STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees have a duty to identify and review the risks to which the church is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees confirm that considerations have been given to the major risks to which the church is exposed and that systems have been designed and established to mitigate those risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the church are:

- i. The propagation of the gospel of Jesus Christ
- ii. The relief of poverty
- iii. Education

The Trustees have given careful consideration to the Church's general guidance on public benefit.

Activities during the year

The Church continued its programme of reaching more people for God. The normal activities of Sunday and weekday services continued. Church fellowship on Fridays continued to be a success.

The church during the year acquired a leased premises and refurbished into a worship auditorium with the help and assistance of its members.

The Church continued to be of immense assistance to members in diverse financial needs. Members were assisted with welfare assistance, travelling expenses, accommodation assistance, among others.

The church provided strong support to members and their families in times of joy and bereavement.

The church conducted several marriage ceremonies and christening of babies during the year.

The Church supported members at the sad times of funerals. Members were prayed for at such times and encouraged with the word of God. Sicknesses and ailments are part of life. On occasions when members or their families are hospitalised, prayers of deliverance were freely offered.

Evangelism

The church continued with its evangelistic mission through out the year ensuring that its message reaches a wider audience in the UK. The word of God was brought to the homes of many people through the distribution of audio messages of prayers and sermons. The church prepared and distributed freely daily bible reading and prayer guide and also offered financial assistance to international faith organisations.

FINANCIAL REVIEW

Reserves policy

The Trustees acknowledge that it will require about £20,000 for three month's operation without any income. The general reserve is more than the safety level, and this level is to be maintained. The Trustees by strategic planning are to maintain the level of secured funds in the next 5 years by setting up a £12,000 reserve funds account with the bank.

Operational income and expenditure

For the year under review, the church made a financial surplus of £17,978 against (£49,426 deficit in 2020)

Total offerings, donations and other income received was £235,552 (£153,437 in 2020) this was up from last year.

Total operating cost was £217,574 (£202,863 in 2020) this was up and mainly due to increased evangelism and mission through direct church worship and other social media activities from opening up churches following the lockdown during the pandemic

Trustees believe that the years pandemic has re-enforced the use of internet, phone apps, and tweeter, what's up and the Facebook as a future long -term strategy to expand the Ministry.

Volunteer services

The Trustees would like to mention the work of several dedicated volunteers whose contribution immensely contributed to the work at the church. The church benefited from these services provided free of charge.

The trustees once again extend a big thank you to all its volunteers.

STATEMENT OF MANAGEMENT RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the non for profit SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the church will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the church and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
