The charity is a parent teacher association (PTA) which works alongside Horsforth Newlaithes Primary school. Trustees are parents of children within the school and are volunteers who are recruited yearly at the AGM.

Our aims are to raise money for the school to provide equipment and resources that can't be covered by the school budget. We purchase a mixture of educational and fun activities / resources for the children at the school. These have recently included I-Pads, inflatables for a reward day and yearbooks for the children in yr 6 who are leaving.

Our aims and objective are led by the school and what the parent body feel would benefit the children and school as a whole. We raise money through social events such as school fairs and discos. We also sign up to other schemes such as easy fundraising, my school lottery and Christmas card making to boost our fundraising. In 2024/2025 we were also lucky enough to get a grant from Morrisons.

In 2024/2024 we raised £27,710 (£23,673 after expenses). From this we have purchased equipment for a forest school, education software, I pads and yearbooks among other things. We feel the charity not only raises money for the school but provides events which allow families in the local community to come together. We have also done fundraisers such as grow a pound which encourages children to be enterprising and earn money for the school by making and selling or doing jobs in their local neighbourhood.

We do not have any debts. Money is generally brought in through online sites such as PTA events or card machine (zettle). The money is transferred to a business account which requires dual authentication for any transactions. and cash which is not placed in the account is held at the school in a safe. All members are volunteers. The trustees do not hold any money.

The accounts have been reviewed by Mark Costello. He is the owner of a local business and he is competent at looking at financial accounts. He is also a parent of a child at the school. (contact details: 143 Horsforth Brewery, New Road Side, Horsforth LS18 4QD, Tel: 07730 774 281)

I have also attached the annual report from the AGM in September 2025. This gives a more comprehensive breakdown of how we have raised money and what the school has spent money on.

Treasurers Report 2024 -2025 - Meeting 11th Sept 2025

Horsforth Newlaithes Primary School PTA

Objectives for year

To raise money for the school and provide things that the school budget does not cover. We would like to make sure the things we support benefit as many children as possible and are a balance of necessary and fun.

Summary

- Discos continue to raise well over £1000 each. Issues with the DJ led to Lauren becoming DJ for the year. There are pros and cons to this change.
- Fairs raise a lot and changing the day didn't make a big difference to total raised.
- Significant amount of money from Morrisons foundation
- Matching funding for first time
- Non uniform days working well
- Easy fundraising, your school lottery and ASDA fundraiser – minimal effort now set up

Fundraising overview

We continue to use the PTA events site for selling tickets etc. It works well and saves a lot of time. We are running mainly cashless events and Zettle can be done from most mobiles. We incur a fee on every payment so using for larger payments ie buying £20 tickets is more advantageous than paying individually.

We stopped admission tickets to fairs which hasn't made a significant difference to the total raised.

A proportion of the grow a £ money was stolen from school and is currently with the police. This was mainly change and the exact amount not known as it was waiting to be counted. Some money from grow a £ has been donated online and I need to clarify how much has been raised that way.

The year ahead:

We start the year with a healthy bank balance of around £16,500.

We are happy to fund the reading cloud, year 6 yearbook and swim gala in the year ahead and will need approx. £2000-3000 to cover these. If there are other recurring payments please let us know.

We have pledged £200 per class (years 1-6) to be used by the individual teacher for resources for that class. This would total £2400. We have also said £4000 can be used for receptions outdoor playground / classroom.

We would like to try different events but need volunteers and new enthusiasm to help push these forward.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 08 / 2025.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
