CHARLES AND JULIA HENRY FUND

ANNUAL REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 JULY 2024

CHARLES AND JULIA HENRY FUND

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2024

The Trustees present their annual report and financial statements of the charity for the year ended 31 July 2024. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts and comply with the charity’s trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015), as amended by Update Bulletin 1 (effective 1 January 2016).

OBJECTS AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

In accordance with the governing documents, the objective of the Henry Fund is to provide scholarships (Henry Fellowships) to UK and to American students to study for one academic year at the Universities of Harvard, Yale, Cambridge and Oxford. The Fellowships provide full university and college tuition fees for the course of study approved by the Trustees and any requisite student health insurance, a stipend for living costs, and a grant for travel. They enable a small number of British and American University graduates to take advantage of particular educational opportunities and are awarded annually, in competition.

In fulfilling their obligations, the Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

ACHIEVEMENTS AND PERFORMANCE

Henry Fellowships Scheme

For 2023/24, the Trustees pursued the Fund’s objectives by agreeing to use its funds to award five Henry Fellowships of good value: two at Harvard and one at Yale, filled by competition from eligible students based in the UK, and two at Oxford or Cambridge at the preference of the candidate, one nominated by the Harvard Trustees and one nominated by the Yale Trustees. The Trustees determined that the level of maintenance grant for 2023/24 should be: \$37,500 for the Henry Fellows at Harvard and Yale; £26,250 for the Henry Fellows at Oxford or Cambridge. The Henry Fund also met the tuition fees for the five Fellows and provided each with a travel grant of £3,000.

UK students to Harvard and Yale, 2023/24

The eligibility criteria for the Fellowships were, following the Resolution of December 2013 referred to above, were that candidates must be:-

- (a) enrolled as full-time students at universities in the British Isles— including all universities and equivalent higher education institutions with degree-awarding powers in the United Kingdom of Great Britain and Northern Ireland and in the Republic of Ireland (the ‘*qualifying HEIs*’ for the purposes of condition (b) below);
and
either —
 - (i) **undergraduates** of a *qualifying HEI* who had completed at least two years undergraduate work on 1 January 2024 *or*
—
 - (ii) **graduates** of a *qualifying HEI*

- who were in their first year of postgraduate study in a *qualifying HEI* in the academic year 2023-24;
- and
- who were normally of not more than one year's standing from the time of taking their first degree or equivalent at the *qualifying HEI*.

While a very high, and sustained, standard of academic achievement is required of successful UK candidates, the Trustees also attach importance to other attainments and personal qualities relevant to the Founder's intentions. Candidates are therefore required to provide evidence of full engagement in the broader intellectual life of their university, and of participation – and achievement – in relevant non-academic activities, for instance in the wider cultural, social, and community life of their university. In essence, the Trustees wish also to consider the Fellow's potential for full involvement in the intellectual, social and communal life of the host American university, and their future promise to make a mark in public life or for leadership. Candidates must produce evidence of character and intellectual ability, and must also submit a definite scheme of study or research to be carried out at the American universities. The Trustees must be satisfied that the proposed work falls within ordinary university facilities.

In February 2024, at a meeting of the Trustees, fourteen outstanding candidates were called for interview and three candidates selected for nomination to Henry Fellowships – two at Harvard and one at Yale. The Henry Fellows appointed in 2023/24 for their funded year abroad in 2024/25 were:

At Harvard: Adam Roble (ex St Edmund Hall, Oxford)
Samuel Nicholson (ex St Edmund's College, Cambridge)
At Yale: Isobel Laughton (ex St Cross College, Oxford)

US students to Cambridge or Oxford, 2023/24

Nominations to Henry Fellowships to be held at Oxford or Cambridge universities by graduates of Harvard and Yale were made separately by the two universities on the authority respectively of the Harvard and Yale Trustees, through the established Harvard or Yale open competition machinery for postgraduate visiting awards. The Henry Fellows appointed in 2023/24 for their funded year abroad in 2024/25 were:

At Jesus College, Cambridge: Katherine Catulle (reading for the MPhil in English Studies), the nominee of Harvard University
At St Antony's College, Oxford: Shi Wang (reading for the MSt in Asian and Middle Eastern Studies), the nominee of Yale University

Procter Fellowships (Princeton)

The Henry Trustees made two nominations to the Princeton University authorities: James Cogbill (Worcester College, Oxford) and Lauryn Anderson (Jesus College, Cambridge)

Choate Fellowship (Harvard)

The Henry Trustees advised the University of Cambridge on two nominations to Harvard for appointment to the Choate Fellowship: Joanna Fang (ex St Catharine's College, Cambridge) and Melina Geser-Stark (ex Selwyn College, Cambridge)

FINANCIAL REVIEW

Financial summary and performance

For the year ended July 2024, The Henry Fund had a gain before investment of £123,686, compared with a gain of £75,484 for the year ended 31 July 2023. The income from investments was £400,721 (2023: £368,603) and there were net gains on investments in the year of £479,896 (2023: £154,374 loss). Details of the Henry Fund's financial activities and performance can be found in the accounts and financial statements of the charity for the year ended 31 July 2024, which were subject to an Independent Audit.

Reserves Policy

The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately six months of unrestricted charitable expenditure. The Trustees consider that this level will ensure that there are sufficient funds available to meet their commitment to fund the Henry Fellowships scheme, support and governance costs. Reserves include investments valued at £9,680,243 which are used to generate the income to allow the grant awards to be paid.

The Trustees review reserve levels annually when deciding how many Henry Fellowships to award at interview.

Investment management

The Fund's investments have been managed by Cazenove Capital Management (Schroder & Co. Ltd) since April 2014.

Investment Policy

Cazenove Capital Management acts as investment adviser to the Henry Fund and manages its funds. There are no restrictions on the charity's power to invest. The portfolio aims to sustain the level of income in real terms, whilst maintaining the capital value. This has been achieved through a balanced risk portfolio of pooled equity and fixed income funds. The portfolio allocates a high weighting to equity in order to support the income requirements.

The investment policy is reviewed annually.

STRUCTURE, GOVERNANCE & MANAGEMENT

The Foundation

The Charles and Julia Henry Fund (the 'Henry Fund') is governed by the Will dated 7 February 1927 of Lady Julia Lewisohn Henry and was set up by her 'in the earnest hope and desire of cementing the bonds of friendship between the British Empire and the United States of America'. Income from the Henry Fund provides for Fellowships for British subjects to study for a year at Harvard or Yale Universities, and for American subjects to study for a year at Oxford or Cambridge Universities.

By resolution dated 20 December 2013 the Trustees amended the purposes of the Fund, specifically changing the references to nationality in Clause 11(3) of the Will of Lady Julia Henry (1927):

We, the undersigned Trustees of the Charles and Julia Henry Fund Henry Fund, in exercise of the power of amendment at Clause 11(9) of the Will dated 7 February 1927 of Lady Julia Lewisohn Henry and being mindful of the specification in Clause 11(3) as to the relevant American and English universities, resolve to adopt, with effect from 20 December 2013, the following revised wording altering the purposes, stated at the commencement of Clause 11 of

the Will, for which the income of the Fund shall be applicable with respect to providing Scholarships at American and English Universities:

- a. Scholarships tenable at the Universities of Harvard and Yale for students currently enrolled at universities in the British Isles;

and

- b. Scholarships tenable at the Universities of Oxford and Cambridge for students currently enrolled at universities in the United States of America.

For the purposes of paragraph (a), 'universities in the British Isles' shall include all universities and equivalent higher education institutions with degree-awarding powers in the United Kingdom of Great Britain and Northern Ireland and in the Republic of Ireland.

Charitable status

Because of the nature of its activities and its connection with the universities of Oxford and Cambridge the Henry Fund has since its establishment been treated as an exempt charity. During 2013/14 the English Trustees sought registration with the Charity Commission. The Henry Fund secured registration with the Charity Commission with effect from 31 January 2014: Registered Charity Number 1155582 – Charles and Julia Henry Fund.

Organisation Structure

The Will provides that the Fund shall be administered by twelve Trustees, three appointed by each of these four universities: University of Oxford; University of Cambridge; Harvard University ('the Harvard Trustees'); Yale University ('the Yale Trustees').

The six Trustees appointed by the universities of Oxford and Cambridge – referred to as 'the English Trustees' – are appointed as individuals for whatever period, if any, the appointing University determines. They are normally heads of Colleges, or senior professors or officers, and are appointed after consultation with the other English Trustees, so that an appropriate balance of disciplines can be assured for the selection of Fellows.

The Harvard and Yale Trustees are normally appointed *ex officio*, being the President, the Dean of the undergraduate College or School, and the Secretary of each respective University. The six are referred to as 'the American Trustees'.

The Chairman is one of the English Trustees, appointed by them. The Secretary is normally an officer of the University of Oxford or of the University of Cambridge, approved by the English Trustees. A Deputy Secretary may also be approved.

Finance and Investment

Because the Henry Fund is a UK foundation the twelve Trustees delegate financial and investment management to the six English Trustees. The English Trustees appoint investment managers and/or investment advisers, and if necessary investment custodians. The English Trustees appoint the Independent Auditor annually (currently Peters, Elworthy and Moore, Cambridge). Routine financial administration under the direction of the Trustees is undertaken by the Finance Division of the University Offices, the University of Cambridge, on payment of an annual charge. Payments and other transactions from the Henry Fund are made on the instructions of a Trustee or the Secretary (or the Deputy Secretary); no such person can authorise a payment to himself or herself.

Fellowships Scheme

Henry Fellowships held at Harvard and Yale

Nominations to Fellowships to be held at Harvard and Yale by graduates of UK universities are made collectively by the English Trustees after national advertisement and competition. Each Fellow nominated must be accepted by the University authorities concerned at Harvard or Yale. The Harvard and Yale Trustees respectively use their best endeavours to ensure acceptance.

Henry Fellowships held at Oxford and Cambridge

Nominations to Fellowships to be held at Oxford and Cambridge by graduates of Harvard and Yale are made separately by the latter two universities on the authority respectively of the Harvard and Yale Trustees, through the established Harvard or Yale selection machinery for postgraduate visiting awards. Each Fellow so nominated must be accepted by a College in Oxford or Cambridge, and if necessary by the University authority concerned (for example, in the case of postgraduate courses). The English Trustees use their best endeavours to ensure acceptance.

Princeton University, Graduate School – Procter Fellowships

By arrangement with the universities of Oxford and Cambridge, the English Trustees recommend – as part of the national competition referred to above – candidates for nomination (formally, by the two universities) to the Graduate School of Princeton University for appointment to Jane Eliza Procter and William Cooper Procter Fellowships ('Procter Fellowships') held in the Graduate School. The final appointment is made by Princeton University, after review and approval by the appropriate academic department of the University.

Harvard University, Joseph Hodges Choate Memorial Fellowship

The Choate Fellowship was established in 1919 by members of the Harvard Club of New York City in memory of Joseph Hodges Choate, US Ambassador to the UK 1899-1905. It is awarded each year by Harvard University on the recommendation of the Vice-Chancellor of the University of Cambridge, for study in any Department of Harvard University; under the terms of the Harvard trust only candidates from the University of Cambridge are in practice eligible. By arrangement with the University of Cambridge, the English Trustees on occasion recommend – as part of the national competition referred to above, – a candidate for nomination to the Harvard authorities.

Annual meeting

The English Trustees hold an annual meeting, which considers in particular matters concerning finance and investment, and the Henry Fellowships scheme. A governance statement is reviewed annually by the English Trustees and re-adopted, following any necessary changes.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware; and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

THE CHARLES AND JULIA HENRY FUND INDEPENDENT AUDITORS' REPORT YEAR ENDED 31 JULY 2024

OPINION

We have audited the financial statements of The Charles and Julia Henry Fund (the 'charity') for the year ended 31 July 2024 which comprise the statement of financial activities, the balance sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2024 and of the charity's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

THE CHARLES AND JULIA HENRY FUND INDEPENDENT AUDITORS' REPORT YEAR ENDED 31 JULY 2024

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the annual report other than the financial statements and our auditors' report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- the charity has not kept sufficient accounting records; or
- the charity's financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 151 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

**THE CHARLES AND JULIA HENRY FUND
INDEPENDENT AUDITORS' REPORT
YEAR ENDED 31 JULY 2024**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and noncompliance with laws and regulations , was as follows:

- the Responsible Individual ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience;
- we focused on specific laws and regulations which we consider may have a direct material effect on the financial statements or the operations of the charity, including the Charities Act 2011;
- we obtained an understanding of the charity's policies and procedures on compliance with laws and regulations, including documentation of any instances of non-compliance; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships; and
- performed audit work over the risk of management override of controls, including testing of journal

**THE CHARLES AND JULIA HENRY FUND
INDEPENDENT AUDITORS' REPORT
YEAR ENDED 31 JULY 2024**

entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- reviewing correspondence with relevant regulators and the charity's legal advisors (where applicable).

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

USE OF OUR REPORT

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

17.7 Additional information

Please provide information about the significance of investments to the charity's financial position or performance eg. terms and conditions of loans or the use of hedging to manage financial risk.

All investments are carried at their fair value. Investment in equities and fixed interest securities are all traded in quoted public markets, primarily the London Stock Exchange. Holdings in common investment funds, unit trusts and open-ended investment companies are at the bid price. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value). The main risk to the charity from financial instruments lies in the combination of uncertain investment markets and volatility in yield. Liquidity risk is anticipated to be low as all assets are traded and the commitment to intervention by central banks and market regulators has continued to provide for orderly trading in the markets and so their ability to buy and sell quoted equities and stock is anticipated to continue. The Charity's investments are mainly traded in markets with good liquidity and high trading volumes The Charity has no material investment holdings in markets subject to exchange controls or trading restrictions. The Charity manages these investment risks by retaining expert advisors and operating an investment policy that provides a medium degree of diversification of holdings and within investment asset classes that are quoted on recognised stock exchanges. The charity does not make use of derivatives or similar complex financial instruments as it takes the view that investments are held for their longer term yield total return and historic studies of quoted financial instruments have shown that volatility in any particular year period will normally be corrected.

For all investments measured at fair value, the basis for determining the value, including any assumptions applied when using a valuation technique.

Where a charity has provided financial assets as a form of security, the carrying amount of the financial asset pledged as security and the terms and conditions relating to its pledge.
