Activities

Objects: THE OBJECTS ARE SUCH PURPOSES WHICH ARE EXCLUSIVELY CHARITABLE ACCORDING TO THE LAWS OF ENGLAND AND WALES AS THE TRUSTEES MAY AT THEIR DISCRETION THINK FIT.

Activities: The Gordon Bramah Charitable Settlement is a grants-based charity which predominantly donates to other charities. It is primarily, but not exclusively, interested in supporting charities or individuals based in the North Derbyshire and South Yorkshire area where the charity has its historical roots. Its priority is donating to capital projects rather than supporting ongoing expenditure.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their report and the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS102) published in October 2019.

Structure, governance and management

a. Constitution

The charity was founded by Gordon Bramah in December 2013 and endowed by him the following year. Gordon sadly died in December 2017 and the charity, bearing his name, continues his philanthropic work. His daughter, Penny Burgess-Smith, is the sole remaining trustee with a blood link to him. In the 11 years since endowment the charity has made grants and gifts of more than £500,000.

Although the charity has broad powers, it is primarily concerned with supporting charities operating in the North Derbyshire and South Yorkshire areas. As a general principle its priority is donating to capital projects rather than supporting ongoing expenditure.

The Trustees who served during the year are:

Mrs J M Bramah (deceased 23 August 2024)
Dr M H Banks
Mrs S P Burgess-Smith
Mrs J M Banks
Mr M C Burgess-Smith

New Trustees must be appointed by a resolution of the Trustees.

When new Trustees are appointed they are briefed on the objects of the charity and given a copy of the charity's constitution and latest accounts.

The Trustees meet twice each year to consider appeals.

All Trustees give their time freely and no Trustee was remunerated in the year.

The principal risks to which the charity is exposed are the security and the performance of the investments and cash. The Trustees are satisfied that they have arrangements in place to mitigate those risks.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Objectives and activities

a. Strategies for achieving objectives

Public benefit

The Trustees have referred to the guidance on public benefit issued by the Charity Commission when reviewing the trust's objectives and grant making policies.

The charity has continued to meet its objectives and fulfil its public benefit requirements by making grants, pledges and gifts to a wide range of local projects.

Achievements and performance

a. Main achievements of the charity

Details of the grants made and authorised are set out in the notes to the accounts.

Financial review

a. Financial review

Total income for the year was £98,130 (2024: £102,085) being investment income on the Trust's investment portfolio.

Total expenditure for the year was £87,490 (2024: £66,085). Investment management costs were £11,572 (2024: £12,691). Expenditure on charitable activities was £75,918 (2024: £53,394), which included governance costs of £4,998 (2024: £4,166).

Net income for the year was £10,640 (2024: £36,000). After taking into account the losses on investments of £99,151 (2024: £60,244 gains), there was a net deficit of £88,511 (2024: £96,244 net surplus).

At 31 March 2025 the charity's expendable endowment fund amounted to £1,906,080 (2024: £2,016,803) and unrestricted funds were £298,237 (2024: £276,025).

b. Reserves policy

At 31 March 2025 the charity had unrestricted free reserves amounting to £298,237 (2024: £276,025). The trustees consider it to be prudent to hold income reserves of this order partly so the level of grants in the immediate future can be sustained in the event of any unforeseen fall in income and partly to enable the Trustees to make one or more substantial grants without prejudicing the normal pattern of grant making.

c. Investment policy

The investment objective is to maximise the funds of the charity, achieving a level of income commensurate to the asset mix and capital growth ahead of inflation over time. This objective should be achieved undertaking only a moderate level of risk.

The charity's investments are managed by the investment advisors on a discretionary basis.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

d. Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the trustee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of trustees and signed on their behalf by:

Mrs S P Burgess-Smith

THE GORDON BRAMAH CHARITABLE SETTLEMENT

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

Independent examiner's report to the Trustees of The Gordon Bramah Charitable Settlement ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2025.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. General information

The Gordon Bramah Charitable Settlement is a registered unincorporated charity in the United Kingdom. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activity is grant-making activities.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Gordon Bramah Charitable Settlement meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Endowment funds are those held on trust to be retained for the benefit of the charity as a capital fund. There are discretionary powers to convert capital into income and as a result, these funds are classified as expendable endowment.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds relates to investment management costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

All expenditure is inclusive of irrecoverable VAT.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

There are no accounting estimates and areas of judgment that are considered to have a material impact on the financial statements.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their report and the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS102) published in October 2019.

Structure, governance and management

a. Constitution

The charity was founded by Gordon Bramah in December 2013 and endowed by him the following year. Gordon sadly died in December 2017 and the charity, bearing his name, continues his philanthropic work. In the 10 years since endowment the charity has made grants and gifts of more than £450,000.

Gordon's wife, Jackie Bramah, has also recently died, a fortnight short of her 91st birthday in August 2024. She had served as a trustee since the charity's inception. She was a resolute and conscientious trustee with clear views on the direction of travel of the charity, and was passionate about supporting those charities in which she was particularly interested. She will be much missed. Her passing means that her daughter, Penny Burgess-Smith, is now the sole remaining trustee with a blood link to Gordon.

Although the charity has broad powers, it is primarily concerned with supporting charities and individuals in the North Derbyshire and South Yorkshire areas. As a general principle its priority is donating to capital projects rather than supporting ongoing expenditure.

The Trustees who served during the year are:

Mrs J M Bramah (deceased 23 August 2024)
Dr M H Banks
Mrs S P Burgess-Smith
Mrs J M Banks
Mr M C Burgess-Smith

Mrs J M Bramah was entitled to hold office for life. Future Trustees must be appointed by a resolution of the Trustees.

When new Trustees are appointed they are briefed on the objects of the charity and given a copy of the charity's constitution and latest accounts.

The Trustees meet twice each year to consider appeals.

All Trustees give their time freely and no Trustee was remunerated in the year.

The principal risks to which the charity is exposed are the security and the performance of the investments and cash. The Trustees are satisfied that they have arrangements in place to mitigate those risks.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Objectives and activities

a. Strategies for achieving objectives

Public benefit

The Trustees have referred to the guidance on public benefit issued by the Charity Commission when reviewing the trust's objectives and grant making policies.

The charity has continued to meet its objectives and fulfil its public benefit requirements by making grants, pledges and gifts to a wide range of local projects.

Achievements and performance

a. Main achievements of the charity

Details of the grants made and authorised are set out in the notes to the accounts.

Financial review

a. Financial review

Total income for the year was £102,085 (2023: £96,795) being investment income on the Trust's investment portfolio.

Total expenditure for the year was £66,085 (2023: £27,208). Investment management costs were £12,691 (2023: £12,841). Expenditure on charitable activities was £53,394 (2023: £14,367), which included governance costs of £4,166 (2023: £4,117).

Net income for the year was £36,000 (2023: £69,587). After taking into account the gains on investments of £60,244 (2023: £324,962 losses), there was a net surplus of £96,244 (2023: £255,375 net deficit).

At 31 March 2024 the charity's expendable endowment fund amounted to £2,016,803 (2023: £1,969,250) and unrestricted funds were £276,025 (2023: £227,334).

b. Reserves policy

At 31 March 2024 the charity had unrestricted free reserves amounting to £276,025 (2023: £227,334). The trustees consider it to be prudent to hold income reserves of this order partly so the level of grants in the immediate future can be sustained in the event of any unforeseen fall in income and partly to enable the Trustees to make one or more substantial grants without prejudicing the normal pattern of grant making.

c. Investment policy

The investment objective is to maximise the funds of the charity, achieving a level of income commensurate to the asset mix and capital growth ahead of inflation over time. This objective should be achieved undertaking only a moderate level of risk.

The charity's investments are managed by the investment advisors on a discretionary basis.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

d. Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the trustee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of trustees and signed on their behalf by:

.....
Mrs S P Burgess-Smith

Date: 23rd October 2024

THE GORDON BRAMAH CHARITABLE SETTLEMENT

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Independent examiner's report to the Trustees of The Gordon Bramah Charitable Settlement ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2024.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1. General information

The Gordon Bramah Charitable Settlement is a registered unincorporated charity in the United Kingdom. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activity is grant-making activities.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Gordon Bramah Charitable Settlement meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Endowment funds are those held on trust to be retained for the benefit of the charity as a capital fund. There are discretionary powers to convert capital into income and as a result, these funds are classified as expendable endowment.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds relates to investment management costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

All expenditure is inclusive of irrecoverable VAT.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

There are no accounting estimates and areas of judgment that are considered to have a material impact on the financial statements.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their report and the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS102) published in October 2019.

Structure, governance and management

a. Constitution

The charity was founded by Gordon Bramah in December 2013 and endowed by him the following year. Gordon sadly died in December 2017 and the charity, bearing his name, continues his philanthropic work. In the eight years since endowment the charity has made grants and gifts of more than £400,000.

Although the charity has broad powers, it is primarily concerned with supporting charities and individuals in the North Derbyshire and South Yorkshire areas. As a general principle its priority is donating to capital projects rather than supporting ongoing expenditure.

The Trustees who served during the year are:

Mrs J M Bramah
Dr M H Banks
Mrs S P Burgess-Smith
Mrs J M Banks
Mr M C Burgess-Smith

Mrs J M Bramah is entitled to hold office for life. Future Trustees must be appointed by a resolution of the Trustees.

When new Trustees are appointed they are briefed on the objects of the charity and given a copy of the charity's constitution and latest accounts.

The Trustees meet twice each year to consider appeals.

All Trustees give their time freely and no Trustee was remunerated in the year.

The principal risks to which the charity is exposed are the security and the performance of the investments and cash. The Trustees are satisfied that they have arrangements in place to mitigate those risks.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Objectives and activities

a. Strategies for achieving objectives

Public benefit

The Trustees have referred to the guidance on public benefit issued by the Charity Commission when reviewing the trust's objectives and grant making policies.

The charity has continued to meet its objectives and fulfil its public benefit requirements by making grants, pledges and gifts to a wide range of local projects.

Achievements and performance

a. Main achievements of the charity

Details of the grants made and authorised are set out in the notes to the accounts.

Financial review

a. Financial review

Total income for the year was £96,795 (2022: £90,810) being investment income on the Trust's investment portfolio.

Total expenditure for the year was £27,208 (2022: £142,311). Investment management costs were £12,841 (2022: £13,813). Expenditure on charitable activities was £14,367 (2022: £128,498), which included governance costs of £4,117 (2022: £3,483).

Net income for the year was £69,587 (2022: £51,501 net expenditure). After taking into account the losses on investments of £324,962 (2022: £119,121 gains), there was a net deficit of £255,375 (2022: £67,620 net surplus).

At 31 March 2023 the charity's expendable endowment fund amounted to £1,969,250 (2022: £2,307,053) and unrestricted funds were £227,334 (2022: £144,906).

b. Reserves policy

At 31 March 2023 the charity had unrestricted free reserves amounting to £227,334 (2022: £144,906). The trustees consider it to be prudent to hold income reserves of this order partly so the level of grants in the immediate future can be sustained in the event of any unforeseen fall in income and partly to enable the Trustees to make one or more substantial grants without prejudicing the normal pattern of grant making.

c. Investment policy

The investment objective is to maximise the funds of the charity, achieving a level of income commensurate to the asset mix and capital growth ahead of inflation over time. This objective should be achieved undertaking only a moderate level of risk.

The charity's investments are managed by the investment advisors on a discretionary basis.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

d. Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the trustee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of trustees and signed on their behalf by:

.....
Mrs S P Burgess-Smith

Date:

12th October 2023

THE GORDON BRAMAH CHARITABLE SETTLEMENT

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Independent Examiner's Report to the Trustees of The Gordon Bramah Charitable Settlement ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2023.

Responsibilities and Basis of Report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. General information

The Gordon Bramah Charitable Settlement is a registered unincorporated charity in the United Kingdom. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activity is grant-making activities.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Gordon Bramah Charitable Settlement meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Endowment funds are those held on trust to be retained for the benefit of the charity as a capital fund. There are discretionary powers to convert capital into income and as a result, these funds are classified as expendable endowment.

Investment income, gains and losses are allocated to the appropriate fund.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds relates to investment management costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

All expenditure is inclusive of irrecoverable VAT.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

There are no accounting estimates and areas of judgment that are considered to have a material impact on the financial statements.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their report and the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS102) published in October 2019.

Structure, governance and management

a. Constitution

The charity was founded by Gordon Bramah in December 2013 and endowed by him the following year. Gordon sadly died in December 2017 and the charity, bearing his name, continues his philanthropic work. In the eight years since endowment the charity has made grants and gifts of more than £395,000.

Although the charity has broad powers, it is primarily concerned with supporting charities and individuals in the North Derbyshire and South Yorkshire areas. As a general principle its priority is donating to capital projects rather than supporting ongoing expenditure.

The Trustees who served during the year are:

Mrs J M Bramah
Dr M H Banks
Mrs S P Burgess-Smith
Mrs J M Banks
Mr M C Burgess-Smith

Mrs J M Bramah is entitled to hold office for life. Future Trustees must be appointed by a resolution of the Trustees.

When new Trustees are appointed they are briefed on the objects of the charity and given a copy of the charity's constitution and latest accounts.

The Trustees meet twice each year to consider appeals.

All Trustees give their time freely and no Trustee was remunerated in the year.

The principal risks to which the charity is exposed are the security and the performance of the investments and cash and the Trustees are satisfied that they have arrangements in place to mitigate those risks.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Objectives and activities

a. Strategies for achieving objectives

Public benefit

The Trustees have referred to the guidance on public benefit issued by the Charity Commission when reviewing the trust's objectives and grant making policies.

The charity has continued to meet its objectives and fulfil its public benefit requirements by making grants, pledges and gifts to a wide range of local projects.

Achievements and performance

a. Main achievements of the charity

Details of the grants made and authorised are set out in the notes to the accounts.

Financial review

a. Financial review

Total income for the year was £90,810 (2021: £85,850) being investment income on the Trust's investment portfolio.

Total expenditure for the year was £142,311 (2021: £56,173). Investment management costs were £13,813 (2021: £12,958). Expenditure on charitable activities was £128,498 (2021: £43,215), which included governance costs of £3,498 (2021: £3,215).

Net expenditure for the year was £51,501 (2021: £29,677 net income). After taking into account the gains on investments of £119,121 (2021: £665,217), there was a net surplus of £67,620 (2021: £694,894).

At 31 March 2022 the charity's expendable endowment fund amounted to £2,307,053 (2021: £2,201,745) and unrestricted funds were £144,906 (2021: £182,594).

b. Reserves policy

At 31 March 2022 the charity had unrestricted free reserves amounting to £144,906 (2021: £182,594). The trustees consider it to be prudent to hold income reserves of this order partly so the level of grants in the immediate future can be sustained in the event of any unforeseen fall in income and partly to enable the Trustees to make one or more substantial grants without prejudicing the normal pattern of grant making.

c. Investment policy

The investment objective is to maximise the funds of the charity, achieving a level of income commensurate to the asset mix and capital growth ahead of inflation over time. This objective should be achieved undertaking only a moderate level of risk.

The charity's investments are managed by the investment advisors on an advisory basis.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

d. Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

.....
Mrs S P Burgess-Smith

Date: 17 October 2022

THE GORDON BRAMAH CHARITABLE SETTLEMENT

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2022

Independent Examiner's Report to the Trustees of The Gordon Bramah Charitable Settlement ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

Responsibilities and Basis of Report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

THE GORDON BRAMAH CHARITABLE SETTLEMENT

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. General information

The Gordon Bramah Charitable Settlement is a registered unincorporated charity in the United Kingdom. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activity is grant-making activities.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Gordon Bramah Charitable Settlement meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds relates to investment management costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

All expenditure is inclusive of irrecoverable VAT.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

There are no accounting estimates and areas of judgment that are considered to have a material impact on the financial statements.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their report and the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS102) published in October 2019.

Structure, governance and management

a. Constitution

The charity was founded by Gordon Bramah in December 2013 and endowed by him the following year. Gordon sadly died in December 2017 and the charity, bearing his name, continues his philanthropic work. In the seven years since endowment the charity has made grants and gifts of more than £270,000. We have in addition recently pledged £125,000 to the University of Sheffield for its planned Gene Therapy Innovation and Manufacturing Centre, subject to conditions which we anticipate being met in our next financial year.

Although the charity has broad powers, it is primarily concerned with supporting charities and individuals in the North Derbyshire and South Yorkshire areas. As a general principle its priority is donating to capital projects rather than supporting ongoing expenditure. However, in this financial year the trustees allocated £40,000 for selected local charities whose fund-raising activities have been hit by the COVID-19 pandemic, and which therefore required funds other than for capital projects.

The Trustees who served during the year are:

Mrs J M Bramah
Dr M H Banks
Mrs S P Burgess-Smith
Mrs J M Banks
Mr M C Burgess-Smith

Mrs J M Bramah is entitled to hold office for life. Future Trustees must be appointed by a resolution of the Trustees.

When new Trustees are appointed they are briefed on the objects of the charity and given a copy of the charity's constitution and latest accounts.

The Trustees meet twice each year to consider appeals.

All Trustees give their time freely and no Trustee was remunerated in the year.

The principal risks to which the charity is exposed are the security and the performance of the investments and cash and the Trustees are satisfied that they have arrangements in place to mitigate those risks.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Objectives and activities

a. Strategies for achieving objectives

Public benefit

The Trustees have referred to the guidance on public benefit issued by the Charity Commission when reviewing the trust's objectives and grant making policies.

The charity has continued to meet its objectives and fulfil its public benefit requirements by making grants, pledges and gifts to a wide range of local projects.

Achievements and performance

a. Main achievements of the charity

Details of the grants made and authorised are set out in the notes to the accounts.

Financial review

a. Going concern

Total incoming resources for the year were £85,850 (2020: £84,182) being investment income on the Trust's investment portfolio.

Total resources expended for the year were £56,173 (2020: £35,554). Investment management costs were £12,958 (2020: £14,119). Expenditure on charitable activities was £43,215 (2020: £21,435), which included governance costs of £3,215 (2020: £3,520).

Net incoming resources for the year were £29,677 (2020: £48,628). After taking into account the gains on investments of £665,217 (2020: losses of £409,968), there was a net surplus of £694,894 (2020: net deficit of £361,340).

At 31 March 2021 the charity's expendable endowment fund amounted to £2,201,745 (2020: £1,549,486) and unrestricted funds were £182,594 (2020: £139,959).

b. Reserves policy

At 31 March 2021 the charity had unrestricted free reserves amounting to £182,594 (2020: £139,959). The trustees consider it to be prudent to hold income reserves of this order partly so the level of grants in the immediate future can be sustained in the event of any unforeseen fall in income and partly to enable the Trustees to make one or more substantial grants without prejudicing the normal pattern of grant making.

THE GORDON BRAMAH CHARITABLE SETTLEMENT

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

c. Investment policy

The investment objective is to maximise the funds of the charity, achieving a level of income commensurate to the asset mix and capital growth ahead of inflation over time. This objective should be achieved undertaking only a moderate level of risk.

The Trustees' investments are managed by the investment advisors on an advisory basis.

d. Going concern

The Trustees have considered the impact of COVID-19 on the charity's activities, taking into account the government's roadmap to recovery and, the Trustees are confident that they have in place plans to deal with any impacts that arise.

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Mrs S P Burgess-Smith

Date: 8 October 2021

THE GORDON BRAMAH CHARITABLE SETTLEMENT

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

Independent Examiner's Report to the Trustees of The Gordon Bramah Charitable Settlement ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2021.

Responsibilities and Basis of Report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 3 November 2021

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. General information

The Gordon Bramah Charitable Settlement is a registered unincorporated charity in the United Kingdom. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activity is grant-making activities.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Gordon Bramah Charitable Settlement meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The Trustees have considered the impact of COVID-19 on the charity's activities, taking into account the government's roadmap to recovery and, the Trustees are confident that they have in place plans to deal with any impacts that arise.

The charity has sufficient reserves to enable it to continue for the foreseeable future. Therefore, the trustees believe it is appropriate for the financial statements to be prepared on the going concern basis.

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds relates to investment management costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

All expenditure is inclusive of irrecoverable VAT.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. There were no estimates and assumptions in the financial year.
