Report of the Trustees
for the Year Ended 31 March 2021

Chairman's Forward

It is my pleasure to present this year's annual review, which captures our services and activities under unprecedented circumstances, when the entire nation experienced the COVID-19 pandemic. Unlike any time in the history of the Mosque, we passed most of the year under lockdown and or restrictions.

The scale and disruptions of Coronavirus has claimed including thousands of lives in UK, with sadly many from our community. It has been a wake-up call for humanity, a timely reminder to human race the value of life and the supreme power of our Creator Almighty.

The annual report, will showcase the community response and our delivery as a collective to aid and support one another, despite the circumstances, we delivered at the time of need to ease the local suffering for our neighbors and community.

We are truly thankful to Allah and to the amazing management team, the dedicated volunteers, our congregation and the local council including our funders who are all part of the success.

We pray that Allah forgives our shortcomings, accepts our efforts, protects us, protects our community and Mosque, and restore peace and blessings to community and humanity at large.

Abubaker Adam
Chairman

Eritrean Muslim Community Association UK

Report of the Trustees **for the Year Ended 31 March 2021**

OBJECTIVES AND ACTIVITIES

Objectives and Activities;

The association continues its work in providing and expanding its services, whilst the association heads into the direction of professionalism, as well as providing more stability through tapping into more diverse areas within the community. In order to move towards self-sufficiency, EMCAUK has restructured and reorganised both its general and human resources.

The charity carries out a wide range of activities in pursuance of its charitable aims.

The trustees consider that these activities provide benefit both to those who worship at the Mosque and the wider community of Lambeth, Wandsworth and surrounding areas.

Religious activities

The Mosque provides a center for prayers and worship and for the activities associated with our Islamic faith. During the year under review, we offered a range of religious services and activities including:

Prayers: The Mosque is open all day for daily and Friday prayers. During the week, we have local people who regularly attend daily prayers and also regularly attend Friday and Ramadan prayers.

Eid Festivals: The Mosque prepares food during the month of Ramadan for those attending our Mosque who wishes to break their fast together. Eid was also celebrated at the Mosque with a family day activities including invites to local neighbors and community organisations to join.

Civil marriages and Nikkah: The Mosque provide Muslim couples with an appropriate location for both their civil marriage and Nikkah (Islamic marriage). Subject to civil registration.

EMCA is not just a place of worship, it is a community center which serve Muslims and none Muslims alike. A wide variety of community activities are organised by the association and most of these activities take place at the Mosque.

Feeding the Homeless:

In partnership with organisations like (St Mungo's Homeless Charity) and others, where we cook, deliver food to the homeless citizens in the our local area regardless of their faith, background or gender also we offer them a chance to visit us and socialise with our congregation to break down barriers and stigma.

Visit My Mosque days: This is an annual event which takes place in February or June of each year where members of the local community, schools and colleges are invited to visit the Mosque for a a full tour of the mosque and its exhibitions. A presentation about the mosque activities is also provided to all our visitors.

Interfaith dialogue: Al Nagashi Mosque is an active member of the Faith Together in Lambeth (FTIL). The Mosque attends many local briefings, committee meetings and have also hosted activities together with FTIL, these includes, the Mental Health workshop, First Aid courses and interfaith seminars. The mosque has also supported activities organised by (FTIL) with the objective for EMCA to promote interfaith dialogue and social cohesion locally and within Greater London.

Employment and Community Advice:

Al Nagashi Mosque has partnered with Wandsworth Community Empowerment Network to provide a systematic approach to community care and prevention in relation to health, social inequalities, and also provide economic deprivation support for the BAME stakeholder within our communities that benefit from our services. We have also partnered with Battersea Power station to facilitate our premises and management team to support a local construction work open day. We had a very positive response from the community which resulted in local people accessing work, employment and vocational training. We will continue to foster these partnerships and build more in depth seminars that offers job opportunities locally. The management team worked extremely well to develop a long term working relationship with Citizens Advice Bureau locally, supporting the most marginalised communities in society, this is one of our key intervention work and we will continue to work in a more participatory model allowing the local communities to always be in the forefront of all our initiatives.

Youth Programmes & 17th Lambeth Scouts Group initiated:

Our children and youth are the future generation and their personal development must start at an early stage and it must ensure a timely progression in line with their age and learning. We have had the pleasure in setting up a local scouts group under the support and supervision of The Scout Association UK to deliver a weekly session for a varied age group from 5-15 years old. We also have a youth club which runs weekly for a slightly mature youth audience catering for their development and also help in mentoring their inspirations and growth potentials. Both of these programmes are one of our best flagship projects which is inspiring and continues to attract many families and kids to register.

Services for Women (Sisters)

Eritrean Muslim Community Association UK

Report of the Trustees for the Year Ended 31 March 2021

A sister's committee has been established with the following key objectives:

" To ensure that the day to day running of the Mosque meets the needs of sisters

" To provide educational services to meet the needs of senior sisters locally

" To promote physical wellbeing for sisters of all ages

To provide a social platform for sisters of all ages, this includes increasing range of activities for women: - Tajweed and Tafseer classes - Qur'an translation and Arabic classes - Senior Citizens roundtable sessions.

EMCA Premises maintenance and Development Plan

EMCA premises is the heart of the community, it is considered by the community members as the valued third space (A community space outside of their 1st home- 2nd work spaces where an individual will usually spend the rest of their time). The responsibility to fully maintain and to fully function at an optimum capacity is also one of the charitable objectives of EMCA. With this in mind, we have carried out essential emergency repair works to ensure all statutory Health and Safety requirements are met and in full compliance for service user's agreements with external agencies/ clients using the premises. We have highlighted key areas of where building work must take place in the next 12 months

Outstanding works that now remain include: -

Roofing: A new roofing system is required on top of the existing roof to eradicate water ingress problems in several locations due to natural age, lack of maintenance dating back to work undertaken pre 2010. Part repairs have been completed with partial success.

External Landscaping: Planning condition required for external landscaping including a permanent function room/ marquee for events, to be used for training and community engagements with an inspiring environmental landscape design for health and wellbeing.

Internal Basement works: Finishing works remain outstanding and there are water ingress issues below ground level due to inadequate water proof tanking. Many areas are letting water in.

New external windows, new front gate, and sliding partition for function hall:

To create a partition area on the ground floor to facilitate access for multi-use services. This is based on the recommendation by various architects to ensure space management which will help increase the number of service users which in turn will generate more income to be used to support the buildings sustainability.

General Building Maintenance:

Mechanical, electrical and public health and safety works will always be an essential requirement for any old premises, we acknowledge that it will continue to incur costs even if incremental health checks and maintenance are carried out, this will remain a challenge for the trustees and we are in a process of refining our income and fundraising strategy to support this area which is the main pillar for all service deliveries carried out in the center.

EMCA Board of trustees appointed, and closely worked with various architectural firms to design and manage the necessary steps to oversee the project development and also take the necessary steps to obtain the planning permission needed from local authorities.

Preliminary planning and the necessary design have been completed to enable us obtain planning permission from the local authority. From the drawings and specifications available, 3D drawing was produced to visualise the final work and we aim to start fundraising locally and nationally to ensure we have a new purpose built community centre ready by 2030 which will cater and deliver an exceptional much needed services for the current users and wider communities.

Funeral Services Setup & Constructions

EMCA board have decided to embark in a vital and well deserved community project by partnering with a local Eritrean Muslim funeral service Charity (Al Muwassat) the objective is to provide funeral services for the Muslim community within our pre-determined catchment area. We have leased a part of the premises to be used to construct a new mortuary service including an office unit to cater for this service. The agreement will be based on a peppercorn rent lease for (3 years renewable) subject to annual service delivery and programed performance.

The comprehensive service will include the pick-up of the deceased from the hospital or home, stored in our cold room, full Islamic Ghusal, Janazah Salah and finally transportation to the families chosen cemeteries. The deceased's family will be able to use the meeting room facilities at a reduced daily rate at EMCA, as a bereavement space where the families may grieve and pray for their deceased.

As the funeral service is donation based, we aim to maintain our service level agreement depending on the continuous support of our community and charitable grants from foundations and trusts. We have seen great generosity from our community in the setup stages and the users of our funeral service will only increase if the right communication channels are being adopted to ensure that our diverse community is kept informed of EMCA funeral services provided by AL Muwassat- communication of news, activities and events includes;

As the Trustees are responsible for preparing the organisation's (EMCA) Annual Report and the financial statements in accordance with applicable UK law and UK Generally Accepted Accounting Practice (United Kingdom Accounting Standards). Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable organisation

In preparing these financial statements, the Trustees are required to:

- a) Select suitable accounting policies and then apply them consistently;
- b) Observe the methods and principles in the Charities SORP;
- c) Make judgements and estimates that are reasonable and prudent;
- d) State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- e) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions, disclose with reasonable accuracy at any time the financial position of the charitable company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006, and the provisions of the Charity's constitution. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. Insofar as each of the Trustees of the charitable company at the date of approval of this report is aware there is no relevant information needed by the charitable company's independent examiner in connection with preparing the financial statements of which the independent examiner is unaware.

Each Trustee has taken all the steps that he/she should have taken as a trustee in order to make himself/herself aware of any relevant information and to establish that the independent examiner is aware of that information.

**Independent Examiner's Report to the Trustees of
Eritrean Muslim Community Association UK**

Independent examiner's report to the trustees of Eritrean Muslim Community Association UK ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 March 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
