**TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)**  
***For The Year Ended 31 August 2020***

The trustees present their report and accounts for the year ended 31 August 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Articles of Association, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and updated in June 2008.

**Objectives and activities**

The charity's objects are:

- to promote community participation in healthy recreation by providing facilities for playing rugby union football and other sports ("facilities" means land, buildings, equipment and organizing sporting activities)
- to provide and assist in providing facilities for sport, recreation or other leisure time occupation of such persons who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life
- to advance the education of children and young people through such means as the Directors think fit in accordance with the law of charity

The policies adopted in furtherance of these objects are to provide a safe and welcoming environment for all to enjoy playing and participating in sport (in particular rugby union football) and there has been no change in these during the year.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

## **TRUSTEES' REPORT (CONTINUED INCLUDING DIRECTORS' REPORT)**

### ***For The Year Ended 31 August 2020***

Significant activities during the year have been:

#### Coronavirus (COVID -19)

The COVID 19 outbreak in the UK has had a significant effect on the whole country and also for organised sports.

- Rugby and Abingdon RFC have not been immune to the impacts of the virus and all the various government policies for both the sport and local authority areas.
  - Shutdown has impacted on the whole club and wider community, the club has been closed down for a significant part of the year, with all club activity and clubhouse activity stopped
  - Guidelines have been followed diligently in regard to COVID safety
  - All relevant measures have been implemented throughout the club and facility, with the club following all RFU, Constituent Body and national/local government advice.
  - All suppliers were contacted and where appropriate new deals were implemented and reduced costs were negotiated. However, some losses have been incurred as we lost some stock that went out of date during the shutdowns
  - Staff have been put onto the government furlough scheme
  - Rugby matches and leagues were stopped or cancelled during the year and in line with all guidelines from the RFU and Oxfordshire RFU.
  - Grant applications were made and some successful during the year
  - All safeguards have been put into place throughout the epidemic and will continue to do so in the future.
  - Two of our largest events were cancelled during the year – The Abingdon 7's and the Oddballs Rally
  - The Trustee team have worked extremely hard in keeping the club viable in these difficult times.
  - Rugby activities have been very well supported when we have been allowed to open.

#### Pre and Post Coronavirus Outbreak (including lockdowns)

- We are very proud that our coaches and parents are supporting the activities at the local schools, which allows children access to rugby and this has allowed a number of them to join Abingdon RFC and to participate in sport on a more regular basis.
- Abingdon RFC are co-founders of SASI (South Abingdon Sports Initiative), and we work closely with both Abingdon Boys Football Club and Abingdon Tennis Club, in promoting sport and physical activity in the community. Indeed, for the last two seasons we have allowed the football club to utilise pitch space as they have grown significantly in numbers and need additional pitch space.
- As a club we are also supporting Abingdon Rowing Club with training facilities during their off season.
- Abingdon RFC is working together to apply for grants and funding to improve pitches and facilities at Southern Park, Abingdon. We continue to apply for section 106 application for funds through the recently announced housing developments on the Wootton Road / Dunmore Road and others in the local area.
- The clubhouse is now hired out to many local organisations for events and activities ranging from Council meetings, Football Presentations Evenings, Scooter Rally, Charity Events (such as Oddball's Rally), Weddings and Wakes. Tumble Tots Abingdon, are a very regular user of the club with multiple sessions run on Wednesday afternoons and throughout the day on Friday.
- The new training pitch has made a tremendous difference for the club as we now have additional opportunities for age groups training mid-week evenings. We now have some of the best training facilities in the whole of Oxfordshire.

- Tremendous work has been done by the committee and volunteers at the club which has placed the club at the heart of the community.
- Additional investment has been made in the club with the renewal/replacement of the water heating system (to an environmentally sustainable Air Source Heat Pump system) and club heating to a FAR Infra-Red system. All the club lighting has been upgraded to LED. These improvements will reduce the running costs significantly and also lead to lower maintenance costs in the future.
- A large section of flooring was renewed and upgraded in the main clubhouse.
- Another notable success for the club is the number of former youth and junior members now representing the senior club playing first and second team rugby.

### **Achievements and performance**

The club has continued to attract new players of all ages and extend its reach into the local community.

### **Financial review**

The surplus on unrestricted funds during the year was £25,685.

Restricted funds represent funds raised for specific purposes, primarily to promote activities such as tours by different player age groups.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three- and six-month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

### **Structure, governance and management**

The charity is a company limited by guarantee, governed by its Articles of Association and is registered with the Charity Commission.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Dr N Crossley  
Mrs S McKeown  
Mr J Scott  
Mr P Sweeney

The trustees are members and former members of the Abingdon Rugby Club Ltd management committee and have held office on that committee for several years. Trustees are elected by the members of the club at the members annual general meeting.

None of the trustees has any beneficial interest in the company.

All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The trustees have the ultimate responsibility for developing and delivering the charity's strategy. Day to day management is undertaken by a management committee consisting of representatives from the club members.

New trustees are familiarised with the governance structure of the charity, the aims and objectives of the charity and the roles undertaken by the management committee and volunteers. They are given the opportunity to identify any area of activity in which they would like to be involved and if training is required this will be identified and provided by the charity.

## **NOTES TO THE FINANCIAL STATEMENTS** ***For The Year Ended 31 August 2020***

### **1 Accounting policies**

#### **Charity information**

Abingdon Rugby Football Club Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is 265 Cowley Road, Oxford, OX4 1XQ.

#### **1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

The Club development fund is set aside for future development projects agreed by the club membership.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### **1.4 Incoming resources**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

*For The Year Ended 31 August 2020*

### 1 Accounting policies (Continued)

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

#### 1.5 Resources expended

##### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	Over period of lease
Fixtures and fittings	25% straight line on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

##### 1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

A subsidiary is an entity controlled by the charity. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

##### 1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired, the carrying value is reduced appropriately.

##### 1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### 1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

*For The Year Ended 31 August 2020*

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### 1 Accounting policies (Continued)

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
