Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote for the public benefit ethical standards of conduct and compliance with the law by commercial organisations in their administration and management, treatment of personnel, health safety and commercial practices, in particular by supporting the operation of a website by The Wikirate Project e.V.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Very little activities in 2020, since most activities have been done via its sister non-profit WikiRate Project e.V. based in Berlin, Germany. 2019 has seen activity by Philipp Hirche donating £250,000 (from his gross salary) to Wikirate, of which approximately £100,000 arrived on The Wikirate Project UK's bank accounts only in January 2020. Wikirate passed such donations on to WikiRate Project e.V. There are no further donations planned at the moment by Philipp Hirche, since WikiRate Project e.V. seems now being self-sustainable. Note that Philipp Hirche chairs WikiRate Project e.V. (1. Vereinsvorstand).

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D Achievements and performance

**Summary of the main achievements of the charity during the year**

Passing on funds to bridge funding shortfall at its sister company The WikiRate Project e.V. in Berlin, Germany.

## Section E Financial review

### Brief statement of the charity's policy on reserves

The Charity has not yet entered into any continuing commitments and hence the Trustees do not consider it is necessary to hold reserves at this stage. This policy will be kept under review if there are any changes to the Charity's operations.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
