Achievements and performance

Summary of the main achievements of the charity during the year

January 2023 to December 2023 figures:

- 50 Monday sessions were run with a total of 309 attendances. This is a slight increase from the previous year of 285 attendances.
- 51 Wednesday sessions were run with a total of 1070 attendances. This is a slight increase from the previous year of 986 attendances.
- 49 Friday sessions were run with a total of 715 attendances. This is a slight decrease from the previous year of 835 attendances.
- A total of 150 sessions were run with a total of 2094 attendances.

The fees for Monday, Wednesday and Friday sessions remained the same as for 2022 for all age groups. The fees continue to represent good value for money as the cost of living increases.

The club continued to purchase new equipment to replace faulty or worn out equipment. Fencers unable to purchase their own equipment could continue to loan the club equipment for as long as they needed as part of their session fee.

Coaches were available at all Wednesday and Friday sessions to give group or individual lessons for beginners and experienced fencers.

We had around 20 fencers both adult and junior competing at various levels from beginner to national competitions. Fencers regularly returned with a selection of medals and large smiles on their faces even in defeat.

Summary of the main achievements of the charity during the year

Attendance was the highest on record, primarily due to an increased number beginners after the pandemic, both adults and juniors. Attendance had been dropping before the pandemic, particularly with junior fencers, so this was a great recovery.

In May 2022, 10 WFC fencers represented East Midlands at the British Fencing Junior Championships in Sheffield. These fencers had previously qualified from the regional event held in January 22 (please refer to the 2022 TAR. The highest placed fencer was 15th.

In January 2023, 12 WFC fencers took part in the East Midlands BYC Regional qualifier event in Nottingham. All 12 fencers qualified for the British Fencing Junior Championships to be held in Sheffield in May 2023.

In addition to this we had around 20 fencers both adult and junior competing at various levels from beginner to national competitions. Fencers regularly returned with a selection of medals and large smiles on their faces even in defeat. We had one in particular who attended the Elite Epee Junior finals and three who have appeared in the top 50 England rankings for their age group. Their attitudes have been both rewarding and inspiring.

- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Due to covid-19, adults were only able to fence for three months during this period. For children it was four months.

In March 2020, ten fencers entered the British Youth Championship (BYC) qualification competition. Eight of these qualified for the National Competition in May. Unfortunately this competition was cancelled due to covid restrictions.

The club was unable to run any beginner classes or run the Derbyshire Junior Series.

The club received a £2500 grant from Derbyshire County Council covid community fund.

When the club returns to normal operation the grant will be spent on new equipment for beginners and coaching courses.
