Annual Report of the Trustees For the year ended 31 March 2021

The Trustees submit their annual report and the financial statements of GraceLife London ("GLL") for the year ended 31 March 2021. The financial statements have been prepared in the format prescribed by the Companies Act 2006, the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP2015 (FRS102)) and the Financial Reporting Standard 102. This report also constitutes a directors' report required by section 415 of the Companies Act 2006 as all Trustees of a charity company are directors. The legal and administrative information set out earlier in this document forms part of this report.

I. Structure, Governance & Management

I.1 Trustees

The Trustees of GLL are responsible for the day to day management of GLL's business in accordance with GLL's objects. The Trustees meet approximately 4 times per annum to discuss a full range of matters relating to finance, fabric, general administration and the implementation of the objects of the charity.

None of GLL's Trustees, with the exception of the Ministers, receive remuneration.

The induction process for any individual newly-appointed to the Trustees comprises an initial meeting with a Minister and receipt of copies of:

- the objects of the charity
- the most recent financial statements
- the Charity Commission's guidance 'The Essential Trustee'.

I.2 Risk Management

GLL's primary concern and objective is the glory of God. Whilst it is GLL's policy to trust wholly in the Lord that He will work out His purpose to this end, GLL also acknowledges that it has a responsibility for the identification and proper management of risks faced by GLL in achieving its primary aim. The Trustees have therefore assessed the major risks to which GLL is exposed, in particular those relating to the specific operational areas of the charity and its finances. The Trustees believe that, by monitoring reserve levels, by ensuring that controls exist over key financial systems, and by examining the operational risks faced by GLL, it has established effective systems and procedures to mitigate those risks sufficiently.

2. Objectives, Activities & Strategies

2.1 Objective

In summary, the object of the church is to fulfil the Great Commission as a body of believers seeking to bring people to Jesus Christ and membership in His family, developing them to Christ-like maturity and equipping them for their ministry in the church and their life mission in the world in order to magnify God's name.

2.2 Activities

GLL is a vibrant urban multi-ethnic evangelical congregation with attendance of around 200.

The Trustees have given due regard to the Charity Commissions' guidance on public benefit. The Trustees believe that GLL provides benefit to the public by:

- providing resources and facilities for public worship, pastoral care and spiritual, moral and educational development, both for the congregation and for anyone else who wishes to benefit from what GLL offers;
- promoting Christian values and service by members of the congregation to the community, for the benefit of individuals and society as a whole.
- Promoting the initiation and development of additional congregations with the same ethos.

The main objects of GLL are carried out through the following ministries:

- Sunday morning and afternoon services
- Sunday school for children
- Wednesday Bible study, discussion and prayer

Annual Report of the Trustees For the year ended 31 March 2021

- Pastoral counselling and discipleship
- Local outreach: seeking to serve the local community and providing spiritual support to people visiting the area.
- Student ministry – providing spiritual support and services to students
- Saturday men's meeting, providing opportunity for men to enjoy community in accord with their faith
- Saturday women's meeting, providing opportunity for women to enjoy community in accord with their faith
- Mentoring individuals who are developing in their own calling to Christian service
- Media outreach to the wider London community
- Development of regional community bible-study groups while planning towards the development of separate regional Sunday meetings and congregations, and ultimately the establishment of independent churches.
- The continuance of a Bible training centre, Hermeneia, open to members of the congregation and other members of the public who wish to apply.

3. Achievements and Performance

A review of the year shows that adult church attendance has continued to grow in spite of the pandemic conditions (both in new conversions and church transfers), and that attendance in the children's ministry remains strong.

The Trustees are satisfied that the aims of the trust are being fulfilled and are working to see a continued development of the various arms of the ministry.

4. Financial Review

4.1 Financial Activity and Financial Position

The Statement of Financial Activities and Balance Sheet can be found on pages 7 and 8 respectively. GLL's reserves increased by £100,170 (2020: decreased by £52,453) during the year. The balance sheet shows total net assets of £217,130 (2020: £116,960).

Included in total funds are amounts totalling £12,733 (2020: £9,484) which are restricted. These monies have either been raised for, and their use restricted to, specific purposes, as specified by donors. Full details of these restricted funds can be found in note 9 to the accounts together with an analysis of movements in the year.

4.2 Reserves Policy

The Trustees have examined the requirements for free reserves, i.e. those unrestricted funds not invested in tangible fixed assets. The Trustees consider that, given the nature of GLL's work, free reserves should be equivalent to approximately 3 months' routine general fund expenditure, plus committed future expenditure on other projects, where funds permit. The Trustees are of the opinion that this provides sufficient flexibility to cover temporary shortfalls in incoming resources and will allow GLL to cope and respond to unforeseen emergencies whilst specific action plans are implemented. At 31 March 2021 GLL had net free reserves of £194,745 (2020: £97,686) as follows:

	2021 £	2020 £
Total reserves	217,130	116,960
Less: restricted funds	(12,733)	(9,484)
Less: unrestricted fixed assets used for the continuing work of GLL	(9,652)	(9,790)
	194,745	97,686
Free reserves requirement		
3 months' budgeted routine expenditure	85,000	85,000
Funds reserved for the remodelling of the church premises	109,745	12,686
	194,745	97,686

Annual Report of the Trustees For the year ended 31 March 2021

4.3 Investment Policy

GLL currently invests its funds in short term bank deposits.

5. Going Concern Review

In the year which this annual report covers, the United Kingdom was in national lockdown, which is the government's response to the concerns about Covid-19 virus. The lockdown measures meant that, for parts of 2020 – 2021, much face to face church activity has had to stop or adapt in order to continue. In response to this it is necessary to make a statement in this document about the viability of church as a going concern in the near future. Describing GraceLife London as a going concern means that the Trustees believe that the church has the resources, financial or otherwise, needed to continue operating for the foreseeable future and, in particular, for at least 12 months from the date of approval by the Trustees of these annual accounts. If the going concern principle did not apply then the accounts would be drawn up on an insolvent basis.

Clearly, as part of this year's going concern review the Trustees has had to consider the likely impact of the many lockdown restrictions on its ministry. While in the previous year, the Trustees concluded that the financial risks to that ministry have increased significantly, currently there is reason to believe that the pandemic itself is not the primary risk factor for the continued operation of GraceLife London. It was presumed that, as the result of the lockdown restrictions imposed by the government and the initial decision taken by the Trustees to comply with those restrictions and cease in-person meetings due to the shared concern for public health, was likely to be moderately adverse. However, over the year this has proven not to be the case. That being said, greater global economic concerns as repercussions from the Covid-19 response could indeed prove to be harmful to the church. The long-term effects remain to be seen.

Against this background, the Trustees have reviewed its financial forecast for 2021-22. This review indicates that (as in the previous year) GLL will incur a deficit by the end 2021 but that its cash reserves are more than adequate to absorb that deficit. Accordingly, the Trustees have concluded that it is appropriate to prepare the 2020-21 Accounts on a going-concern basis and that it is not necessary to make any adjustment to these accounts as a result of the lockdown restrictions. The Trustees will continue to keep both the short-term and longer-term impact under review and in particular the degree of return to normality will be actively monitored over the current financial year, with a view to assessing the likely carryover into 2021/22 and the effect on the 2022/23 budget.

6. Plans for Future Periods

In 2021-2 GLL will bring on a new member of the pastoral staff as well as support-staff members for evangelism and property maintenance. With the current growth in donations as well as the additional outside support the Trustees make these decisions confident that they do not affect the going concern of GLL.

7. Responsibilities of Trustees for the Financial Statements

The Trustees are responsible for preparing the report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice. Charity law in England and Wales requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the activities of the charity will continue.

**Annual Report of the Trustees
For the year ended 31 March 2021**

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the governing document. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the charity and financial information included in the charity's website.

8. Approval

The report of the Trustees was approved by the Trustees on 28 January 2022 and signed on its behalf by:

GRACELIFE LONDON

Report of the Independent Examiner to the Trustees of GraceLife London

I report on the accounts of the GraceLife London for the year ended 31 March 2021, set out on pages 8 to 16.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 ("the 2011 Act") and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements For the year ended 31 March 2021

I. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of accounting

The financial statements have been prepared under the Charities Act 2011 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102). The financial statements are drawn up on the historical cost basis of accounting except for the revaluation of freehold land and buildings which are shown at fair value.

The financial statements include all transactions, assets and liabilities for which the Church is responsible in law. They do not include the accounts of church groups that owe an affiliation to another body or those that are informal gatherings of church members.

The Church meets the definition of a public benefit entity under FRS 102.

Going Concern

There are no material uncertainties about the charity's ability to continue as a going concern and accordingly the accounts have been drawn up on a going concern basis.

Income recognition

Voluntary income and donations (including legacies) are accounted for once the Charity has entitlement to the income, it is probable the income will be received and the amount of income receivable can be reliably measured. Income from the recovery of tax on gift aided donations is accounted for in the period in which the relevant donation is received.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Church; this is normally upon notification of the interest paid or payable by the bank.

Expenditure recognition

Expenditure is accrued as soon as a liability is considered probable, and the amount of obligation can be measured reliably. Longer term liabilities are discounted to present value. The Church is not registered for VAT and accordingly expenditure includes VAT where appropriate.

Charitable expenditure includes those costs in fulfilling the Church's principal objects, as outlined in the Report of the Church. These include grants payable and governance costs:

- Grants/gifts payable are payments made to third parties in furtherance of the Church's objects. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Church.
- Governance costs comprise all costs involving the public accountability of the Church and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees.

Taxation

As a charity, the Church is exempt from tax on income and gains falling within the provisions of the Corporation Taxes Act 2010 or the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen on the Trust.

Tangible Fixed Assets

The cost of furniture, fittings and equipment, less any expected residual value, is depreciated on a straight line basis over the effective useful life of the asset, which has been estimated as four years.

GRACELIFE LONDON

Notes to the Financial Statements For the year ended 31 March 2021

1. Accounting Policies (continued)

Debtors

Debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount. Provisions have been calculated at the best estimate of the settlement amount and discounted to present value at the reporting date.

Fund accounting

The funds held by the charity are either:

- Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.
- Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
