WYKE COMMUNITY & CHILDREN'S CENTRE LTD

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

OBJECTIVES AND ACTIVITIES

Meeting our aims and activities

Our Centre offers a broad range of activities tailored to meet community needs, focusing on Early Education and childcare for children aged from birth to five years, in addition to a wrap-around provision, 'Fun-Care', for children aged five to 12, primarily for working parents. As of March 2024, our Early Education Provision is registered for 71 full-time places, currently serving 120 children, reflecting our vital role in the community.

Services and support to the elderly residents of Wyke remain a high priority for the organisation, but due to major funding cuts over recent years resulting in us not been able to offer any services to the elderly during the 2024/2025 period.

Despite these challenges, we remain dedicated to expanding our activities for the elderly resident's during 2025/2026 as future funding becomes available.

We are pleased to report that our free community events continue to attract hundreds of participants each year. These annual celebrations have helped to foster connections and relationships. Our Easter festivities, Play Day, Halloween, Bonfire Night, and Christmas events draw attendees from both our community and beyond. We remain committed to providing these enriching experiences that allow all to enjoy and celebrate together.

Since the dissolution of children's centre services in previous years, we have endeavoured to sustain essential services, establishing ourselves as a vital community hub. Our centre hosts community midwives who provide daily clinic appointments for local families, offering this space and resources to the NHS free of charge, thereby reinforcing our commitment to health and wellbeing

We also facilitate a safe environment for children's social care to conduct supervised and unsupervised contact sessions, supporting the needs of vulnerable families.

Looking ahead, should we secure additional space for the centre, we aim to expand our offerings to include baby groups and youth provision. This expansion would enhance support for families and foster a nurturing community environment.

We continue to maintain the high standards reflected by our Ofsted Outstanding rating and have established rigorous monitoring and evaluation to ensure we consistently deliver high quality services.

Our Centre stands out for its dedicated staff, who tirelessly support children in achieving their full potential. We gather insights from parents to tailor learning experiences, ensuring each child receives necessary support. Our ambitious curriculum and planned learning experiences foster both academic and social development.

Partnerships with parents are strong, characterised by consistent discussions on children's progress. Our innovative learning library provides resources for home use, reinforcing cohesive learning efforts, with a focus on developing social skills, emotional growth, and communication through enriching activities.

Safeguarding is a paramount concern for us. Our robust safeguarding measures ensure a safe and secure environment conducive to learning. We are dedicated to upholding rigorous standards in safeguarding practices, providing regular training for staff, and fostering a culture of vigilance within our centre.

ACHIEVEMENTS AND PERFORMANCE

Demography Overview

Wyke Community and Children's Centre serves a demographic where approximately two-thirds of our children reside within the village of Wyke, with the remainder coming from neighbouring communities such as Low Moor, Oakenshaw and Scholes.

Our analysis reveals that nearly a third of the children attending the Centre reside in the 10% most deprived areas in England, as evidenced by the IDACI measure.

Further analysis through the IMD (Index of Multiple Deprivation) indicates that nearly two-thirds of our children live in the 30% most deprived areas in England. These factors underscore the pressing challenges faced by families in our locality, including issues related to crime, limited educational backgrounds, low income and poor health.

In terms of cultural composition, approximately 90% of children attending the Centre belong to White British heritage. About 50% of our children receive Early Years 'Disadvantage' funding, a critical resource that serves to propel their education.

Furthermore, over a third of children accessing our services have identified Special Educational Needs (SEN), with the oldest cohort displaying a higher incidence of SEN at 38%.

The correlation between disadvantage and SEN is particularly evident, with 43% of children receiving the 'Disadvantage' funding also being on the SEN register.

FINANCIAL REVIEW

Reserves policy

Trustees established a reserves policy to support the financial stability and long-term sustainability of Wyke Community and Children's Centre. The desired level of unrestricted reserves is set at an amount equivalent to three months of operating costs.

This reserve acts as a contingency fund to safeguard the organisation against unforeseen reductions in income or unexpected increases in expenditure. It also provides essential cash flow support, particularly for grants and contracts that are reimbursed in arrears.

Trustees have designated reserves where there are planned commitments that cannot be met by anticipated future income alone. These reserves are broken down into a number of funds that relate to:

- The organisation's responsibilities as an employer to hold sufficient funds to provide proper notice and redundancy costs in the event of closure
- The organisation's responsibilities as a leaseholder with full-repairing responsibilities. It is the Board's intention to build a capital improvement fund over the next few years to meet future repair and refurbishment commitments.

Within the accounts, the amounts of reserves are specified in the following table:

Unrestricted Funds Represented By:	Desired reserves	Balance 31 March 2025	Description of funds
General purpose reserve fund	£165,382	£100,769	Funds to provide cash flow and meet unforeseen expenses. Based on approximately three months of annual turnover.
Salaries reserve	£78,945	£34,650	Two months salaries and employers NI and pension contributions
Redundancy reserve	£44,551	£19,500	Redundancy liabilities (and required notice period) based on statutory minimum payments for all staff.
Premises reserve	£25,000	£10,950	To fulfil lease obligations ahead of anticipated "market rate value" rent
Premises reserve capital improvements	£24,000	£10,500	Funds to maintain, repair and improve premises held on a full-repairing lease
Asset replacement	£4,500	£1,950	Provision to replace IT, furniture and operation assets as required
Total	£342,378.	£178,319

CHALLENGES AHEAD

One of the significant challenges for 2025/2026 will be the renegotiation and securing of our lease, as our existing agreement is due to conclude in January 2026. Our organisation has been located on this site since 2000, benefiting from a very low rent agreement that has been instrumental in allowing us to allocate resources effectively towards our core aims and objectives.

This arrangement has been pivotal in reflecting both the level of local need and the not-for-profit, charitable basis of our organisation.

As we begin this negotiation, it is essential that we not only maintain our current operations but also continue to adapt and grow in response to the community's evolving needs.

To ensure our survival and the provision of high-quality services, we require the local authority to recognise the essential nature of our services and our role within the community.

Our organisation serves as a vital lifeline for many families, offering support, resources, and a sense of stability in challenging times. It is our firm belief that continued support from the local authority is crucial for our sustainability and our ability to fulfil our mission effectively.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Governance at Wyke Community and Children's Centre is structured as a registered charity and a company limited by guarantee, overseen by a Memorandum and Articles of Association.

Our trustees are recruited through personal recommendations and regular local advertisement. In recent years uptake has proven difficult, so targeted recruitment is planned to widen the size and expertise of the board.

In line with our Articles of Association, two trustees are also active centre users and have children that access our provision.

Trustees regularly engage in Board meetings, steering the charity's affairs and ensuring effective risk management policies are in place.

Day-to-day management of the organisation's core services are devolved to the Centre Manager, Joanne Hayhurst who is supported by two part-time deputy managers. This structure ensures compliance with regulatory requirements from Ofsted.

Recruitment and appointment of new trustees

The charity generally recruits new trustees through personal contact and recommendation from existing trustees. An advert is placed on the website and nursery newsletter to encourage any new parent trustees to apply.

All trustees are routinely supplied with updates and information with regard to their role and are checked for suitability, including DBS check. All trustees have equal voting right. The charity is organised so that the trustees meet regularly to manage its affairs.

Your Company Tax Return

If we send the company a 'Notice' to deliver a Company Tax Return it has to comply by the filing date or we charge a penalty, even if there is no tax to pay.

A return includes a Company Tax Return form, any supplementary pages, accounts, computations and any relevant information. The CT600 Guide tells you how the return must be formatted and delivered. It contains general information you may need to deliver your return, links to more detailed advice and box-by-box guidance for this form and the supplementary pages.

The forms in the CT600 series set out the information we need and provide a standard format for calculations.

Company Tax Return

CT600 (2019) Version 3

for accounting periods starting on or after 1 April 2015

Your Company Tax Return

If we send the company a 'Notice' to deliver a Company Tax Return it has to comply by the filing date or we charge a penalty, even if there is no tax to pay.

A return includes a Company Tax Return form, any supplementary pages, accounts, computations and any relevant information. The CT600 Guide tells you how the return must be formatted and delivered. It contains general information you may need to deliver your return, links to more detailed advice and box-by-box guidance for this form and the supplementary pages.

The forms in the CT600 series set out the information we need and provide a standard format for calculations.
