#### **Risk Management**

The Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise, to provide reasonable assurance that its assets are safeguarded against unauthorised use or disposal, that proper records are maintained, and information is reliable and that relevant laws and regulations are complied with.

As a member of the Royal Air Forces Association group, the Charity is subject to the Association's Risk Management Policy and Trustees have reviewed their risk appetite during the year. In terms of priorities, Trustees have agreed that the need to avoid reputational, compliance and excessive financial risk will take priority over other factors, whilst recognising a balanced assessment has to be taken as, in many cases, there are risks attached to both doing something and doing nothing.

The risk management process set out in the policy is designed to identify and assess risks and so that appropriate risk management strategies are implemented, and their effectiveness monitored. Trustees have identified the following as its key risks:

- Regulatory compliance. Mitigation includes employment of professionally qualified staff and mandatory training, the support of relevant subject matter experts employed by other group companies and regular reviews of policies:
- Long-term financial sustainability and short-term cash flow failure. Mitigation plans include financial planning and performance monitoring, both in terms of annual budgets and reserves and investments: and
- Loss of operational capability. Plans include a range of processes to ensure recruitment and retention of appropriately qualified and trained employees.

#### **Plans for the future**

The Trustees are committed to supporting the delivery of affordable and nurturing early years' childcare in welcoming and safe environments and ensuring the long-term sustainability of the Charity. The Charity is seeking to carefully apply its fund in support of the provision of high-quality childcare.

The Trustees have considered the Charity's performance during 2024 and have reviewed the 2025 full year forecast and the assumptions on which the forecasts were based and are satisfied that the Charity remains a going concern, is financially viable for at least the next twelve months and has a charitable purpose to meet which it is able to deliver.

The auditor, UHY Hacker Young, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

#### **Trustees' responsibilities in relation to financial statements**

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAFA KIDZONE LIMITED

---

### Opinion

We have audited the financial statements of RAFA Kidzone Limited (the 'charitable company') for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of cashflows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern.

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The other information comprises the information included in the Trustees' report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the Trustees' report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report included within the Trustees' Report has been prepared in accordance with applicable legal requirements.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAFA KIDZONE LIMITED

---

### **Matters on which we are required to report by exception.**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' included within the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a Strategic Report in preparing the Trustees' Report.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' responsibilities set out on page 5, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### **The extent to which the audit was considered capable of detecting irregularities, including fraud.**

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RAFA KIDZONE LIMITED

---

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory framework that the charitable company operates in and how the charitable company is complying with the legal and regulatory framework;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud; and
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures, we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, Charities SORP, Companies Act 2006, Charities Act 2011, the charitable company's governing document, tax legislation and Charities (Protection and Social Investment) Act 2016. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing the financial statements including the Trustees' Report, remaining alert to new or unusual transactions which may not be in accordance with the governing documents, inspecting correspondence with local tax authorities and evaluating advice received from internal/external advisors.

The most significant laws and regulations that have an indirect impact on the financial statements are Keeping Children Safe in Education under section 175 of the Education Act 2002, the Childcare Act 2006 and the UK General Data Protection Regulation (UK GDPR). We performed audit procedures to inquire of whether the company is in compliance with these law and regulations and inspected correspondence with licensing or regulatory authorities.

The audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business, challenging judgments and estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.
