Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document
Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

To rescue, rehabilitate and rehome local animals

Additional details of objectives and activities (Optional information)

Dogs that need rehoming for a variety of reason come to our notice and are offered a safe space with the rescue. Due to the huge numbers of dogs hitting our local stray pounds they have been our priority for the last year.

In the main part these dogs are placed in foster homes for assessment which is our preference. We have continued to have to rely on kennel spaces due to a shortage of foster homes which has significant financial implications.

All dogs that come into our care continue to receive vet care - as a minimum a vet check, vaccinations, flea, worm and neuter. All dogs are chipped to the rescues details. If a dog requires further medical intervention such as treatment for infection, irritation, dental work or anything else then they will receive it. We have continued to take in high numbers of dogs with significant health issues in the last year due to a range of reasons including owners struggling financially and also indiscriminate breeding practises.

Once assessed in foster care our dogs are placed in suitable homes. The has been a challenge due to low numbers of people wanting dogs now. In addition many of the dogs we have helped can be challenging and difficult to find the right sort of experienced homes.

We continue to work in our local community offering support including –
Training
Dog food
Food banks
Clothing (from our shop)
Therapy sessions
School talks and visits
EOL fosters or supported adoptions for elderly owners

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Our finances started the year strong but the increases in vets bills and kennels bills have made an impact and we have had to really work hard at fund raising, grant applications – this is the same as last year.

Our team of volunteers has strengthened again after the lockdown dip so we feel better supported.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

In this year we have successfully rescued and rehomed 120 dogs

We have carried out school visits and visits to local care homes.

We have continued to help those struggling to feed their dogs with food donations and supplied dog food for all local food banks.

Our elderly dog programme has seen us placing several more dogs in this programme this year.

We continue to offer full back up for all the dogs we rehome.

We have worked successfully with other rescues through our sister organisation North West Pound Dogs to find all the dogs in our local stray pounds space in rescue and prevent any of them being PTS.

This hasn't changed much from our previous years report except the numbers of people wanting to rehome their dogs has increased and we are having to turn these away.

Section E Financial review

Brief statement of the charity's policy on reserves

We have no reserves and live from month to month.

We are eligible to apply for grants in the next 12 months so will be doing so.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

March 2025

Charity no

1155298

(if any)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2025

Responsibilities and basis of report As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Summary of the main achievements of the charity during the year

In this year we have successfully rescued and rehomed 130 dogs

We have carried out 8 school visits and 8 visits to local care homes.

Our training school has continued to do well.

For our own dogs we are providing training input for dogs before placing them in homes and afterwards

We have continued to help those struggling to feed their dogs with food donations and supplied dog food for all local food banks.

Our elderly dog programme has seen us placing several more dogs in this programme this year.

We continue to offer full back up for all the dogs we rehome.

Our new website has made things much more manageable and streamlined for us and the public.

ended (if any)

Set out on pages 1 and 2
(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2023

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

How the charity is constituted (eg. trust, association, company)	Trust
Trustee selection methods (eg. appointed by, elected by)	Appointed by members

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Unfortunately our aim to recruit more trustees last year wasn't successful, we do however had one definite person to add which will be done after this report is submitted.

We are still aiming to recruit a couple more people to help and advice in moving us forward as a charity.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To rescue, rehabilitate and rehome local animals

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Dogs that need rehoming for a variety of reason come to our notice and are offered a safe space with the rescue.

In the main part these dogs are placed in foster homes for assessment which is our preference. However due to the difficult nature of some of the dogs needing our help (lockdown puppies) plus a lack of experienced foster home we have been forced to use kennels much more now which has significant financial implications.

All dogs that come into our care continue to receive vet care - as a minimum a vet check, vaccinations, flea, worm and neuter. All dogs are chipped to the rescues details. If a dog requires further medical intervention such as treatment for infection, irritation, dental work or anything else then they will receive it. We have taken in high numbers of dogs with significant health issues in the last year due to a range of reasons including owners struggling financially and also indiscriminate breeding practises.

Once assessed in foster care our dogs are placed in suitable homes. The homecheck process has been a challenge and we have been changing the way we do this constantly to match each challenge.

We continue to work in our local community offering support including -

Training

Dog food

Food banks

Clothing (from our shop)

Therapy sessions

School talks and visits

EOL fosters or supported adoptions for elderly owners

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We have once again been able to open up to real fundraising events.

Unfortunately a big dog show and display we were doing as part of a local agricultural show was cancelled in the summer due to extreme heat!

Our fundraising volunteers team is strong and we have people now who are independently organising events for us such as a sponsored walk and a physic evening.

Face to face Homechecks have resumed properly now - in the next year we are looking at extending our team who do this for us as we have lost some since covid restrictions were in place.

The treasurer has continued to seek appropriate Grant Funding and liaise with local businesses for fund raising reasons.

Our Strategic development plan has continued to inform the way we develop the rescue and make sure funds are sustainable for the future.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

In this year we have successfully rescued and rehomed 102 dogs.(and 7 cats)

We have carried out 10 school visits.

Our training school has continued to do well.

For our own dogs we are providing training input for dogs before placing them in homes and afterwards

.

We have continued to help those struggling to feed their dogs with food donations and supplied dog food for all local food banks.

We have continued to foster links with other dogs

Our elderly dog programme has seen us placing several more dogs in this programme this year.

We continue to offer full back up for all the dogs we rehome.

Our new website finally launched and has made things much more manageable and streamlined for us and the public.

Section E

Financial review

Brief statement of the charity's policy on reserves

We don't generally carry reserves, however we received an inheritance last year which was placed in reserves at the end of the financial year towards vets bills. Due to our shop and daycare being closed for four months and the difficulties of successful fundraising we have had to use some of this but only where necessary.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

We are looking at recruiting more trustees to match the growing nature of the charity. This was an aim for last year but restrictions due to Covid have made this more difficult to do as we have not had the same volunteering opportunities available – this is something that will be addressed in the coming months and a couple of potential Trustees have been approached.

Section C Objectives and activities

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Our fundraising has remained mainly in an online format this year and our use of volunteers has been restricted accordingly.

Face to face Homechecks have resumed but are mainly done by the two managers along with a very small team. Covid safe procedures are in place for these homecheck visits and all dog pick ups and drop offs etc.

The treasurer has continued to seek appropriate Grant Funding and we are lucky enough to have been granted the funds to purchase a crated van for safe transport by Jean Sainsburys Trust.

Our Strategic development plan has continued to inform the way we develop the rescue and make sure funds are sustainable for the future.

We are hoping to start using more volunteers in 2022 and get out doing some awareness and fundraising events.

Summary of the main achievements of the charity during the year

In this year we have successfully rescued and rehomed 90 dogs.

We have carried out 6 school visits.

Our training school has become well established and we are looking towards the next stage in its development.

We have offered for free training support to many families and this in turn has meant they were able to keep their dog instead of handing to rescue.

We have helped those struggling to feed their dogs with food donations and supplied dog food for all local food banks.

We have developed links with other dogs rescues and local charities for the homeless.

Our elderly dog programme has seen us placing several more dogs in this programme this year.

We continue to offer full back up for all the dogs we rehome.

We have developed our link with ACDH and the Battersea Academy which has assisted us in strengthening the work we do as a rescue.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2021

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
