REPORT OF ACTIVITIES

2023 was a significant year for Empower Develop Dignify (EDD), as EDD UK played a key role in supporting the growth and development of EDD Rwanda. Below is a summary of EDD UK's contributions and the impact on EDD Rwanda.

1. Fundraising and Financial Support

EDD UK's primary focus in 2023 was raising funds to support EDD Rwanda's education programs. We were able to raise approximately £8,000 towards the end of the year from an individual donor and a company matching scheme (further £8000 to be received in the next financial year) this will be disbursed to EDD Rwanda in tranches as required in 2024.

2. Program Expansion Support

EDD UK helped facilitate the launch of EDD Rwanda's primary school in September 2023. This marked a significant milestone, allowing the school to begin its long-term growth plan of adding one class each year. EDD UK also supported the continued implementation of the Learning through Play methodology in collaboration with Teach Rwanda, ensuring high-quality, holistic education for vulnerable children.

3. Looking Ahead

EDD UK will focus on securing more donors, enhancing fundraising campaigns, and strengthening partnerships to support EDD Rwanda's continued expansion. Key priorities for

2024 include expanding the primary school, developing new educational programs, and improving administrative systems to support the growing student population.

1. General information

The entity is a charitable incorporated organisation registered in England and Wales, charity number 1155922. It is registered at Flat 3, 21-23 Palace Gate, London, W8 5LS. The principal activity of the charity during the year remained the support of charities in East and Central Africa.

The financial statements have been prepared in GBP and all amounts are rounded to the nearest £.

2. Accounting policies

Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Empower Develop Dignify (a charitable incorporated organisation) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

Going concern

Based on their assessment of the charity's finances and general circumstances, the trustees are of the opinion that the charity is a going concern for at least 12 months following the date on which the balance sheet was signed.

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

2. Accounting policies (continued) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated, on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 1 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Cash Flow Exemption

The accounts do not include a cash flow statement as the charity is small and therefore exempt from the requirement to produce such a statement.

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date, as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value, with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. However, the trustees are of the opinion that there are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
