Achievements in 2022/23

Fundraising and allocation of funds for training and therapy

A review of the charity's finances is included in a section following. Five families formally applied for, and received assistance, with the costs of training and therapy. The total paid out was £2,640. The money was paid to the service providers in accordance with our procedures. During this period the child of one of the trustees received therapy funded by the charity to the value of £500. The decision to allocate this was made by the other trustees only and is consistent with other families receiving funding.

Support and advice to families

Support4SDR Trustees continued to provide advice to families on how to access SDR for their child, and how to find appropriate training and therapy before and after SDR.

Independent Examiner's Report to the trustees of Support4SDR Wales

I report to the charity trustees on my examination of the financial statements of Support4SDR Wales for the year ended 31 March 2023 which comprise the Summary Income and Expenditure Account and the Balance Sheet.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
