Cuttleslowe and District Community Association

Trustees' Annual Report *(continued)*

Year ended 31 March 2024

Structure, governance and management

The charity is a charitable incorporated organisation (Charity Commission No 1154860) which was registered on 4 December 2013 and is governed by a constitution agreed at its annual meeting.

Funds from the unincorporated charity Cuttleslowe and District Community Association (registered charity no. 304340) were donated to the charity on that date.

Trustees are elected at the annual meeting of the charity. New trustees are co-opted at other times but their appointment must be confirmed at the next annual meeting.

The Association aims to have a board of trustees which:

- a) contains the skills and expertise (for example in personnel, finance, health and safety, safeguarding, data protection and premises management) which are required to run a modern charity effectively, and
- b) understands the nature of the issues facing the particular community which it seeks to serve and can develop strategies to address them.

The day-to-day operations of the Community Centre (hereinafter called 'the Centre') are managed by the Centre Manager who reports directly to the Board of Trustees. From January 2021, this role has been fulfilled by Stephanie Jankovic.

The trustees meet as a management committee at least 9 times a year. These meetings are frequently attended by an official from the City Council, local City and County Councillors and the Centre's manager. Others are invited as necessary. The trustees meet separately as required to consider particular issues. Sub-committees meet regularly to monitor aspects of the Association's operations.

Cotteslowe and District Community Association

Trustees' Annual Report *(continued)*

Year ended 31 March 2024

Objectives and activities

The objectives of the charity are to:

- a) promote the benefit of the inhabitants of the area of benefit without distinction of gender, sexual orientation, nationality, age, disability, race or of political, religious or other opinions by associating together the said inhabitants and the statutory authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants; and,
- b) establish, or secure the establishment, of a Community Centre and to maintain and manage the same (whether alone or in co-operation with any statutory authority or other person or body) in furtherance of the above objects;

The Association shall be non-party in politics and non-sectarian in religion. The area of benefit shall be Cotteslowe and the surrounding district.

Activities

Its principal activities in furtherance of these objectives are

- a) to maintain a community centre which is available for hire by individuals and groups, and
- b) to run events and activities for the benefit of the whole community and for particular groups within it. As a general rule projects are not initiated until full funding for them has been secured.

The Association currently employs a part-time Centre Manager and a part-time assistant. Other staff are engaged to assist in the running of particular activities as required.

The staff are assisted by over 30 volunteers who take an active part in the running of particular activities to whom the trustees offer their warmest thanks.

The charity maintains strong links and works with a range of organisations including government agencies, local authorities, private and state schools, religious establishments, other charities, neighbourhood groups and private trusts.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Cotteslowe and District Community Association

Trustees' Annual Report *(continued)*

Year ended 31 March 2024

Achievements and performance

The Community Centre has continued to build its recovery from the covid affected years and by the end of calendar 2024, when this report was written, the Centre was operating at close to the capacity of its buildings and its staff.

Last year we highlighted the fact that the last stage of refurbishment had been completed. Over the last two years this has led to a steady rise in the number of occasions on which our rooms have been hired out, with a particularly significant increase in their use by local families for parties and other events. The boost to our income from room hire has enabled us to offer free facilities to organisations with little or no income, such as ESOL classes, Citizens Advice, Age UK and some local support groups such as for learning disabilities. Our principal focus will remain on helping families and young persons and regrettably there is little evidence that economic conditions for them are getting any easier. The Community Larder, which we host and which is organised by Cotteslowe Connected Church, has seen no reduction in the number of people using it, and the Wishing Tree project matching, anonymously, donors of Christmas gifts with children from families in need, expanded by 50% this year. Sunnymead Minnows, started after the demise of SureStart to help under fives to learn to socialise and prepare for school; continues to be fully subscribed Where we can we will continue to offer new or expanded support for our neighbours.

None of what we do could not be made possible without the support of our stalwart volunteers and the financial backing of many of those who live around us. To both groups we would like to offer our heartfelt thanks.

Financial review

In the financial year ending in March 2024 income and expenditure were virtually in balance. We have been able to absorb the post covid cost increases, the greatest of which were in gas and electricity, and the outlook for the current year is for fewer cost pressures. While funding is always somewhat hand to mouth we are confident that with new funding and with the funds carried forward from the year under review we will be able to continue to grow our activities in the coming two years.

The trustees' annual report was approved on 29/01/25 and signed on behalf of the board of trustees by:

Ann Childs
Chair and Trustee

Cotteslowe and District Community Association

Independent Examiner's Report to the Trustees of Cotteslowe and District Community Association

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of Cotteslowe and District Community Association ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Cotteslowe and District Community Association

Notes to the Financial Statements

Year ended 31 March 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 31 Wren Road, Oxford, OX2 7SX.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The accounts have been prepared on a going concern basis.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are general funds available for the general objectives of the charity.

Designated funds are unrestricted reserves that have been set aside by the Charity for particular purposes.

Restricted funds can only be used for the purposes for which they have been given, within the objectives of the Charity. The costs of raising and administering such funds are charged against those specific funds. The various funds are detailed in the notes to the accounts.

Cotteslowe and District Community Association

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is included on the accruals basis and is recognised when there is a legal or constructive obligation to pay for the goods or services.

As the Charity is not registered for VAT, all expenditure is shown inclusive of VAT.

Tangible assets

All capital expenditure in excess of £1,000, for a single item or a group of similar items, is capitalised.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings	-	20% straight line
Computer Equipment	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Cuttleslowe and District Community Association

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Cutteslowe and District Community Association

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
