Thanington Neighbourhood Resource Centre

Trustees' report for the year ended 31 March 2022

The Trustees present their annual report together with the financial statements of the charity for the year ended 31 March 2022.

Objectives and activities

a. Policies and objectives

The charity's objectives are:

- 1) To promote the benefit of the inhabitants of the Parish of Thanington and the neighbourhood (referred to as 'the area of benefit') without distinction of gender, sexual orientation, race or political, religious or other opinions, by associating together the said inhabitants and local authorities, voluntary and other organisations in a common effort to advance education, the promotion of health and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants;
- 2) To establish or secure the establishment of the Thanington Neighbourhood Resource Centre (referred to as 'The Centre') and maintain and manage the same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objects;
- 3) To promote such other charitable purposes for the Public Benefit as may from time to time be determined.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Background

Thanington Resource Centre is a highly successful resident/user-led charity, built for the public benefit of Thanington residents (with a Single Regeneration Budget grant) in 2000. It is a much needed, multi-purpose, and fully accessible community building opposite the Thanington estate; an identified area of disadvantage/deprivation, youth-centred crime and anti-social behaviour, on the outskirts of Canterbury. It is funded by a patchwork of temporary, annual funding-streams and charges for room hire. In 2006 with an annual footfall of almost 47,000, we had outgrown ourselves; operating at maximum capacity 7-days a week (9am-9pm), and needing to regularly run youth sessions outside due to lack of internal space. Following an 'Options Review,' and with a capital grant from the BIG Lottery, we built a new 2 storey extension to cope with increased demand and to provide greater sustainability. With our new state-of-the-art training and meeting rooms and all-inclusive office rental we hope to rely less and less on one-off grant awards. We also have an amazing 246sqm Youth space, which is decorated and run by our annually elected user-led Youth Committee.

Since the Centre opened, there has been a marked reduction in crime and anti-social behaviour on the estate (over 50%) and an overwhelming increase in community participation and cohesion. It has made lasting changes to the lives of local residents, and helped them overcome the problems that often prevent them playing a full part in economic, social and community activities and generally improving their quality of life. We are a flexible responsive resource, which strengthens and supports the local community by providing non-stigmatising activities and services in a safe, non-judgmental environment - accessible to all residents regardless of age, status, race, beliefs or abilities. Our aims are to increase resident participation; break down barriers, such as age-related divides; combat crime by facilitating family support and diversionary activities for young people (the highest percentage of the local population); provide opportunities for training and learning; and to improve access to health, well-being and other public services. Our resources are mainly targeted on the needs of residents such as settled travellers, lone/young parents; low income families; people experiencing exclusion and educational disadvantage, i.e. those who are unemployed, young people involved in and on the edge of crime, disabled and older people, those who are in need of basic skills and those with entrenched problems such as homelessness and addiction. We strive to pay at least the 'Living Wage' to 8 local people, we have over 35 volunteers and our 10 Trustees are made up of 7 Thanington residents (plus 3 professionals), who all reflect the make-up, lifestyles and needs of the local area.

Thanington Neighbourhood Resource Centre

Trustees' report (continued) for the year ended 31 March 2022

Achievements and performance

a. Activities undertaken and achievements to further the charity's purposes for the public benefit

2021-2022 was another unprecedented year, which began with a government-enforced lockdown, and operating under strict regimes of social distancing, sanitisation procedures and protocols, mask wearing, and with limited use of space and rooms until May/June 2022. Our income, services, activities, and facilities were severely restricted at times.

With needs continually increasing we continued to provide much needed emergency food tables daily, 7 days a week, as well as offering toiletries, cleaning, and personal hygiene products. We also managed a summer programme for our children and young people with 150 (3 coaches) local residents going to Chessington, 48 to Howletts Zoo and another 48 to Gravity, water sports and bowling trips, and an amazing Community picnic for all our families. We also managed to have an amazing Hallowe'en fancy dress party in October, but later in the year events and activities such as the Christmas grotto, quiz and disco were cancelled because of the Omicron variant. We did however send out over 100 Christmas parcels with thanks to local supermarkets and the many donations we received from individuals and Canterbury Lion's Club.

The year also brought other challenges and misfortunes, when rainwater broke through two ceilings in the Centre, causing power cuts and dirty wet carpets throughout, Canterbury City Council our landlord was slow to react, which meant more damage than necessary and days without lights or a working reception area. Eventually after several months all the replastering was done and the carpets replaced, only to be flooded with dirty water again on 2nd September when the council's boiler burst, which meant all the carpets needed to be replaced again. All this meant fewer groups using the building and reduced income yet again.

On the good side in 2020-21 we were saved from redundancies or even closure by the early scheduling and retrieval of Section 106 monies from a new housing development, this was supplemented by a further £125,000 in 2021-22, in order that we could continue to operate, and hopefully return to pre-Covid bookings and revenue levels.

As Trustees it's been another very challenging year, but many good things have been achieved too, our staff team have been amazing and the donations and kindnesses we've received are unbelievable. We were extremely lucky to have made it through to April 2022, and to have the opportunity to try to recover; a massive thank you to all involved.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The organisation is aware of the vulnerability of its funding and has adopted a Reserves Policy, which sets out how restricted, unrestricted and designated funds will be handled. Ideally operational reserves should equate to 6 months of unrestricted expenditure, which equates to approximately £80,000. Current general reserves exceed this level, standing at £244,234. This excess has been very useful during the Coronavirus pandemic and has enabled us to continue providing services to our beneficiaries.

Thanington Neighbourhood Resource Centre

Trustees' report (continued) for the year ended 31 March 2022

c. Risk management

The Trustees have a duty to identify and review all risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud and error. Internal risks relating to the proper management of the organisation are minimized by the design and implementation of comprehensive policies and procedures appropriate to the size of the organisation. This includes stringent financial procedures that ensure the proper authorisation of all transactions.

Structure, governance and management

a. Constitution

Thanington Neighbourhood Resource Centre is a registered charity, number 1155263, and is constituted as a Charitable Incorporated Organisation. It was established on 1 April 2014 to take over the activities of a former unincorporated charity.

b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Mrs Charlotte MacCaul
(Chair of Trustees)

Thanington Neighbourhood Resource Centre

Independent examiner's report for the year ended 31 March 2022

Independent examiner's report to the Trustees of Thanington Neighbourhood Resource Centre (the charity)

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

The notes on pages 8 to 19 form part of these financial statements.

Thanington Neighbourhood Resource Centre

Notes to the financial statements for the year ended 31 March 2022

1. General information

Thanington Neighbourhood Resource Centre is a charity registered in England. The charity's registered address is Thanington Neighbourhood Resource Centre, Thanington Road, Thanington Without, Canterbury, Kent CT1 3XE. The principal activity of the charity is to promote the benefit of the inhabitants of the Parish of Thanington and the neighbourhood.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Thanington Neighbourhood Resource Centre meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in British Sterling and are rounded to the nearest pound.

2.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Notes to the financial statements
for the year ended 31 March 2022

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £200 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, on a reducing balance basis.

Depreciation is provided on the following basis:

Fixtures and fittings	-	25%
-----------------------	---	-----

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**Notes to the financial statements
for the year ended 31 March 2022**

2. Accounting policies (continued)

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

13. Statement of funds (continued)

Purpose of designated funds

The Fixed Asset Fund represents the value of fixed assets at the year end.

The Emergency Costs Fund represents monies set aside to cover emergency costs arising such as urgent repairs, increases in utilities etc.

Purpose of restricted funds

The C.C.C. Rise Grant is a grant received from Canterbury City Council for the provision of youth services for the local community.

The YOF Cookery Grant fund is to be used for the purchase of cooking equipment and ingredients for cookery sessions with Youth Club members.

The Lions Club fund comprises funds and donations received to help further youth activities.

The Junior Youth Club fund is used to fund youth sessions, outings and equipment.

The Calendar Projects fund is to be spent teaching the Youth Club members photography skills and to produce a calendar which they could then sell to raise funds.

The CEH Fund is to enable the provision of a homework club for local children and to support local families.

The Awards for All fund comprises funding for a youth club project looking at ways to tackle gang/knife and gun culture among young people.

The Family Bingo fund provides a regular prize Bingo for the local community.

The Emergency Fund comprises donations received to assist with COVID-19 issues.

The Winter Poverty Grant fund comprises grant funding distributed by Canterbury City Council to assist those in need with utility bills, home essentials etc.

The JH Summer Activities fund is to enable local community activities and projects.
