FINANCIAL REVIEW

Total incoming resources for this period was £146775 in unrestricted fund and the total outgoings was £157278 leaving a deficit of £10503. The Trustees consider the need for the charity to hold reserve (unrestricted fund, and not represented by fixed asset) equivalent to one month expenditure in order to ensure the ongoing delivery of its charitable objects during time of unforeseen down turn in income. The Trustees acknowledge that in the year under review the charity was able to meet this need and that the charity should aim to improve and look at other sources to generate income to continue to meet its need.

PLANS FOR FUTURE PERIOD

The church want to add to the existing foodbank, Hot meal and soup for the community around the Mayor of Rushmoor and the Mayoress plan to visit the church to familiarise her self with the people of faith in her community. INDEPENDENT EXAMINERS REPORT

Independent Examiner's Report to the Trustees of RCCG Winners Place Aldershot.

I report on the accounts of the above Charity for the year ended 31 December 2024 set out on pages 5 to 11.

Respective responsibilities of trustees and independent examiner

The Trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Direction given by the Charity commission (under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements
 - To keep accounting records in accordance with section 130 of the 2011 Act; and
 - To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
2. To which in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(a) Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial reporting standard for smaller entities, the charity Act 2011 and the requirement of the Statement of Recommended Practice, Accounting and reporting by Charities

(b) Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds may include a revaluation reserve representing the restatement of investment assets at market values where applicable. Designated funds are unrestricted funds earmarked by the Trustees for particular purposes. Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Invested income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage.
