# Accounts

---

This year has been a good year financially, we have exceeded our expectations donations wise thanks to generous individuals.

The majority of our income has come from our annual Charity Ball.

We continue to provide goody bags to the Childrens hospital which we have added new products to.

Our wishes have been limited due to lack of recommendations via other charities, we intend to address this in the next year.

Our main goal still remains to have a holiday home for families to use, this must remain a long term goal as the expenditure we have to commit to is quite substantial.
