, to seek God through study of the bible, to grow in the knowledge of His purposes and to become actively involved in local and international social needs.

Particular church activities include:

- public meetings each Sunday at The Chapel, Seymour Road, Gloucester;
- active involvement of adults in midweek home-based support groups; these groups enable church members to grow in their faith, find pastoral support and the courage to engage with their neighbourhoods;
- youth and children's activities, enabling positive peer relationships;
- Noah's Ark, a weekly programme that creates a context for non-church parents to learn to interact in a positive way with their children; Noah's Ark serves more than 50 local families weekly;
- a weekly coffee morning particularly aimed at those who feel lonely and isolated in society
- the development of relationships with other churches, locally and nationally through our partnership with Regions Beyond - a network of churches active in many nations as well as in the UK.

In March 2020, CityChurch took on the rental of 77-79 Frampton Road, a building directly connected to the Chapel. In the years since then, CityChurch has undertaken renovation to make it a venue that can serve the local community and serve as a base for CityChurch's own outreach.

### **4 Fixed assets**

On 17th December 2017 The Chapel, Seymour Road, Gloucester became the permanent home of CityChurch.

A further total of £105,987 was spent on this project during the year out of total projected project expenditure of some £228,000. Phase 1 of the building works was completed on the 31<sup>st</sup> December 2017

**City Church Gloucester  
Trustees' Report - continued  
Year Ended 31 August 2022**

**5 Financial Review**

Income for the year was £97,295 (2021: £104,293) and expenditure was £103,504 (2021: £90,942).

The total value of all reserves at 31 August 2022 was £270,035 (2021: £276,244) of which £Nil (2021: £Nil) was restricted. The sole restricted fund was the Building Fund.

The Trustees have set a formal policy of retaining a specific level of general reserves. In general reserves are held to smooth out expected seasonal variations in income; to deal with unexpected costs and to pay for the work of restoring The Chapel. As patterns of income and expenditure stabilize, it is the intention of the Trustees during the next financial year to continue an appropriate reserves policy. At present, CityChurch's only commitments are in respect of normal employment obligations and the running costs of the Chapel. These can be met out of current income.

The General Fund balance was £270,035 at 31 August 2022 of which £226,307 was accounted for by fixed assets leaving £43,728 as free reserves; this sum, together with anticipated future income, is considered to be sufficient to meet the foreseeable needs of CityChurch.

**6 Structure, Governance and Management**

The organisation is a charitable incorporated organisation (CIO), which was established under a constitutional document dated 12 October 2013 and incorporated on 1 December 2013.

The responsibility for ensuring that CityChurch Gloucester fulfils its mission has been delegated to the Elders who report regularly to the Trustees. The power of appointment and removal of Trustees is vested in the membership of the CIO.

All major insurable risks are subject to the normal churches' and employers' insurance. The Trustees undertake periodic reviews to identify, mitigate and manage all significant risks arising in the normal course of the Church's activities.

**City Church Gloucester  
Trustees' Report - continued  
Year Ended 31 August 2022**

**6 Future Plans**

The strategic vision and mission outlined in Section 1 is unlikely to change. The Elders and Trustees believe God will provide a steady incremental growth in the numbers regularly attending CityChurch and its supporting activities and for growth in members' godliness and Christian walk. The Church will continue to serve our people and our local, national, and international communities.

CityChurch will continue to maintain both the Chapel and the rented 77-79 Frampton Road property. The remaining underdeveloped areas of the Chapel (upstairs) that require significant investment will only be undertaken if the needs of the church, the church's outreach or the community require it.

**8 Declarations**

The Trustees declare that they have approved the trustees' report above.

**Going Concern**

After making enquiries, the trustees are not aware of any material uncertainties that cast doubt on going concern and they have a reasonable expectation that the Charity will be able to continue its activities for the foreseeable future, and at least twelve months from the date of approval of these accounts. Accordingly, they have continued to adopt the going concern basis in the financial statements.

**12 Commitments**

City Church will enter Phase 2 of its project to refurbish the Wesleyan Chapel building that it owns in Seymour Road, Gloucester. This is a long-term project for which the Trustees must balance the current operational needs of City Church against their aspiration for a high-quality, high-profile presence in the heart of the City of Gloucester

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CITYCHURCH GLOUCESTER

I report on the financial statements of CityChurch Gloucester ("The Charity") for the year ended 31 August 2022 on pages 8 to 14.

### Respective Responsibilities of Trustees and Examiner

As described on page 3 the Trustees are responsible for the preparation of the charity's financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and for being satisfied that the financial statements give a true and fair view. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. CityChurch Gloucester gross income does not exceed £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act
- state whether particular matters have come to my attention.

### Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from Trustees concerning these matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination: or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
