The Friends of Crediton Arts Centre

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2024.

Objectives and activities

Objects and aims

'The objects of the Friends of Crediton Arts Centre are to advance the education of the public in the Arts and particularly, the arts of Dance, Drama, Literature, Music and Visual Arts. In carrying out its objects the Charity shall promote equality of opportunity, and oppose discrimination on the grounds of age, culture, disability, gender, race, religion, sexual orientation or wealth.'

Public benefit

We believe our objectives and activities fulfil the following 'public benefit' categories listed by the Charity Commission:

- the advancement of education
- the advancement of community development
- the advancement of the arts and culture.

In our general practice, we continue to work towards the advancement of human rights and the promotion of equality and diversity.

We attempt to avoid exclusion by adhering to our equal opportunities policy and by offering concessionary prices for most events at the Centre.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

2024 kicked off in style with Brown Paper Bag's expansive production of Friedrich Durrenmatt's *The Visit*, which sold out three nights in January after much negotiation about performing rights involving emails pinging back and forth between three countries and two continents. Our partnership with Jazz on the Green which brings national and international jazz stars to Crediton continued throughout the year from February onwards, and there were a number of excellent music gigs throughout the year including Americana musician *Daniel Kemish* in March; *Kathryn Roberts & Sean Lakeman* at Holy Cross Church in April; *Blackheart Orchestra*, also in April; local country blues band *Yellabellies* in June; fascinating classical experimentalists *Interstellar Duo* in September; Dartmoor folk superstars *Suthering* in October; and alt-folk duo *Ciderhouse Rebellion* in November. The Arts Centre is building a name as a go-to venue for many top touring bands, and we now have productive relationships with several leading agents. We also continued our popular Live Lounge strand as a showcase for local music acts.

It was a good year for theatre in our East Street building. As well as *The Visit* we had the return of Living Room Theatre with *The Washing Machine of Destiny* in February; children's theatre company Paddleboat Theatre with *Framed* in March; Townsend Productions with *Behold Ye Ramblers* in May; *The Tempest* in June; Darkstuff Productions with new play *Possession*, also in June; Hawk & Hill Theatre with *Lost in the Woods* in July; the Object Project with their puppet show *The Ballad of the Underwater Daughter* in October; Soap Soup Theatre with *Minnie Stynker* during Autumn half-term; and Carbon Theatre with the thought-provoking and uplifting *Bright Places* in December. We also hosted a showcase of the experimental dance show *Plue* in October and had our first magic show with *The Great Baldini* in February.

The Friends of Crediton Arts Centre

Trustees' Report (continued)

The other big theatre event in 2024 was the return of Shakespeare in the Square with Cider with Roadies' *Twelfth Night*, co-produced by the Arts Centre and directed by Rachel Vowles, which sold out three nights in the Town Square. Crediton Heart Project returned with their summer arts activities including concerts, workshops and the Arts in the Park event, a whole day of crafts, circus, music and activities in Newcombe's Meadow Park.

The Arts Centre continued to support many events in the town including the *Crediton Food Festival*, *The Big Boniface Bash*, Crediton Youth Theatre's summer production *Community Spirit*, several events for Sustainable Crediton and *Christmas in Crediton*. The ever popular Busk It! once again took place with music up and down the High Street and two stages in the town square.

Internationally renowned storyteller David Heathfield returned with *Tell a Child in Gaza's Tale* in October, another beautiful and poignant evening of stories learned from children in Gaza. This was a fundraiser for Gaza charities.

It was a busy year for film at the Arts Centre. In collaboration with Crediton Heart Project we started a Sound & Vision series of music films, starting with *The Last Waltz* in March. Other films in the series included *I'm Not There*, *Stop Making Sense*, *Koyaanisqatsi*, *Summer of Soul* and *Buena Vista Social Club*. We also began hosting The Last Thursday Picture Show, programmed by Films for Crediton and showing a mix of indie, arthouse and popular films once a month.

Spring Half Term saw a week long exhibition in both our studios, featuring a dozen local professional artists alongside the work of students from our regular arts classes. Several hundred people attended the exhibition which was notable for the high standard of work from professionals and amateurs alike.

Following its success over the previous two years, a third *Peter Hamilton Memorial Ceilidh* was held in Sandford Parish Hall and was a hugely successful fund-raiser for the Arts Centre that he helped to found. We also hosted a Klezmer dance with local band *Ruach*.

We have continued our successful and productive partnerships with Crediton Heart Project, Crediton Town Council and The Turning Tides Project, as well as developing new relationships with Crediton Congregational Church and Films for Crediton.

Many thanks go to Ashgrove Kitchens, Wortham Jaques Accountants, Peck and Strong and Crediton Dairy for their continuing support as business partners and especially to Crediton Town Council for making contributions to the funding for several projects during the year. We are also very grateful to the Friends of the Arts Centre, whose ongoing support helps to keep the Arts Centre afloat in these difficult times. Finally, a massive thank you to all the trustees and volunteers, and especially to our administrator Patsy Lang, who took over from Jack Robson in the role in February, for all their hard work in maintaining the Arts Centre as a vibrant and vital part of local arts and community.

Financial review

Total income for 2024 increased from the previous year, to an amount of £62,967 (2023: £44,549), as activities continue to re-build following the circumstances of the past few years.

Overall expenditure also increased, to £66,457 (2023: £56,476), of which productions costs have increased in line with production income. Overall, overhead costs are considered to be around the same level and the previous year and well controlled.

This results in a small deficit of £3,490 (2023: £11,927) and closing reserves of £34,955, split between £33,467 of unrestricted funds and £1,488 of restricted Funds (2023: £38,445, split as £35,262/£3,183).

The Friends of Crediton Arts Centre

Trustees' Report (continued)

Policy on reserves

The charity has a low level of overheads and we estimate that the running costs of the centre, no including production costs is around £1.5k per month, therefore the charity has free reserves at the year end to over around 13 months overhead costs, which the trustees believe to be sufficient.

	Rebecca Child (appointed 12 March 2025)
	Glen Chudley, Treasurer

The Friends of Crediton Arts Centre is a Charitable Incorporated Organisation and is governed by its constitution.

Recruitment and appointment of trustees

Trustees are appointed in line with clause 13 of the charity's constitution from amongst the members (Friends) of Crediton Arts Centre. All members of the Friends of Crediton Arts Centre are circulated with invitations to nominate trustees prior to the AGM advising them of retiring trustees and requesting nominations for the AGM. When considering nominations, the Arts Centre has regard for any particular skills or experience currently lacking amongst existing trustees.

The Friends of Crediton Arts Centre

Trustees' Report (continued)

Induction and training of trustees

From Clause 14 of the charity's constitution. "The charity trustees will make available to each new charity trustee, on or before his or her first appointment:

- a) a copy of this constitution and any amendments made to it; and
- b) a copy of the CIO's latest trustees' annual report and statement of accounts."

In addition, all new trustees attend a management committee prior to being confirmed as trustees. They also receive a visit from an existing trustee and a pack of other information, including recent minutes and the current brochure.

Organisational structure

The Friends of Crediton Arts Centre is constituted as a Charitable Incorporated Organisation registered with the Charity Commission. The board of trustees, which can have up to 12 members manages the business of the charity meeting as the management committee, which also includes management committee members (who are not trustees) and the administrator of the charity. The management committee meets monthly and there are sub-committees covering programming, premises, the Friends, business partners, volunteers, and press and publicity. There is also an executive committee (the Chair group) which meets monthly between the management committee. Further details of the organisational structure of the charity are available in the current constitution.

Decision making

Decisions are made in line with Clause 10 of the constitution and the day to day management of the charity is delegated to the administrator. Sub-committees are also delegated decision making powers in their relevant areas by the management committee to which they must report on a monthly basis.

Major risks and management of those risks

The trustees have a risk management strategy which includes:

- an annual review of the risks the charity may face;
- the establishment of systems and procedures to mitigate those risks, and
- the implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

Recently attention has been focused on fire and health and safety, with systems put in place to manage risks relating to legionella disease and fire procedures.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 29 October 2025 and signed on its behalf by:

I report to the trustees on my examination of the accounts of The Friends of Crediton Arts Centre for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees of The Friends of Crediton Arts Centre you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the The Friends of Crediton Arts Centre's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of The Friends of Crediton Arts Centre as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Friends of Crediton Arts Centre

Notes to the Financial Statements for the Year Ended 31 December 2024

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)) as amended by Update Bulletin 1, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Friends of Crediton Arts Centre meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

The Friends of Crediton Arts Centre

Notes to the Financial Statements for the Year Ended 31 December 2024 (continued)

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Improvements to leasehold property	5% straight line
Office equipment	10% reducing balance
Theatre and other equipment	15% reducing balance

The Friends of Crediton Arts Centre

Notes to the Financial Statements for the Year Ended 31 December 2024 (continued)

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

The Friends of Crediton Arts Centre

Notes to the Financial Statements for the Year Ended 31 December 2024 (continued)

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
