TUMAINI HOMES OF HOPE

REPORT OF THE TRUSTEE BOARD FOR THE YEAR ENDED 31 MARCH 2021

Tumaini Homes of Hope UK during the reporting period 1 April 2019 to 31 March 2021, principally donated to three organisations:

Tumaini Children's Home in Bamburi, Mombasa Kenya (which is the main organisation for which the charity was started); the home has 59 children either infected with or affected by HIV/AIDS. The Kenya Trustees have successfully set up and operated Endowment Funds for the home, retaining the capital. This success encouraged the UK Trustees to augment funding into endowments for education, medical and maintenance with Prime Bank Ltd Kenya.

Angels on Earth which is a special needs school;

Kikambala Sunday Feeding programme.

Financial review

The main sources of funding are donations.

Reserves policy

The Board has determined that it is prudent to retain about £10,000 to allow for unexpected demands on our resources. This has been made possible by decreased UK expenses.

Public benefit

The charity trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Prepare the financial statements on a going concern basis, unless it is inappropriate to assume that the charitable company will continue.

The trustee board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Respective Responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the Charities Act;

Follow the procedures laid down in the general directions given to the Charity Commission (under section 145(5)(b) of the Charities Act);

To state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records.

It also includes consideration of unusual items or disclosures in the accounts and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect, the requirements to keep accounting records in accordance with section 130 of the Charities Act and to prepare accounts which agree with the accounting records and comply with the accounting requirements of the Charities Act have not been met, or, to which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

1 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

1.1 Basis of accounting

The financial statements have been prepared under the cash basis

1.2 Charity Status

The charity is a Charitable Incorporated Organisation.

1.3 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general activities of the charity.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Where specific provisions imposed by the donor would restrict the use of unspent funds, the income is taken directly to the relevant restricted fund.

1.4 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to those grants.
- Donated services and facilities are included at the value to the charity where these can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Incoming resources from grants, where related to performance, are accounted for as the charity earns the right to consideration by its performance.

1.5 Resources expended

Expenditure is recognised on a cash basis.

- Charitable expenditure comprises those costs incurred by the charity in the deliverance of its activities and services for its beneficiaries.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include costs linked to the strategic management of the charity.
