TRUSTEES REPORT**

FOR THE YEAR ENDED 31st December 2021

The Trustees are pleased to present their annual report and financial statement for the year ended 31st December 2021.

1. GENERAL INFORMATION

The Calon Lan Centre was established as a Charitable Trust in January 2013. A Deed of Constitution was adopted on the 1st of November 2013 and the Charity was entered onto the Charity Register on the 13th February 2014 under number 1155784.

The purpose of the Charity is to promote the advancement of religion, education and social facilities at Mynyddbach Chapel Swansea and to educate, inform and preserve for the benefit of the public the buildings, grounds and graveyard at Mynyddbach Chapel together with the story behind the hymn Calon Lan written by Daniel James (who lived from 1848-1920) an adherent of the Chapel and is buried here in his family Tomb. The Calon Lan Centre will preserve for future generations the history and story of non-conformist beliefs in Wales and the concept of CALON LAN (pure heart) together with its place in welsh cultural identity and heritage. The Calon Lan Centre will seek to achieve these aims by ensuring that the Buildings and grounds at Mynyddbach Chapel are open for the benefit of the Public. All Local and other Visitors to the Site will be informed about the historical story of Calon Lan and the life of its composer Daniel James, also known by his Bardic name of Gywrosydd.

2. FINANCIAL REVIEW AND REPORT

During the current year the Charity has been substantially impacted by the Corona virus pandemic. The Centre has not been available for full use during most of 2021 and this has restricted the plan to increase income from users. However during the year the Centre has used its capital endowment gifts and other Grants to carry out major repair works to the Chapel Buildings, grounds, House, Schoolroom and Graveyard. The investment income and gifts received have been allocated to immediate repairs during the year and various other capital improvements to the grounds. In addition during the year the Centre received a grant of £19,900 from Welsh Government under its CFAP scheme to carry out a refurbishment of the toilets and also heating and plumbing in the main Chapel building. The HLF grant from 2020 was also used towards setting up an exhibition about the life and work of Daniel James. The Project involves creating display panels in partnership with Swansea Museum and also creating digital outputs of some of the work of Daniel James. Some Events are also planned but are delayed by the Pandemic.

Further applications for grants and funding were made with the other grant giving bodies, including the Welsh Churches Fund. The Trust has continued to instruct Investec Wealth and Investment Ltd to manage the endowment gifts which is held by them on a discretionary investment basis.

During the year some funds were spent on promotional Events in the Chapel. Donations and collections were also received during the year to help the Centre continue its Charitable purposes. Subject to the Pandemic regulations the Chapel was used by other community groups and other churches during the year including choirs such as the Morriston Orpheus, Swansea Philharmonic, a Samba Band, Swansea Concert Band, other local choirs and schools. Regular welsh language services were held each Wednesday until prevented by the Pandemic regulations. The Centre also continued its collaboration with Liberty Church of Siloh Chapel

Swansea and other church groups including Tawe Valley Church who have established a regular Sunday service.

These financial statements have been prepared in accordance with the charity's trust deed and in accordance with the accounting policies of the Charities Act 2011 as amended and the Financial Reporting Standard for Smaller Entities.

3. EXPENDITURE INCURRED

The main operating costs of the Charity and Chapel during the year have related to the organising and administration of meetings, maintenance of the Chapel Buildings, grounds, graveyards, cottage and seeking funding sources for future plans. Substantial improvements have continued to be made to the Grounds and the continuing work to eradicate Japanese Knotweed. Expense has also been incurred in promoting the use of the Chapel for the Local Community and in progressing the Heritage Lottery Funded Project to set up an Exhibition about the Life and Work of Daniel James.

4. ACCUMLATIVE SURPLUS

During the year the Charity has received a surplus of income over expenditure in the sum of £1590.06 (Last year surplus of £8998.24).

5. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities, and setting policy for the future year. The Charity has made no significant beneficial payments or donations to anyone in its financial year other than local charities and has also made its facilities available for several groups during the year including a local Dementia group who have established a vegetable garden in the grounds of the Chapel House.

The Charity's mission is to preserve and interpret to the widest possible audience the history and heritage of Calon Lan and Mynyddbach Chapel and to enrich the visitors experience with demonstrations, talks, events, and innovative educational programmes. The Trustees review the activities of the Charity against its aims on an ongoing basis and are satisfied that all activities continue to be related to these goals. Some larger events have had to be postponed due to the pandemic. As the Trustees seek to find funding to help with future plans they have concentrated efforts on repairs to the Buildings and grounds to ensure better access and facilities at the site as a whole for all visitors. Regular services in the Chapel have been restarted where allowed by the Pandemic Regulations and the Charity continues to work with other Congregations in planning future uses of the Chapel. In addition the Charity has been working with Liberty Church at Siloh Chapel Swansea on joint promotions. The expectation for Events for next year looks more encouraging.

6. TAXATION

The Charity is exempt from taxation.

7. AUDIT

The Charity has received income, grants and donations of £93459.69 in its financial year, and has appointed an Independent Examiner of the Accounts, Mr. Gareth Thomas to examine the accounts and report to the Trustees in accordance with the General Directions given by The Charity Commission.
