Report of the Trustees for the Year Ended 30 April 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 April 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity as per its governing document are:

- To relieve poverty and advance education for vulnerable children and young people, primarily in Kazingizi village in Zimbabwe
- To advance health and wellbeing by providing access to basic necessities, education support, and welfare assistance

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Activities Undertaken to Achieve Objectives

Friends of Tariro seeks to fulfil its objectives by raising funds in the UK and directing those funds towards supporting vulnerable children and families in Kazingizi village in Zimbabwe. This includes supporting access to education, basic living needs, healthcare, and welfare assistance where required.

The charity works with trusted contacts to ensure that funds are applied appropriately and for their intended charitable purposes.

Main Activities Undertaken for the Public Benefit

The main activities undertaken during the year to further the charity's purposes for the public benefit included:

- Fundraising through regular donations, one-off gifts, and community support
- Providing financial assistance towards education costs, including school fees, uniforms, and learning materials
- Supporting vulnerable individuals and families with essential living costs
- Providing welfare and hardship support where there is demonstrable need

These activities directly benefit disadvantaged children and families by improving access to education, stability, and basic welfare support.

ACHIEVEMENTS AND PERFORMANCE

During the year ended 30 April 2025, the charity continued to support vulnerable beneficiaries through ongoing financial assistance funded by the generosity of its supporters (Friends and family). The Trustees believe the charity's work has made a positive difference to the lives of children and families by helping them access education, maintain basic living standards, and improve their long-term prospects.

The Trustees recognise that education and welfare support can have wider benefits to society by helping reduce poverty and enabling beneficiaries to work towards a more stable and independent future.

Friends Of Tariro

Report of the Trustees for the Year Ended 30 April 2025

FINANCIAL REVIEW

Financial position

The charity remained financially active throughout the year, receiving income primarily from donations and standing orders. Expenditure mainly related to charitable support costs, including transfers of funds to support beneficiaries, and modest administrative expenses.

For the year ended 30 April 2025, the charity received incoming resources of £34,091. Total resources expended during the year amounted to £35,832, resulting in a net movement in funds of £(1,741).

All funds held by the charity are unrestricted general funds.

By comparison, the previous year ended 30 April 2024 generated a surplus of £3,841 on incoming resources of £21,816.

Reserves policy

The charity's policy is to maintain a modest level of reserves sufficient to meet short-term obligations and ensure continuity of charitable activities. The Trustees consider this level of reserves to be appropriate given the charity's size, income patterns, and reliance on voluntary donations.

Going concern

The Trustees have reviewed the charity's financial position and future income expectations and believe that the charity has adequate resources to continue its activities for the foreseeable future as the charity continues to receive regular donations and support from its donors. Accordingly, the financial statements have been prepared on a going concern basis.

Deficit

The charity recorded a deficit of £1,741 during the year ended 30 April 2025. The Trustees are aware of this position and continue to monitor income and expenditure closely. No individual fund is materially in deficit beyond this overall movement.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The charity was registered with the Charity Commission on 23 April 2013 with charity number 1156144.

Recruitment and appointment of new trustees

Trustees are appointed in accordance with the charity's governing document. New Trustees are appointed by the existing Trustees based on their skills, experience, and commitment to the aims and objectives of the charity.

Trustees meet as required to oversee the charity's activities, review financial performance, and ensure compliance with legal and regulatory requirements.

Friends Of Tariro**

Independent examiner's report to the trustees of Friends Of Tariro ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Supporting sickness, hardship and education for widows and orphans in Zimbabwe.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Support of aiding orphans in Zimbabwe via trustees and other people suitably passionate in the work.

Raise money for widows and Orphans in Zimbabwe. We concentrate on fund raising here in the UK. We have a few donors who contribute by Monthly standing orders mainly by word of mouth and a few one off donations. Helping Hands Watford Ltd supports the Charity by donations.

They have extended the preschool up to Year 5 now in Zimbabwe to educate children and are hoping to extend this further. We have acquired more land and there is a plan to build up to secondary school and our hope is to progress each year. We continue to supply reading books, charts and other education materials for the school that are either bought or donated by patrons who support the charity. We pay towards the running costs of the school including staff salaries. Unfortunately, the current scenario in Zimbabwe hasn't changed much plus the added problems due to Covid-19 is not helping either, which results in the school depending mainly on donations from our Charity. A big Thank you to Helping Hands Watford Ltd as they continue to fund Friends of Tariro, which has enabled us complete building another block. We have also bought a truck costing 18000 USD. We are creating employment and pay the teachers and the people who work in the farm.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- Contribution made by volunteers.

I would like to take this opportunity to thank you all, our faithful partners and for your prayers and continued support for us. I thank God for all the miracles and all the works taken place, we could not have done it without all your prayer and support!

God has His hand on Kazingizi. Praise the LORD!!!

Below are a few pictures from the Tariro school:

There are currently 141 children in the school.

We can all agree that the Lord has granted us just as much over the years as Friends of Tariro has ever

needed and ever will need by His Grace. Praise His Name!!!

Here are few pictures showing the Graduation Day and how happy both the kids and their teachers were. So, I would like to thank everyone from the bottom of my heart for making this happen. It makes me really happy too.

Graduation Day

The children were doing plays wearing African attire so that children do not forget their culture and parents and local heads were very moved by it as we are going far and beyond

We are creating employment by giving people jobs

People sitting together having a fellowship lunch after church service. Feeding programmes for the needy

Rudo Gray on the right with Zvareveshe, the Accounts and General Manager of the school, Pastor Kudzunai Kabunze (KK), Persistence, the school head who has now unfortunately left the school. She did great work to improve the school standard and brought good morale to the school. We thank God for her contributions which leaves another responsibility for the team to search for a new School head. Rudo Gray has to travel back to Zimbabwe in February 2023 to help them find and employ a new School head.

At the Graduation in December 2022, there was people from other Government schools and also the Ministry of Education who were impressed with the standards and how the school is progressing which I, Rudo Gray was very proud of with what we have achieved so far through our supporters and Helping Hands Watford Ltd. We thank God!

We continue praying (Please see below)

“Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.”

- James 1:27(NIV)

[Prayer Points]

1.Current political situation in Zimbabwe

– God’s Intervention

Government decisions are leaving people struggling to feed their families and even sending them to school

2.God’s provision for the school’s teachers

3.Rain Fall was too much and has resulted in floods

4.Crops were wiped away and they are going to need more help

- **We continue to support the community by helping the people who need it the most and it’s always such a blessing to see their faces smiling.**
- **We thank God that we can share with everybody.**
- **To know that adults and children had food supply.**
- **The Church have the responsibility of distribution of the food.**
- **We praise God and thank Him for Friends of Tariro, without you we would not be able to see such smiling faces in Kazingizi.**
- **God bless you all!**

We also thank Mrs Rudi Gray and her loyal staff at Home Help Watford, whose contribution has been keeping the business working and the flag flying to allow Rudi to travel back and forward to Zimbabwe, without them she would be more anchored in the UK and perhaps we would not have achieved so much as we have. We are grateful for their patience and contributions too.

Thank you so much for all your love, prayers and support.

Rudi

Our biggest achievement was to complete the two new blocks of classrooms.

Section F

Other optional information

Our goal and endeavour is to extend the school so that the children won't have to leave until they finish school. We are also feeding the children by providing them breakfast and lunch.

We concentrate on fund raising here in the UK. Donors contribute by Monthly standing orders mainly by word of mouth and one off donations.

We have also built a pre-school in Zimbabwe to educate children. We sent a container full of books and other materials for the school.

Furthermore we have built a fish farm, so that children can have protein in their diets. We also have bought an incubator for chickens from South Africa.

The above image is of our newly built pre-school.

The children are so proud to be wearing the uniform of their new pre-school. They are in class in in this image.

All money raised is spent in Zimbabwe.

Our endeavour is to extend the school so that the children won't leave until they finish school. We are feeding the children also. We give them breakfast and lunch.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Supporting sickness, hardship and education for widows and orphans in Zimbabwe.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Support of aiding orphans in Zimbabwe via trustees and other people suitably passionate in the work.

Raise money for widows and Orphans in Zimbabwe. We concentrate on fund raising here in the UK. We have a few donors who contribute by Monthly standing orders mainly by word of mouth and a few one off donations. Helping Hands Watford Ltd supports the Charity by donations.

They have extended the preschool up to Year 1 now in Zimbabwe to educate children and are hoping to extend this further. We have acquired more land and there is a plan to build up to secondary school and our hope is to progress each year. We continue to supply reading books, charts and other education materials for the school that are either bought or donated by patrons who support the charity. We pay towards the running costs of the school including staff salaries. Unfortunately, the current scenario in Zimbabwe hasn't changed much plus the added problems due to Covid-19 is not helping either, which results in the school depending mainly on donations from our Charity. We have also sent a 40 Ft container this year with 120 mattresses for children, 120 chairs for the school, 120 bibles for the Church, Deep Freezers, Fridges and lots of cutlery, etc., which are on its way to Zimbabwe. Five tonnes of Maize meal were purchased to feed the community and relieving poverty. We are creating employment and pay the teachers and the people who work in the farm.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- Contribution made by volunteers.

I would like to take this opportunity to thank you all, our faithful partners and for your prayers and continued support for us. I thank God for all the miracles and all the works taken place, we could not have done it without all your prayer and support!

God has His hand on Kazingizi. Praise the LORD!!!

Below are a few pictures from the Tariro school:

There are currently 120 children in the school.

We can all agree that the Lord has granted us just as much over the years as Friends of Tariro has ever needed and ever will need by His Grace. Praise His Name!!!

Here are few pictures showing the Graduation Day and how happy both the kids and their teachers were. So, I would like to thank everyone from the bottom of my heart for making this happen. It makes me really happy too.

Graduation to the Second Year

Five tonnes of Maize meal were purchased to feed the community and relieve poverty. Please see pictures below:

- We continue to support the community by helping the people who need it the most and it's always such a blessing to see their faces smiling.
- We thank God that we can share with everybody.
- To know that adults and children had food at least for a month and small families got more than a month's supply.
- The Church have the responsibility of distribution of the food.
- We praise God and thank Him for Friends of Tariro, without you we would not be able to see such smiling faces in Kazingizi.
- God bless you all!

We also thank Mrs Rudi Gray and her loyal staff at Home Help Watford, whose contribution has been keeping the business working and the flag flying to allow Rudi to travel back and forward to Zimbabwe, without them she would be more anchored in the UK and perhaps we would not have achieved so much as we have. We are grateful for their patience and contributions too.

Thank you so much for all your love, prayers and support.

Also, you can see Rudi in the picture below (in red dress) along with the children taking part in ushering the children into the bus.
