**Performance**

MWNUK continues to be a source of information. Resources downloads from our website (reports, information booklets, consultation responses etc) increased 34% to 280,000 (from 209,000 times the previous year). The MWN Hub continued to be developed for members to share content. The MWN Helpline was contacted approximately 3500 times in 2022 and 1450 service users were supported and 83 were provided with culturally sensitive counselling. We published a 200-page research report on the maternity experiences of Muslim women, which had 45 recommendations. It was launched via the APPG on Muslim Women of which MWNUK is the Secretariat. The report has been downloaded almost 3000 times and being used by a number of NHS Trusts.

Outreach work included visits to schools and colleges to improve engagement with youth. Campaigning work included supporting Pregnant then Screwed with their protest march highlighting expensive childcare. Advocacy work includes participating in maternity, police and health stakeholder groups. We also provided a large number of case studies as evidence for a police super complaint on the poor service provided by police forces to minority ethnic sexual abuse victims. To improve health and reduce isolation of Muslim women, we set up 13 walking groups across England.

We have responded to the following government consultations, which included: Social Housing for Victims of Domestic Abuse (Department for Levelling Up, Housing and Communities), Mental Health and Wellbeing (DHSC), Honour-based Abuse Inquiry (Women's Equality Committee). We also gave oral evidence on Muslim Marriage and Relationships to the Resolutions Cohabitation Committee.

**Statement of trustees' responsibilities**

The trustees (who are also directors of Muslim Women's Network UK for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

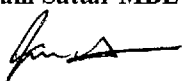

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Small company provisions**

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

**Independent examiner's report to the trustees on the unaudited financial statements of Muslim Women's Network UK.**

I report on the accounts of Muslim Women's Network UK for the period ended 31 March 2023 set out on pages 2 to 17.

**Respective responsibilities of trustees and independent examiner**

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the Act), as amended by section 28 of the Charities Act 2006 and that an independent examination is needed. It is my responsibility to examine the accounts under section 43(3)(a) of the Act, as amended; to follow the procedures laid down in the General Directions given by the Charity Commission under section 43(7)(b) of the Act, as amended; and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep proper accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**Notes to financial statements**  
**for the period ended 31 March 2023**

**1. Accounting policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the period and the preceding period.

**1.1. Basis of accounting**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

**1.2. Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the organisation, are recognised when the organisation becomes unconditionally entitled to the grant.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

**1.3. Resources expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Expenditure comprises those costs incurred by the organisation in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**1.4. Research and development**

Research expenditure is written off to the profit and loss account in the year in which it is incurred.

**1.5. Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	-	20% reducing balance
Computer	-	33% reducing balance

**1.6. Defined contribution pension schemes**

The pension costs charged in the financial statements represent the contribution payable by the charity during the period.
