SEATON COMMUNITY CENTRE

2022 - 2023

All regular groups continue to use the Community Centre...

Playgroup, Line Dance, U3A Sewing Group x 2, Bowls, Yoga, Bonsai, Card and Craft and the Parish Council.

Several ad hoc activities were held, parties both children's and adults, meetings with planners over new proposed housing development in the village, meetings by residents with County Councillors concerning a "troublesome resident."

A local author held a series of talks and book signings and a local theatre group hires the hall for rehearsals.

A gas leak was immediately repaired and the gas central heating system was corrected and carbon monoxide detectors were fitted.

For all we are a small Community Centre it is very active and thriving, all committee members held the same post as the previous year.
