**Weald of Kent Methodist Circuit
TRUSTEES ANNUAL REPORT ON FINANCE AND GOVERNANCE
FOR THE YEAR ENDED 31 AUGUST 2020**

Introduction

Included in the report are the aims of the Circuit and a commentary of the financial aspects of its work. The report has been prepared based on the activities and plans as they are known at the current time. The Circuit exists for the benefit of the six Methodist Churches, one joint Anglican/Methodist Church, and one joint URC/Methodist Church, employing the Circuit staff and providing financial support for major projects.

Circuit Mission Statement

Led by the Spirit to work together to enable our churches to share the Good News of Jesus. This we do through :

Leadership: to encourage, support and challenge each church to worship God, fulfil its own mission and spread God's word.

Communication: to facilitate effective and relevant communication between churches and encourage two-way communication with wider Methodism.

Maximising Resources: to ensure the most effective use of all resources across the Circuit and the development and use of our God-given gifts.

Review of the Year

Income Trends

Circuit income is primarily drawn from the assessment paid by the Circuit churches.

Expenditure Trends

Stipend expenditure has increased each financial year in line with Conference approved increases. 20% of general fund expenditure is the Circuit contribution to the District and Connexion, of which a significant part is used to fund the work of the wider Methodist Church.

Grants from the Model Trust Fund included £75000 towards the building of the Eastbourne Emmanuel Church, £5000 to the chapel fund of the Trinity School at Sevenoaks and £2000 to support one of the Circuit churches.

Significant Transactions

In the previous year two of the Circuit churches ceased to meet. The church property has been deemed surplus to requirements and both are in the hands of agents for sale. In the event of a sale the Circuit Model Trust Fund will receive a proportion of the sale proceeds. Until that event the costs associated with the buildings are met from Model Trust Fund resources.

During the year a manse property was sold. The proceeds of sale amounting to £355000 were received into the Model Trust Fund from which the sum of £122000 was passed to the Connexional Priority Fund of the Methodist Church.

Fund balances

As at 31 August 2020 the net current assets on general fund of the Circuit were £103110 giving approximately 4 months cover for expenditure. There are substantial funds held in the Model Trust Fund which support the Circuit and individual churches' development plans.

Plans for 2020 – 2021

Circuit financial plans for the coming year have been prepared on the basis that there remains 4 ordained staff with anticipated cost of living stipend increases combined with an increase in the assessment paid to the District. Given the impact of Covid-19 most churches are experiencing a loss of rental income which will be reflected in their finances; they have been invited to discuss these issues with the Circuit. This could have an impact on the assessment income for the year but the circuit considers that it has adequate reserves to meet any shortfall in assessment income. The Reverend Jonathan Todd is attached to the Kent College School Pembury who are responsible for his stipend.

The Circuit is actively considering the redevelopment of the premises at one of the churches. The project is progressing and will include some purchase of land as well as building costs. A project manager and an architect have been appointed and funds have been allocated from the Model Trust Fund to enable preliminary drawings to be prepared and costed. It is hoped that significant progress will be made in 2021.

The Circuit Model Trust Fund amounted to £807292 at 31st August 2020. The Circuit plans to utilise part of these funds in the redevelopment of a Circuit church and to support other Circuit activities.

Related Parties

The Circuit is part of the South East District and is also accountable to the Methodist Conference.

The following Methodist Churches are linked to the Circuit:

East Peckham

Hawkhurst

Horsmonden

Otford

Paddock Wood (jointly with Church of England)

Sevenoaks

Tonbridge

Tunbridge Wells (jointly with URC)

Risk Management

The major risks have been identified and recorded by the Circuit Finance and Property committee with professional advice taken as required.

There is a regular annual review process undertaken and recorded.

Income and Expenditure is being monitored in total and is compared with the approved annual budget on a regular basis to detect trends as part of the risk management process.

Safeguarding

Every person has a value and dignity which comes directly from the creation of male and female in God's image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ.

Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- The care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- The safeguarding and protection of all children, young people and adults when they are vulnerable
- The establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safe Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.

**Weald of Kent Methodist Circuit
TRUSTEES ANNUAL REPORT ON FINANCE AND GOVERNANCE
FOR THE YEAR ENDED 31 AUGUST 2020**

- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice.

The Weald of Kent Methodist Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation and safe practice in the Circuit and in the churches.

The Weald of Kent Methodist Circuit commits itself to the provision of support, advice and training to lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Reserves Policy

The reserves policy for the Circuit is to hold a minimum sum equivalent to 15% of the general fund annual expenditure budget plus twice the annual budget for manse repairs. This should be sufficient to meet any unforeseen item of major expenditure on manses and/or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches. The balance on General Fund at 31 August 2020 disregarding the value of land and buildings complies with the Circuit Reserves Policy.

Funds are retained in the Model Trust Funds to be available to meet grant and loan requests for expenditure from the Circuit and the churches in the Circuit falling within the categories approved by the Methodist Church.

Notes to the Accounts

1. Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS102) and the Companies Act 2008.

Weald of Kent Methodist Circuit meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2. Funds

The funds held constitute: General Funds held for any purpose of the Circuit which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. There are no Restricted funds. Details of each material fund are disclosed in note 14 to these accounts. Any funds may be represented by more than just cash.

3. Accounting Policies

Basis

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

Income Recognition

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources Expended

This is recognised when a liability is incurred or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Circuit is not VAT registered all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Circuit

The freehold property is shown in the accounts at 2020 values based on the sums insured except where a sale is anticipated in the near future where realisable value is used. The land component is not recognised in these figures. No depreciation is provided on the buildings because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

Debtors and Prepayments

Debtors relate to the payment of the September stipend in August and other debtors and prepayments.

Creditors

Creditors include receipts in advance, sundry expenses and specifically the 1st quarter assessments received in August.

Cash Flow Exemption

The financial statements do not include a cash flow statement because, as a small charity, it has taken exemption for cashflow in accordance with FRS 102, update bulletin one, in preparation of these financial statements.

4. Investment Income

The income consists of interest of £7035 from deposits with the Trustees for Methodist Church Purposes, £567 from deposits with the Central Finance Board of the Methodist Church and dividends of £75 from listed investments.

5. Other Income

The receipt on General Fund related to grants received from Connexion and District towards the manse rental and stipend costs of Rev Gillian Le Boutillier-Scott. The receipt on Model Trust relates primarily to the excess over book value for the manse sold in the year.

6. Payments to Trustees

There were no payments for additional services to trustees for the current and previous year excluding the amounts reported under note 7 relating to stipends and salaries.

16. Post Balance Sheet Events

During December 2017 the redundant church premises at Wadhurst were sold for £450000 subject to a potential uplift on the completion of the proposed development. The uplift of £75953 was received after the year net of the Connexional Priority Fund contribution.

Following the closure of two churches during the year their premises have become vacant. One of the premises is being sold and is expected to realise about £300000. Under Methodist policies a proportion of the receipts are due to the Connexional Priority Fund and a balance of about £180000 will be due to the Model Trust Fund. The other premises have been placed on the open market with the possibility of a sale in the future. The anticipated receipts will be reflected in the year of receipt.

Activities of the Circuit churches have been severely curtailed by the impact of the Coronavirus (COVID 19) causing church buildings to be closed. Many churches have developed on line worship and all are giving their members and adherents pastoral support. The rental income that is an important source of funding to many churches has significantly declined. Despite this loss of rental income all churches were able to meet their assessments for the year under review. Since the year end some churches have been unable to meet their assessment obligations in full which will create an income shortfall for the current year. The trustees continue to monitor the situation and are satisfied that Circuit reserves will be adequate to ensure that its activities can continue for the foreseeable future.

Independent examiner's report to the Trustees of the Weald of Kent Methodist Circuit

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 August 2020.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's report

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
