**Weald of Kent Methodist Circuit
TRUSTEES ANNUAL REPORT ON FINANCE AND GOVERNANCE
FOR THE YEAR ENDED 31 AUGUST 2022**

Introduction

Included in the report are the aims of the Circuit and a commentary of the financial aspects of its work. The report has been prepared based on the activities and plans as they are known at the current time. The Circuit exists for the benefit of the six Methodist Churches, one joint Anglican/Methodist Church, and one joint URC/Methodist Church, employing the Circuit staff and providing financial support for major projects.

Circuit Mission Statement

Led by the Spirit to work together to enable our churches to share the Good News of Jesus. This we do through :

Leadership: to encourage, support and challenge each church to worship God, fulfil its own mission and spread God's word.

Communication: to facilitate effective and relevant communication between churches and encourage two-way communication with wider Methodism.

Maximising Resources: to ensure the most effective use of all resources across the Circuit and the development and use of our God-given gifts.

Review of the Year

Income Trends

Circuit income is primarily drawn from the assessment paid by the Circuit churches.

Expenditure Trends

Stipend expenditure has increased each financial year in line with Conference approved increases. 23% of general fund expenditure is the Circuit contribution to the District and Connexion, of which a significant part is used to fund the work of the wider Methodist Church.

Grants from the Model Trust Fund were two payments totalling £27000 to support the Circuit churches. In addition, the Circuit paid £24221 for professional fees relating to the redevelopment of a Circuit church.

Significant Transactions

At a Circuit Meeting held in September 2022 the Circuit decided that it was unable to afford the cost of a new church building as had been previously planned on the site of one of the churches. This was disappointing but was a reflection of the significant increase in construction costs since the Covid epidemic. The Circuit now plans to refurbish the existing building and has committed £500000 from Model Trust Funds to assist with the cost. The accounts reflect the release of the grant that had been allocated from the Model Trust Fund for the new build but the refurbishment grant will be shown in the next year's accounts when the commitment was made.

The Circuit continues to incur costs relating to a redundant church property. The property is under offer but contracts have yet to be exchanged. Once a sale is achieved the Model Trust Fund will receive a proportion of the proceeds.

**Weald of Kent Methodist Circuit
TRUSTEES ANNUAL REPORT ON FINANCE AND GOVERNANCE
FOR THE YEAR ENDED 31 AUGUST 2022**

One of the Circuit churches requires significant repairs to its fabric following the quinquennial report. A grant of £25000 has been paid from the Model Trust Fund towards the cost of this work and the level of assessment has been temporarily reduced to assist the church with its finances.

The Circuit approved a grant of £15000 to one of the churches spread towards the cost of employing a Community Lead who will have responsibility for work in the local area of that church. The grant will be spread over three years and the whole sum was outstanding at the year end.

The Circuit had previously agreed a grant of £40000 towards the costs of a major refurbishment of another Circuit church. During the year this amount was paid plus a further grant of £10000 to cover increased costs.

The Model Trust Fund continues to support the mission of the churches by funding staff and travel costs. The accounts also reflect the Circuit Meeting decision to cover the previous year's deficit on General Fund which was caused by the effect of lock down on church income.

Fund balances

As at 31 August 2022 the net current assets on general fund of the Circuit were £95270 giving approximately 4 months cover for general expenditure. There are substantial funds held in the Model Trust Fund which support the Circuit and individual churches' development plans.

Plans for 2022 – 2023

Circuit financial plans for the coming year have been prepared on the basis that there remains three ordained staff with the anticipated cost of living stipend increases combined with an increase in the assessment paid to the District and the Connexion.

As mentioned under Significant Transactions the Circuit is supporting the refurbishment of one of the churches by a grant of £500000. It plans to be actively involved in the planning and control of the work. Currently professional advice is being considered to determine the best way to progress the refurbishment.

The Circuit hopes to exchange contracts for the redundant church. Under the terms of the offer received completion will take place after planning permission has been obtained.

Related Parties

The Circuit is part of the South East District and is also accountable to the Methodist Conference.

The following Methodist Churches are linked to the Circuit:

East Peckham

Hawkhurst

Horsmonden

Otford

Paddock Wood (jointly with Church of England)

Sevenoaks

Tonbridge

Tunbridge Wells (jointly with URC)

Risk Management

The major risks have been identified and recorded by the Circuit Finance and Property committee with professional advice taken as required.

There is a regular annual review process undertaken and recorded.

Income and Expenditure is being monitored in total and is compared with the approved annual budget on a regular basis to detect trends as part of the risk management process.

Safeguarding

Every person has a value and dignity which comes directly from the creation of male and female in God's image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ.

Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- The care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- The safeguarding and protection of all children, young people and adults when they are vulnerable
- The establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safe Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.

**Weald of Kent Methodist Circuit
TRUSTEES ANNUAL REPORT ON FINANCE AND GOVERNANCE
FOR THE YEAR ENDED 31 AUGUST 2022**

- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice.

The Weald of Kent Methodist Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation and safe practice in the Circuit and in the churches.

The Weald of Kent Methodist Circuit commits itself to the provision of support, advice and training to lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Reserves Policy

The reserves policy for the Circuit is to hold a minimum sum equivalent to 15% of the general fund annual expenditure budget plus twice the annual budget for manse repairs. This should be sufficient to meet any unforeseen item of major expenditure on manses and/or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches. The balance on General Fund at 31 August 2022 disregarding the value of land and buildings complies with the Circuit Reserves Policy.

Funds are retained in the Model Trust Funds to be available to meet grant and loan requests for expenditure from the Circuit and the churches in the Circuit falling within the categories approved by the Methodist Church.

Notes to the Accounts

1. Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS102) and the Companies Act 2008.

Weald of Kent Methodist Circuit meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2. Funds

The funds held constitute: General Funds held for any purpose of the Circuit which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. There are no Restricted funds. Details of each material fund are disclosed in note 14 to these accounts. Any funds may be represented by more than just cash.

3. Accounting Policies

Basis

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

Income Recognition

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources Expended

This is recognised when a liability is incurred or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Circuit is not VAT registered all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Circuit

The freehold property is shown in the accounts at 2022 values based on the sums insured except where a sale is anticipated in the near future where realisable value is used. The

land component is not recognised in these figures. No depreciation is provided on the buildings because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

Debtors and Prepayments

Debtors relate to the payment of the September stipend in August and other debtors and prepayments.

Creditors

Creditors on General Fund include receipts in advance relating to the 1st quarter assessments received in advance. Creditors on Model Trust Fund include a grant received in advance that is considered repayable.

Cash Flow Exemption

The financial statements do not include a cash flow statement because, as a small charity, it has taken exemption for cash flow in accordance with FRS 102, update bulletin one, in preparation of these financial statements.

4. Investment Income

The income consists of interest of £4243 from deposits with the Trustees for Methodist Church Purposes, £267 from deposits with the Central Finance Board of the Methodist Church and dividends of £105 from listed investments.

5. Other Income

The receipt on the Model Trust Fund in the previous year relates primarily to proceeds from the sale of redundant churches.

Independent examiner's report to the Trustees of the Weald of Kent Methodist Circuit

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 August 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's report

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountant in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
