Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The relief of sickness, promotion of good health and assistance in the treatment and care of children and young people suffering from life limiting mental or physical illness of any description or in need of rehabilitation or palliative care as a result of such illness; to provide respite to such children and young persons and their families; and provide financial support or grants to other charities or directly to beneficiaries as the trustees may determine.

In the reporting year, the trustees were unable to deliver any charitable activities due to lack of income. The trustees have reviewed the charity's purposes and confirm that they still believe these purposes are capable of delivering public benefit. The trustees have had due regard to the Charity Commission's guidance on public benefit when exercising their powers or duties where applicable

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The charity did not deliver any charitable activities or make any grants during the reporting period due to the absence of incoming funds and minimal cash in bank (under £1,000). The trustees kept the charity's position under review to ensure compliance with statutory and governance obligations, and confirmed that the charity's purposes remain capable of delivering public benefit when resources allow.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity has yet to establish capital that may necessitate a reserves policy. Accordingly, at the date of this report the charity has no reserves policy. The trustees have agreed to review this position biannually.

Details of any funds materially in deficit

N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Section F

Other optional information

In the previous reporting period, the trustees resolved to realise the charity's remaining investments and assets and to distribute the resulting funds to charities and hospitals previously supported by the charity, or such other charitable beneficiaries as the trustees may determine.

Due to the absence of incoming funds, minimal cash reserves, and the need to reassess the practical and administrative steps required to effect an orderly wind-down, this process was not completed during the current reporting year.

The trustees have reviewed this position and confirm that the decision to liquidate the charity's remaining assets and distribute all remaining funds remains unchanged. The trustees intend to complete the liquidation and distribution process by the end of February 2026, following which the trustees will consider the appropriate steps to bring the charity's affairs to a close.

Section G
