TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the annual trustees report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice:

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the net income or expenditure of the charity for the year. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;

- Prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements

1. ACCOUNTING POLICIES

Accounting Conventions

The financial statements have been prepared under the historical cost convention in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Companies Act 2006 and the requirements of the Statement of Recommended Practice Accounting and Reporting by Charities published in March 2005.

Incoming Resources

Incoming resources are recognised in the period in which the charity is entitled to receipt once the amount can be measured with reasonable certainty. Income is deferred only where the donor has imposed restrictions on the resources which amount to pre-conditions for use e.g. the receipt in advance of a grant for expenditure in a future accounting period.

Resources Expended

Resources expended are included in the Statement of Financial Activities (SoFA) on an accruals basis and are recognised at the point when a legal or constructive obligation arises.

The majority of costs are directly attributable to specific activities but certain shared costs are apportioned to activities in furtherance of the charity's objects. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Governance Costs

Governance costs comprise the costs associated with the governance arrangements of the charity and include accountancy fees, legal advice (if any) for trustees, costs associated with constitutional and statutory requirements and any costs associated with the strategic as opposed to the day to day management of the charity's assets.

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objective of the Foundation. Restrictions arise when specified by the donor or when the funds are raised for particular purposes.
