Trustees' Report for the period ended 31 October 2023 (continued)

Objective and Activities

The Charity's Objectives:

1. Advancement of the Buddhist faith and philosophy in accordance with the following doctrines:
 - a) Theravadha Buddhist Scriptures
 - b) Sutta Pitaka (Teachings) and Vinaya Pitaka (Discipline) Discourses
 - c) Abhidhamma (higher doctrine; detailed analysis of all mental faculties and elements) preached by Gautama Buddha

The charity will do this by propagating the Buddha's teachings locally, nationally and internationally through the Buddhist TV (<https://www.thebuddhist.tv/>), undertaking ceremonial activities and rituals on a regular basis and holding weekly Dhamma (Buddha's teachings) talks, discussions, meditation sessions and retreats.

2. The prevention and relief of poverty anywhere in the world, by providing or assisting in the provision of education, training and healthcare projects, and providing necessary support for self-sufficiency.
3. The promotion of religious harmony for the benefit of the public by promoting knowledge, mutual understanding and respect for the beliefs of different religious faiths. This has been promoted by providing/participating in lectures, seminars, and workshops on the Buddhist faith and participating in Newham Borough schools' religious education programme.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding which activities the charity should undertake.

The Foundation activities and events relate to the year ended 31 October 2023:

Rev Madugalle Mahanama Thero is the head monk-in-charge (Viharadikari) of the temple. His role is to head the congregation and conduct worship, deliver sermons and provide spiritual guidance and support for all visiting members of the community. His activities also include delivering sermons and chanting at other Buddhist temples and visiting homes of members of the congregation, on invitation, to give blessings and for related spiritual activities. He is supported by monks visiting from Sri Lanka and other temples in the UK.

Rev Madugalle Mahanama Thero went to Sri Lanka in March 2020 and after the Covid pandemic and returned in November 2022. Rev Aparakke Dhammanadha Thero, temporarily joined the temple in 2020 and continued to serve the community as did Rev Mahanama Thero before him, performing all the aforementioned activities. When Rev Mahanama Thero returned he took over from Rev Dhammanadha Thero and conduct the daily evening worship and the monthly retreat (poya sil) programmes. The practice of live streaming of evening worship and other programmes conducted at the temple via Zoom during Covid has been so successful, that the practice has continued. The devotees now have a choice whether to participate in temple activities in person or remotely via Zoom. Other programmes including up to 6 sermons a month and meditation classes every Saturday, by monks in Sri Lanka, are also live streamed via Zoom.

During the year Ven Nawelagama Amithadassana Thero arrived at the temple to observe Vas and remained at the Vihara for about six months. He returned to Sri Lanka after the Kathina festival. Ven Pannegamuwe Seeladassana Thero arrived at the temple with Ven Boralande Vajiragnana Nayaka Thero (Chief Prelate, Chairman of Sri Sambodhi Community Development Foundation) for the Kathina festival. The latter returned to Sri Lanka after one week. Ven Seeladassana Thero returned to Sri Lanka after about 6 months.

In 2023, the fifth anniversary of the passing away of our Founder and the first Chairman, the Most Reverend Daranagama Kusaladhamma Nayaka Thero, was commemorated. There was a special sermon from Sri Lanka in the morning and Buddha worship in the evening. On the 4th of March there was a special sermon from Sri Lanka in the morning, dana (lunch) for monks and a special Buddha worship in the evening by Rev Mahanama Thero from Sri Lanka. The event was attended in person by a several devotees, while some participated via Zoom.

On 8th April 2022 a remembrance ceremony was held in memory of our first Patron, Chief Prelate of the Asgiriya Chapter in Sri Lanka, Rev. Udugama Sri Buddharakkitha Maha Nayka Thero who passed away on the same day in 2015.

Vesak, which commemorates the Birth, Enlightenment and Passing Away of Gautama Buddha was celebrated in May 2022. Poson, which commemorates the introduction of Buddhism to Sri Lanka by Arahant Mahinda Thero at Mihintale, in the third century B.C, was celebrated in June 2022 and Esala, which commemorates Buddha's preaching of his First Sermon, (The Setting in Motion of the Wheel of the Dhammachakka Sutta), starting of Vas (Rains Retreat) and the arrival of Buddha's Tooth Relic in Sri Lanka were celebrated in July 2022 via Zoom with some devotees attending in person.

In addition to these specific events devotees observed 'eight-precepts' on Sundays closest to the full moon day, each month. The full moon days in each month marks important events in the Buddhist calendar. Some devotees visited the temple throughout the day to celebrate and to receive blessing for the New Year (1st January), the Sri Lanka Independence Day (4th February) and Sinhala and Tamil New Year (14th April).

Vas (rains retreat) from the full moon day in July (Esala) to the full moon day in October (Vap) was celebrated weekly with Sunday worship, primarily via Zoom. During these months each Sunday worship was sponsored by a devotee. These worships culminated in a ceremony of the offering of a Kathina robe to the monk. The Kathina ceremony was held on 4th November at a grand scale. It was held at hall near the temple and attended by the resident monk and several other monks from temples in the UK.

The Foundation worked closely with the Newham Schools' Religious Education Advisor and continued to support local schools in their religious education. The normal visits by school children were not held due to the construction work at the temple. Instead, The Foundation took part in discussions with religious teachers.

The Foundation provides opportunities to the devotees to help the community and some of the forest monasteries in Sri Lanka, which experienced hardship during the pandemic. Several devotees of the temple provided financial assistance to temples and other institutions in Sri Lanka with development work and other activities and worked with organisations aiding the disabled and the poor.

The religious school operated by the Foundation, which was started in 2015 did not function since Covid pandemic.

Trustee meetings were limited to three during the year, as there were not many activities to report.

Achievements and performance

The monks conduct all the programmes and live at the property free of charge and are not paid a salary. They render a yeoman service to the community on a voluntary basis. Their welfare is being looked after by the devotees. The charity does not make any charges whether in cash or benefits in kind for any of the services conducted by the temple. All donations made are voluntary. The charity does not have any employees. All work is done by volunteers. At present the charity does not have any fund raising events and does not receive any grant from any public or private organisations. Due to financial reasons the fund raising possibilities are being reviewed.

The devotees of the Foundation donate funds which are used for the day to day running expenses and further development of the Foundation. The devotees also bring requisites for the monks and for the temple and provide breakfast and lunch for the monks throughout the year. The Foundation maintains a list of donors who contribute monthly by bank standing order. A special fund has been set up to collect donations for the building works.

The construction work on the extension, which started in June 2021 progressed slowly due to the pandemic and difficulties in sourcing out building materials. The devotees have been steadily donating funds, within their means, while various building regulations and procedures were complied with. It is scheduled to be completed by the end of August 2024.

We are grateful to the many devotees who have worked tirelessly, consistently and voluntarily for the benefit of the Foundation and its development.

Trustees' Report for the period ended 31 October 2023 (continued)

Financial Review

Reserves policy:

The charity has very few fixed costs and has no need for reserves beyond a minimal level. The trustees consider that £ 10,000 is adequate as free reserves at the present time. The charity currently holds much more than this amount.

Results for the year:

In the period ended 31 October 2023, the Foundation had an excess of income over expenditure amounting to £ 91,336 Reserves carried forward amount to £ 385,811.

The statement of Financial Activities on Page 10 summarises the incoming sources and main areas of expenditure. The Balance Sheet on Page 11 shows the Charity's assets and liabilities at 31 October 2023.

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the period.

Donations by devotees for the extension have continued but at a slower pace than in the previous year. The net income for the current year reflects this effect.

The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken did not cover all the evidence that would be required in an audit. The report is limited to those matters set out in the next statement.

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
