Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Appointment, induction and training of Trustees

Trustees are selected firstly to provide the charity with oversight of its counselling activities through relevant counselling knowledge and experience, and secondly to provide the charity with oversight and governance of administrative matters through relevant legal and financial knowledge and experience. New Trustee induction includes consideration of Charity Commission guidance (CC3) and completion of a Charity Commission Trustee Declaration, discussion of current issues including the financial position of the charity, and completion of DBS checks. Ongoing training includes access to the network and courses run by the Institute of Chartered Accountants in England and Wales Charity and Voluntary Sector Group.

Organisational structure

Trustees have appointed Nicola Canham as Counselling Services Manager, under a written agreement, to act as chief executive and team leader of the counselling operations including the appointment and supervision of freelance counsellors. Nicola reports directly to the Trustees.

Related parties

The charity's premises at Gilbert House in the centre of Tonbridge were transferred to the Charity from Tonbridge Baptist Church for nil consideration in February 2020. Tonbridge Baptist Church had held the premises from 2013 in trust prior to the registration of the charity in 2015. However, the charity is not accountable to the Church in a governance sense. The charity leases the ground floor of Gilbert House for use as a café to 65mm Coffee Ltd under a 5 year lease terminating in 2024, with rental applied to maintain Gilbert House and provide unrestricted reserves to the charity.

Risk management

Trustees maintain a risk register which identifies 11 major risks under 4 headings: strategic, governance and management; external; operational;

and financial. Using the register, Trustees assess the significance and probability of each risk, mitigation, and specific trustee action to monitor each net risk.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity has two objects:

1. Therapeutic counselling: to promote and protect the physical, spiritual and mental health of those in need in Tonbridge and the surrounding area by way of a professional counselling service based on a Christian ethos.
2. Training: to advance the education of counsellors for the public benefit by the provision of training in counselling.

Counselling service

The charity's counselling service is open to any member of the public, and is provided under a flexible and affordable charging structure.

The charity is committed, for the public benefit, to provide its services in safe and trusting relationships guided by professional principles. Accordingly, all counsellors are required to be members of the British Association of Counsellors and Psychotherapists (BACP) or the Association of Christian Counsellors (ACC), are qualified to at least Diploma level, and abide by the ethical framework set out by these bodies. This includes regular supervision and ongoing post-qualification training.

In addition to direct access to the public through its website www.tonbridgecounsellingservice.co.uk and dedicated telephone line, the charity encourages local agencies including GPs and churches to refer clients for counselling. The charity is committed to providing a non-judgemental service which aims to treat all people respectfully, regardless of gender, sexual orientation, ethnic origin or religion. The charity does not describe its activity as 'Christian counselling' nor does it have a religious affiliation. Rather, as professional therapeutic counsellors it operates within the same ethical guidelines and practices as any other organisation affiliated to the BACP. However, the objects refer to a 'Christian ethos' being part of the values and motivation that draw the charity into providing counselling. We believe that it is a Christian principle that hurting people are reached, and broken lives restored, and that therapeutic counselling can help in this process.

While all clients are encouraged to make some contribution for the service received in order to place value on that service, at initial assessment and through the website clients are made aware of the bursary fund which is available to subsidise fees according to need. The bursary fund is a restricted fund maintained by gifts and grants and transfers from general funds.

Training

Within this public benefit context of maintaining high professional standards, the charity provides training to existing counsellors through a programme of continuing professional development (CPD) that maintains and enhances their skills in accordance with the BACP and ACC ethical frameworks, and to new counsellors to safeguard the charity's access to future qualified counsellors and thereby maintain and build capacity.

In addition to the counselling bursary fund, the Trustees maintain a training bursary fund which is funded by the surplus arising on completed

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

training courses. Applications for up to 50% of training fees are considered by the Trustees.

The trustees have considered, and concluded, that any private benefit received through its training activities are a necessary and cost-effective by-product of carrying out its public interest purpose of providing a professional counselling service and are not excessive in the circumstances.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Grants given

The charity's policy is that no person should be refused access to its counselling services on grounds of affordability. Accordingly the charity maintains a bursary fund which is available to subsidise fees for clients according to need, and a training bursary fund to provide up to 50% subsidy to training fees for students according to need.

Volunteers

In the interests of maintaining a high professional standard and ensuring accountability, all counsellors sign a freelance agreement covering their obligations to the charity, and the charity's obligation to provide supervision, safeguarding checks, insurance and a fee based on hours incurred in client work. Where a counsellor wishes to return the fee to the charity, this is included within 'gifts and donations'. Bookkeeping and administration services were provided by a Trustee, part of which is on a paid basis at a rate lower than market. Various support services such as other administration, cleaning and fundraising are provided by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Counselling

In this eighth year of operation, our founder and chief executive Amanda Hedger left the charity to pursue wider interests. The trustees are grateful to Amanda for her vision and leadership through these early years. The trustees appointed Nicola Canham to lead the counselling operation. Nicola prepared the service for a return to face-to-face counselling at Gilbert House alongside the continuation of online and telephone counselling which was developed during the period of COVID restrictions. The post-COVID period has seen a return to pre-COVID level of client activity.

During 2021:

- the team of qualified counsellors has been reduced to 9;
- in total, we dealt with 76 clients (2020 – 87), of which 43 were discharged (2020 – 35);
- 32 clients received help from the bursary fund (2020 – 39).

Most referrals continue to be direct self-referrals. Most clients are dealt with as single adults, but we are also able to work with couples. The website www.tonbridgecounsellingservice.co.uk includes an introduction to counselling, a clear statement of our ethos, profiles of our counsellors, and an explanation of the introductory process we follow.

Training

No training courses commenced during the COVID period, and there are currently no plans to resume accredited training courses leading to qualification.

We continued our programme of CPD training events for our existing counsellors, to which we invite guests to assist in sharing the cost of

holding these events, which are subsidised for TCS counsellors. These courses are open to the wider counselling world as well as students.

Section E

Financial review

Brief statement of the charity's policy on reserves

Unrestricted funds: In summary, the charity received £95,918 (2020 - £87,153) in unrestricted income, and spent £88,764 (2020 - £76,981). The balance of unrestricted funds at 31st December 2021 was £32,249 (2020 - £25,095). While the charity's financial model of paying counsellors an hourly rate for client appointments, and clients contribute on the basis of affordability, has served well there is a continuing need to transfer unrestricted funds to the bursary fund in addition to grants received in support of the bursary fund.

Bursary fund: During 2021, the charity awarded grants towards fees from the bursary fund of £18,500 (2020 - £13,163) to 32 clients (2020 - 39 clients). Due to the significant grants received in 2019, notably from High Hilden Fund (through Kent Community Foundation – Vulnerable Adults Themed Programme) and National Lottery Community Fund, no further grants were sought in 2021. We have been informed that a second grant is forthcoming from High Hilden Fund (through Kent Community Foundation). At 31st December 2021, the restricted bursary fund stood at £7,091 (2020 - £18,258). In 2022, the charity will seek further grant funding.

Training bursary: As no training courses ran in 2021, no grants were sought and the balance of £1,952 is carried forward.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Gilbert House: The charity's premises at Gilbert House in the centre of Tonbridge were transferred to the Charity from Tonbridge Baptist Church (TBC) for nil consideration in February 2020. The premises had previously been gifted to TBC for use as a counselling centre and café. During 2019, TBC ceased to operate a café in Gilbert House, and concluded that the charitable purpose for which Gilbert House was given to the Church would be better served by transferring the building to Tonbridge Counselling Service for nil consideration. After careful deliberation and seeking advice, the trustees accepted the transfer. The building has been classified as an Endowment Asset. The ground floor has been sub-let to 65mm Coffee Ltd as a café for 5 years terminating in 2024 and the rental applied in part to maintain the building and in part to support the work of the charity. The counselling service operates from the first floor of the building.
