Performance

In 2024, the MWN culturally sensitive and multilingual helpline service received approximately 3,679 contacts, supporting 1,380 service users directly. An additional 936 beneficiaries-primarily children-were indirectly supported through the help provided to their mothers. Most service users supported were victims of all types of abuse particularly domestic abuse and related issues. This included providing supported referrals as well as holistic trauma informed help via case workers including an IDVA over many weeks and months.

To improve mental wellbeing, we delivered 444 culturally sensitive counselling sessions to 62 individuals, averaging around seven sessions per person. To complement our helpline, we officially launched the Amal Safety App, giving abuse survivors instant access to vital information and a direct link to our helpline.

Our advocacy efforts included responding to six formal consultations and contributing to parliamentary discussions on violence against women and girls (VAWG), domestic abuse, women's health (particularly maternity care), education, racism, and anti-Muslim hatred. We also published research exploring Muslim women's voting habits, experiences of anti-Muslim hatred, and the challenges minority women face in participating in local politics.

In the media, we issued 20 statements and were featured over 22 times, including a significant segment on Sky News highlighting Muslim women's safety. We also held several listening events to centre the lived experiences of minority ethnic women-these included a roundtable with the UN Rapporteur on VAWG and a women's health event co-hosted with the Cabinet Office and the Department of Health.

Our digital reach continued to grow, with resource downloads increasing by 15% to a total of 377,606.

You can find more details in the MWNUK Annual Report (2024) at www.mwnuk.co.uk.

Statement of trustees' responsibilities

The trustees (who are also directors of Muslim Women's Network UK for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees on the unaudited financial statements of Muslim Women's Network UK.

I report on the accounts of Muslim Women's Network UK for the period ended 31 March 2025 set out on pages 2 to 17.

Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the Act), as amended by section 28 of the Charities Act 2006 and that an independent examination is needed. It is my responsibility to examine the accounts under section 43(3)(a) of the Act, as amended; to follow the procedures laid down in the General Directions given by the Charity Commission under section 43(7)(b) of the Act, as amended; and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

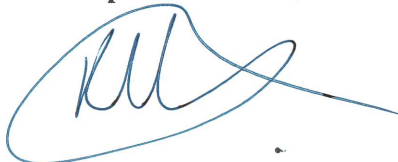

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep proper accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to financial statements
for the period ended 31 March 2025

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the period and the preceding period.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the organisation, are recognised when the organisation becomes unconditionally entitled to the grant.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Expenditure comprises those costs incurred by the organisation in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred.

1.5. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	-	20% reducing balance
Computer	-	33% reducing balance

1.6. Defined contribution pension schemes

The pension costs charged in the financial statements represent the contribution payable by the charity during the period.
