GIVE US A BREAK 2010

TRUSTEES' REPORT

The trustees present the annual report together with the financial statements of the charity for the year ended 5 April 2021.

OBJECTIVES AND ACTIVITIES

Objects and aims

The charity's objects as set out in the governing document are to relieve the needs and preserve and protect the health of children with disabilities in West Cumbria, and their parents and carers, by raising funds to provide access to short breaks and overnight stay facilities.

The vision statement for the charity is 'Have a break, come RaynorShine'.

The mission statement is that the RaynorShine Centre will provide a family focused environment that is homely, not clinical, where disabled children, their parents and carers can come to relax and feel part of the RaynorShine community.

The RaynorShine Centre will be fun, encourage play and help develop new skills in a safe, nurturing and happy environment.

The RaynorShine Centre will make a positive difference to the quality of life of children and families. Each child has self-worth and value and should be treated with respect and dignity. Children have a right to live and be cared for in a safe environment. The RaynorShine Centre will work in harmony with other community organisations.

GIVE US A BREAK 2010

TRUSTEES' REPORT (CONTINUED)

The aims of the charity are:

To improve the quality of disabled children's lives and life experiences by providing a Centre in West Cumbria that is available, initially, five days per week, for 50 weeks of the year.

To embed the business mission and vision statements in the people, facilities and operation of the RaynorShine Centre.

Medium/Short Term aims:

1. Raise money to purchase a property close to the sea which can be used as a holiday let for families with disabled children to enjoy the local area
2. Adapt the property into an accessible property suitable for use by families with severe disabilities
3. To develop a programme for sustainability

On 1 November 2012, the charity signed a declaration of trust by CFM Radio's Cash for Kids. CFM Radio's Cash for Kids agreed to utilise the CFM Radio's Cash for Kids Charity with a view to the raising of funds in respect of Give Us A Break 2010.

The trust fund is the sum of all monies raised including gift aid by way of donation through the CFM Radio's Cash for Kids' Just Giving web page, on-air, in cash and cheques and by text donations. Give Us A Break 2010 is the beneficiary of the trust fund and should Give Us A Break 2010 no longer exist or require the funding then CFM Radio's Cash for Kids will use the trust fund to support children in Cumbria and South-West Scotland chosen at their discretion.

The trust fund and its income is held in trust for Give Us A Break 2010 for:

1. the payment of expenses incurred in relation to 'Building and renovating a short break activity centre with overnight stay facilities for children in West Cumbria' required by Give Us A Break 2010
2. the provision of support, including services support and direct gift in kind, for Give Us A Break 2010
3. the provision of such equipment as CFM Radio's Cash for Kids shall deem necessary to support and provide well being for Give Us A Break 2010
4. such other purpose relating to Give Us A Break 2010 as CFM Radio's Cash for Kids shall deem appropriate.

CFM Radio's Cash for Kids currently holds funds in trust for Give Us A Break 2010 and this has not been recognised in these accounts as the project is still in the early stages and if, for any reason, this project cannot go ahead then Give Us A Break 2010 will not receive anything from CFM Radio's Cash for Kids.

TRUSTEES' REPORT (CONTINUED)

Public benefit

The Charity aims to relieve the needs and preserve and protect the health of children with disabilities in West Cumbria, and their parents and carers, by raising funds to provide access to short breaks and overnight stay facilities for the benefit of the public.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

ACHIEVEMENTS AND PERFORMANCE

2020/21 has been a particularly tough year for the charity. The majority of the year was spent in lockdown and every committee member had significant personal issues to deal with during this time. An overall small loss was made due to no active fundraising and website ongoing costs.

Property search

The search for land to build the RaynorShine Centre has again not wielded a site which would be suitable. Most of the sites that were looked at in previous years were not suitable for conversion or way beyond our budget to either purchase or convert.

A suitable property for the 'holiday let' was found which was within our budget to purchase and renovate and was ideally located on a local beach. Minimal alterations were necessary to make it accessible for those with disabilities and time was spent writing up a business plan to enable the release of the funds from CFM Cash for Kids to make the purchase.

Unfortunately, CFM's 'Cash For Kids' were unable to confirm the release of the funds in time, and the property was purchased by another interested party. The search for an alternative site continues.

Industry links and fundraising

For this financial year, with the majority of it being in lockdown, there has been no active fundraising from within the charity or from external parties.

Change in priorities

Due to the lack of progress in obtaining land and the probability of the situation not changing for some time. The trustees took the decision, last year, to realign the priorities for the charity. While the search for suitable land is still ongoing, the trustees decided to begin to look for suitable properties that could be adapted for use as holiday accommodation for families to have short breaks of 3, 4 or 7 days in west Cumbria, with the desire to obtain properties close to the coast enabling families to have breaks at the beach. Operating the properties as holiday accommodation will enable the charity to gain a business history which is often required by grant making bodies. The search for suitable land for the RaynorShine Centre will continue in parallel.

FINANCIAL REVIEW

The accounts show that the charity generated income from donations and fundraising events totalling £1,299 for the year (2020: £9,878). The charity made a deficit in the year of £731 (2020: £7,737 surplus) which is held for the purpose of creating the RaynorShine Centre.

The objective continues to be to gather sufficient funds to build the RaynorShine Centre and once the centre is up and running, a suitable reserves policy will be adopted.

The charity held unrestricted reserves of £141,316 (2020: £142,047) at the year end.

PLANS FOR FUTURE PERIODS

Aims and key objectives for future periods

West Cumbria urgently needs a suitable Short Break Centre located nearby to support children with disabilities and their families. Currently, a suitable facility does not exist and/or would require extensive travel or financial commitment to access.

Give Us A Break 2010 intend to set up a beach located holiday home in one of the coastal villages in West Cumbria.

The intention is to provide an affordable break away from home for families with children who have disabilities and their carers if necessary, for short breaks or longer stays if required.

This will in turn improve the quality of disabled and disadvantaged children's lives and life experiences by providing a centre for short breaks in this area.

Our initial property will be fully accessible for wheelchair users and will allow family pets and working animals to accompany the families.

Cumbria has very few wheelchair accessible properties available, and of those, even fewer can sleep more than two. There are very few that are beach located so it will be well sought after by these families.

The rates charged will cover the costs of the property plus a little extra to generate some Charity income to enable unforeseen maintenance work on the property and potentially the purchase of more properties in the future.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 ACCOUNTING POLICIES

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Give Us A Break 2010 meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Income

Voluntary income including donations that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations

Donations are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Other trading activities

Fundraising event income is recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

1 ACCOUNTING POLICIES (continued)

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category.

Expenditure includes any VAT, which cannot be recovered, and is reported as part of the expenditure to which it relates.

Raising funds

These are costs of fundraising events undertaken during the year.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

All fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Equipment	25% straight line

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

1 ACCOUNTING POLICIES (continued)

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into.

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
