Objectives and activities

The charitable purposes of the Company are the provision and maintenance of a village hall for the use of the inhabitants of Woodbury, Devon and the surrounding area ("the area of benefit") without distinction of political, religious or other opinions.

Main activities under taken for public benefit

The hall is available for (a) Meetings, lectures and classes, and (b) Other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the inhabitants in the area of benefit. The above purposes are the Company's charitable purposes for the purposes of the Charities Act 2011. For as long as the company is a registered charity, its purposes may only be altered with the prior consent of the Charity Commission and in accordance with any conditions attached to such consent.

Structure, Governance and Management

The Charity was established under a Declaration of Trust dated 28 November 2013 as an unincorporated association and was registered with the Charities Commission on 8 January 2014. The Charity is managed by the Board of Directors. There must be at least 3 Directors. One third or, if not a multiple of 3, the nearest to one third must retire from office annually in rotation. In selecting individuals for appointment as directors/Trustees, the Directors must have regard to the skills, knowledge and experience needed for the effective administration of the Charity. All Directors give their time freely and no remuneration or expenses were paid in the year. The day to day running and administration of the charity is undertaken jointly by the Directors.

Public Benefit Statement

The Directors confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charities Commission. The Directors are confident that the aims and objectives of the Charity as set out in the Mission Statement above deliver a clear public benefit to the community.

Main achievements in 2023

The hall has been open for normal usage without interruption . There was a steady increase in bookings back to pre pandemics levels at £30000 an increase of £5000 over last year. With efficient management the hall has been used by local groups and individuals for an average of 60 hours per week. There have been significant improvements to the hall, a new hand rail to the steps to car park as advised by fire safety officer, a new sink in the caretakers' store to enable floor cleaning etc without using kitchen sinks (health and safety), a projection system was fitted in the Du Buisson Room to enable the room to be used for business meetings and teaching. New fire extinguishers were purchased and are in place (as advised by fire safety). Solar panels with battery were fitted in December, to help reduce our carbon footprint and to reduce our electricity payment.

Financial review

There was an increase in rental income to £30011 (an increase of £5000), with grants of £18000 for the solar panels from EDDC and of £2400 from Woodbury Parish Council for caretaker's sink and Du Buiison Room projector giving an income of over £50000 with general expenditure of £21888 in addition to planned improvements leaving an excess of £582.

The Directors wish to use the annual income to improve the hall for the benefit of the whole community, thus reserves are limited to sufficient to cover foreseeable contingencies estimated at £20000.,
