Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the education of pupils in the school in particular by: (1) Developing effective relationships between the staff parents and others associated with the school; (2) Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

Summary of the main activities undertaken for the public benefit in relation to these objects

The PTFA works with the school, parents, pupils and the local community to put on a range of events and activities, such as Summer Fairs, Christmas and Easter events and Themed Discos.

These help to build the school community and to help fundraise.

Funds are used primarily to purchase specific goods or services for the school, for example, this year, the principal project was the provision of new outdoor play equipment.

The committee decides how to spend the funds raised. Advice is taken from both the headteacher and/or other members of the senior leadership team on goods and/or services that are required to advance the education of pupils at the current time. Parents and pupils are also asked for their views. From time to time some longer term projects may be funded depending on the needs identified to advance the education of pupils at the school. For example, funding a large piece of capital equipment as was the case this year. These may require funds to be raised over a longer period and grants to be applied for.

A great contribution is made by member volunteers who give up their time to help arrange and run the various events throughout the year for which the Trustees are sincerely grateful.

Achievements and performance

Summary of the main achievements of the charity during the year.

The main achievement of the PTFA this year was the installation of play and exercise equipment in the front playground, transforming an underused area into a welcoming, safe and structured environment for the children of the school to use during breaktimes when not out on the playing field. A Huge thank you to members past and present for their efforts on this project, to the Fisher Parkinson Trust for the generous grant, and to the local businesses who sponsored pieces of equipment, without all of which this asset would not have been possible.

A Summer Fair was held for the first time since before Covid and the weather was kind to us.

Our regular events continued to be held during the year, with 3 Disco's, Christmas Hamper raffle, Christmas crafts and class parties with gifts for the children, and an Easter Chocolate Raffle.

It was also encouraging to have parents join the PTFA and or offer to help with regular activities this year.

Financial review

Brief statement of the charity's policy on reserves

Cash at bank at 31st July 2024 was £2,951 in unrestricted funds. The main financial risk to the charity is and reduced donations.
In addition to the temporary and short term liability for the capital project (see below), the PTFA only has one ongoing financial commitment, that being the annual subscription to Parentkind. All other costs are at the Trustees discretion or deductible from their related income streams.

Details of any funds materially in deficit

The capital project this year has depleted funds and generated a financial liability repayable by July 2025
