The Sheppey Academy Endowment Fund

Trustees' Annual Report (continued)

Year ended 31 August 2024

Charity status

The charity was established as The Sheppey Academy Endowment Fund on 28th July 2010, registered with the Charity Commission (charity number 1155889) under the Charities Act 1993, when the Trustees of the De Haan Charitable Trust (DHCT) donated monies to be held by the endowment fund.

The Trust deed was last varied on 13th October 2015 following the acquisition of the Isle of Sheppey Academy into Oasis Community Learning (OCL). The charity is subject to the law of England & Wales.

Objectives and activities

The current objects of the endowment fund are to advance education for the benefit of the community of Kent, including but not limited to:

- Assisting and supporting the education of students at the academy including the provision of awards, prizes and other rewards;
- Relieving the financial hardship of pupils and ex-pupils of the academy by the provision of bursaries, scholarships, equipment or in any other way the Trustees think fit to enable them to pursue their education;
- Providing grants or other financial assistance to pupils in financial need to undertake extra-curricular activities (including educational travel in the United Kingdom or overseas);
- Providing or assisting in the provision of services or facilities at the academy not provided for under the Funding Agreement;
- Fostering closer ties between the academy and community, including promoting education in the community served by the school.

Investments & Risk Policy and activities in the year

The Trustees have adopted the OCL investments & risk policies in their approach to investment risk and treasury management. The Trustees consider the variability of the returns on investment to be the greatest financial risk.

During the year, the Trustees invested the funds into cash treasury deposits in order to maximise returns.

All investments held by the endowment have been acquired in accordance with the powers conferred on the Trustees.

During the year the charity explored potential options for utilising the fund, including purchasing property to house teachers on the island, but chose to make no disbursements due to the uncertainty around the Oasis Academy Isle of Sheppey's future.

Financial Review

At the start of the year the endowment funds were £1,047,559. The investment income generated during the year was £58,446 which represented an overall yield of 5.5%. It was agreed that the sum of £88,166 would be granted to Oasis Community Learning (OCL), to supporting the advancement of education on the Isle of Sheppey during the period of 2023/24 via youth work provision.

The Trustees have not set a reserves policy due to the nature of the operations of the charity. As at 31st August 2024 the reserves, which consist entirely of endowment funds, totalled £1,017,239.

The Sheppey Academy Endowment Fund

Trustees' Annual Report (continued)

Year ended 31 August 2024

Plans for future periods

The charity continues to rely on OCL to continue to carefully manage its investments to balance the requirements of producing income to fund the objects of the charity and the long-term growth of investments.

Public Benefit

In implementing the objects of the fund the Trustees have due regard to the public benefit guidance issued by the Charity Commission.

Trustees

The Trust deed provides that there must be at least 3 Trustees of the endowment fund, including the academy and up to 2 Trustees appointed by the academy. If required, additional Trustees can be appointed by unanimous decision of the existing Trustees. The academy has the discretion to appoint any individual as Trustee and is not confined to individuals from within, or associated with, the academy. The academy also has the power to remove any Trustees appointed by them.

The Trustees are responsible for the induction and training of any new Trustee which involves explaining Trustee's responsibilities, the governing document, administrative procedures, the history of the endowment and the requirements of the guidance issued by the Charity Commission.

At the end of the year there were 5 Trustees. Mr P M Aspin, Ms S Coccia and Oasis Community Learning were all appointed on 30th January 2014; Mr S Chalke was appointed on 6th June 2018; and Mr A Blundell was appointed on 15th December 2021.

Fund accounting

Restricted funds are available for use at the discretion of the Trustees to further the purpose set aside in the Endowment Deed.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates. Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Investments

Investments are initially recorded at cost, and subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st August 2023

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
