

QUEEN ELIZABETH II PLAYING FIELD, ASHTEAD

Trustee's Annual Report for the year ended 31 March 2024.

The information given below was correct as at 31st March 2024.

(1) Reference and administration details:

(a) The charity is known as Queen Elizabeth II Playing Field Ashtead Recreation Ground ("the Charity").

(b) The Charity is registered with the Charity Commission No. 1155221.

(c) The Charity trustee is Mole Valley District Council ("the Council") of Pippbrook, Dorking, Surrey RH4 1SJ, which is the principal address of the Charity.

(d) The Council is a corporate body whose Chief Executive for the period up to 31/03/24 was Karen Brimacombe. A list of the current members of the Council is available on request.

(e) The recreation ground is managed by Andrew Reeves, the Council's Parks and Environment Manager.

(f) The Charity's bankers are National Westminster Bank plc of 14 High Street, Dorking, Surrey.

(g) Tom Penlington the Council's Legal Services Manager, acts as solicitor to the Charity. Employees in the Council's Financial Services department acted as its accountant for the period up to 31/03/24. The independent examiner of the Charity's accounts is Bullimores LLP of Dorking.

(2) Structure, governance and management:

(a) The Charity comprises an area of open space provided for public benefit for informal recreation and some organised amateur sports. The public are able to gain free access to the open spaces at all times. The following areas of Ashtead Recreation Ground are excluded from the dedication:

(i) the Multi Use Games Area to the North West

(ii) the football club pavilion and its immediate surrounding area to the South West

(iii) the four tennis courts to the South East

(iv) a play area being positioned to the south west of the tennis courts

The Charity was established on 22 May 2012 by a Deed of Dedication made between the National Playing Fields Association and Mole Valley District Council. By this document, which is the Charity's governing instrument, the majority part of Ashtead Recreation Ground, all of which is owned by the Council, was dedicated as a Queen Elizabeth Field. The Council covenanted to maintain the dedicated land as a playing field to be known at all times as Queen Elizabeth II Playing Field Ashtead

(b) The Council is a corporate body, whose members are elected periodically by residents of the district in accordance with electoral law.

(c) No specialist policies and procedures are adopted for the induction and training of

Council members as trustees. However, all members undergo induction training which covers the structure of the Council, how decisions are taken and the code of conduct. In addition the Member Development and Training Plan also includes training on Equality and Diversity, Risk Management, Finance and Audit. All staff at the Council attend Equality and Diversity and Safeguarding Children courses so that such matters are taken into consideration. Staff dealing with charity affairs are made aware of Charity Commission advice on the role of local authorities when acting as trustee.

(d) Issues of policy, long leases, and works of significant value are all put before the trustee through the Council's Executive. The Charity Commission's guidance on public benefit is taken into account when dealing with the management of the Charity.

(e) The major risks to which the charity is exposed have been reviewed and systems have been established to mitigate those risks.

(3) Financial Review:

(a) The Charity has no disposable reserves. The Charity's surplus expenditure was funded by the Council as part of its normal annual expenditure on parks and open spaces and the Charity's assets are held to fulfill the charitable objectives of the trust. The unrestricted funds cannot be spent as if they were income.

(b) The whole of the land owned by the Charity is permanent endowment.

(4) Funds held as Custodian Trustee on behalf of others:

Not applicable

(5) Objectives and Activities:

(a) In accordance with the the Charity's governing instrument the Council maintains the public open spaces as public playing fields.

(b) The public benefit guidance provided by the Charity Commission is taken into account when dealing with the day to day management of the Charity.

(c) The land held by the Charity is a public open space. A significant part is licenced to the Trustees of the Ashtead Football Club ("the Club"). Two pitches and a training area were licensed to the Club on 5 August 2002 for a term of 21 years, and a further pitch was licensed to the Club on 5 June 2002. Both Licenses are co terminous.

(d) The ditch that runs east to west across the middle of the site was deepened in 2014 which will improve the drainage to the adjacent football pitches.

These facilities and the involvement of local groups help to promote community development, healthier lifestyles and amateur sports.

(6) Achievements and Performance:

This year the land has continued to be actively used by members of the public and the various groups referred to above. The Trustee's continued maintenance of these fields as public open space and recreational areas has assisted with the promotion of amateur sports, healthier lifestyles and community development.

The upper area of the recreation ground has been lying very wet in recent years. The Parks Team will be assessing the drainage pipes to ascertain if any drainage works are required to improve the condition of the area which is also used as a football pitch.

The playground has seen a replacement of the zipwire as part of the ongoing maintenance of this facility.

The front of the recreation ground (adjacent to Barnett Wood Lane) has seen continuous parking on the grass verge. To address, this chestnut timbers have been laid to provide a low natural looking barrier, along with a number of small native trees.

(7) Plans for future Periods:

Looking to the future, it is anticipated that the land will continue to be retained as public open space and be maintained for the benefit of local residents and the public at large subject to the provisions of the licences to the Club. The football club are looking at putting in an all-weather surface facility on the site if they can secure funding and permissions. This aspiration will need to be balanced with the wider public use of the site and the environmental and aesthetic impact this would have on this public asset.

The Parks team are also exploring ways in which the biodiversity of the site can be improved through planting and amending the current management.

Declaration:

The trustee declares that it has approved the trustee's report above.

Signed on behalf of the Charity's trustee

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
