Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Charity has undergone a number of changes in 2022, and has a newly appointed team of 11 trustees, all bringing fresh ideas and enthusiasm for the future of the village and community. Due to the changes much of the year has been about taking stock and rebuilding, therefore new projects have been on hold in some areas but the committee is planning for 2023 with vigour. The Charity has continued to provide core activities and events. The Youth Centre provides children and young people of the village and surrounding villages the opportunity to make friends and interact with others in a safe environment, which is helping to tackle rural anti social behaviour. Social events are helping social interactions with a wide range of local residents with both young and old mixing. It is a place where new people to the area can meet others which is essential in rural areas

Other optional information

Quarrington Hill Community Association has undergone many changes due to the previous Treasurer and Secretary resigning with immediate effect in July 2022, without any official handover! Leaving only 2 trustees with no idea on how things were supposed to run, however the local villagers rallied around those 2 girls and more trustees were added. Although it has taken some time, we are finally starting to get on top of the mountain of paperwork and policies that all needed updating, we have also had input and assistance from the Clerk at Coxhoe Parish Council, representatives from Durham County Council and our Local Independent Councillors, so we are now running the Association with 10 trustees and several volunteers which going forward we hope to further increase.
