

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 1st April 2020 Period start date To 31st March 2021 Period end date

Charity name: StreetLight Project

Charity registration number:1156179

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The object of the CIO is, for the public benefit, to advance the Christian faith in Dorset and in other such parts of the United Kingdom and the world as the charity trustees may from time to time decide.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Trustees of StreetLight present their annual report and audited accounts for the above year ending 31st March 2021. The Project operates within the Charity Commission guidelines and became a registered charity on the 14th March 2014.</p> <p>The object of the project for the public benefit is to advance the Christian faith in Dorset and in other such parts of the United Kingdom and the world as the charity trustees may from time to time decide.</p> <p>We aim to do this by working with local churches, schools, other organisations and individuals. StreetLight is a community resource, initially focussed around an indoor skate park and cafe, providing a local facility that did not previously exist in Wimborne - a meeting space for all.</p> <p>This year has been a different one to others, due to national lockdown. We were able to open for a few weeks. Our goals remain the same but due to the</p>

	<p>situation we where unable to perform our normal role in the community.</p> <p>In setting our objectives and planning our activities the trustees have given careful consideration to the Charity Commission's general guidance on public benefit. Since opening StreetLight to the general public three areas of guidance have been particularly helpful to focus our report on:</p> <p>1) 'Managing risks of harm', identifying them, minimising the risk of harm and making sure that any harm that might arise is a minor consequence of carrying out the purposes of the project,</p> <p>2) 'Park Usage' balancing the hours we are available to the public with resources and</p> <p>3) 'Advancement of religion', and demonstrating how the activities we provide fall into this category.</p> <p>1 Managing risk</p> <p>Regular risk assessments take place in order to identify risk, particularly due to corona virus, we where able to follow government guidance and brought in suitable cleaning and social distancing measures, track and trace and booking systems. Following this, appropriate measures are then put in place to minimise risk. For example, the park is checked for defects before every session and all health and safety protocol is adhered to. In order to minimise any risk to the public, staff or volunteers, there is always a first aider on site during skate opening hours. Over the last year first aid training has been provided, as a result 1 person have gained a qualification in first aid who otherwise may not have had one. Similarly, 2 people have gained a Level 2 Food and Hygiene certificate.</p> <p>The project continues to distribute its induction packs for all new volunteers who receive on the job training. The benefit of this is that volunteers have been 'up skilled' and given confidence for their roles in the cafe or marshalling on the park where they serve the public. The project is committed</p>
--	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

		<p>to safeguarding and promoting the welfare of the public. Therefore, all volunteers and staff are DBS checked prior to commencing volunteering. In addition to this all Staff have received Radicalisation Training and GDPR training.</p> <p>In order to minimise risk there are regulations for use of the park that riders sign up to and are required to abide by, for instance, wearing a helmet at all times whilst on the park. The benefit of this is safety, minimising the risk and making sure that any harm that may arise is a minor consequence of carrying out the purposes of the project. In order to ensure this does not prohibit some members of the public from making use of the facilities, as they may not have protective equipment or scooters/skateboards of their own, there is a wide range of helmets, knee and elbow protectors, along with scooters and skateboards for use at the project, free of charge. Streetlight provides 10 hours of free skate park riding available to the public every week. In offering facilities to the public where risk is managed and therefore any harm should be minor. We have found that we continue to grow within the community as schools, churches and other organisations hire us and trust us. As a consequence many more members of the public use the premises and have learnt to skate, been able to relax, meet friends, play chess, pool and attend events.</p> <p>The provision of a children's area with soft play benefits families with under 5s, with their younger children being able to play in a safe and nurturing environment, whilst their older siblings use the skate park. Due to corona virus we had a bring in a booking system, which meant one family to use it at a time. Between the bookings we are able to clean the area ready for the next booking.</p> <p>Our volunteers range from the age of 12-75 years which provides a wealth of life experience as they support and learn from each other as well as serving the</p>
--	--	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	<p>community in their voluntary roles. 5 youth volunteers have been able to use their time volunteering as part of their community service for the Duke of Edinburgh Award Scheme. Another 2 school pupils have taken part in work experience at the project. Many have used the skills and experienced gained in volunteering at the project in job applications for paid work.</p> <p>2 Park Usage There have been over 1,617 visits to the park in the last year. This has significantly reduced due to corona virus.</p> <p>3 The Ministry of Streetlight The whole project exists as a practical expression of the Christian faith. The main purpose of the project as our object states is ministry, seeking to share the gospel with young people adults and families.</p> <p>During the time we where open we where able to support young people and families.</p> <p>We continue to develop our new vision and mission over the last year.</p> <p>This is our Vision: For every young person and family in Wimborne to hear and experience the love and light of Jesus.</p> <p>This is our Mission: To enable young people and families to hear and experience God's love in a supportive, safe, friendly and fun environment. We have a heart for our community, engaging with schools, churches, youth projects and other local organisations.</p> <p>StreetLight is a parachurch organisation and as such seeks to work with other churches as a resource, providing encouragement and the 'advancement of the Christian faith in Dorset'. The Project Director, Andy Putt, meets regularly and works with local church Youth Workers in a group called the Way (Wimborne Area Youth). This last year we met 3 times.</p>
--	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

		<p>At StreetLight we are here to help and develop young people and support them in their lives, having hundreds of young people makes this more challenging so we have team rider and flow teams. This included those who regularly attend StreetLight and want to develop and improve their skills on and off the park. Being part of these teams means they have sessions at StreetLight just for them and support from the staff and volunteers. We also do support others who attend the Centre and give lots of time and encouragement to them.</p> <p>Andy is a Chaplain at Queen Elizabeth School, where he provides help, mentoring and advice to students Two days per week. This has helped forge a close link between the school and StreetLight and has provided much needed support for young people with anxiety issues, depression and troubled home lives.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The object of the project for the public benefit is to advance the Christian faith in Dorset and in other such parts of the United Kingdom and the world as the charity trustees may from time to time decide.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>On 20 March 2020, the Skate Park went into lockdown in line with Government advice on Covid-19.</p> <p>We where able to open for a total of 11 weeks September/October/December</p> <p>1,617 people have used the Skate Park in those months. These are predominantly the young people from the local community that the Park was set up for. We provide a much needed facility in a safe controlled environment for children from a range of backgrounds.</p> <p>We continue to maintain our high food standards with the level 5 Food and Hygiene Award from the Food Standard Agency. We had expanded our food options.</p> <p>Financial achievements StreetLight has continued to operate in surplus, balancing the need to earn income with the mission to provide skating for everyone, irrespective of background. The organisation regularly reviews its finances to ensure it is operating on a sound financial footing.</p> <p>Community StreetLight is well established in the local community, and sees a significant number of locals coming to the centre on a regular basis. During the last year our activity has been severely curtailed because of corona virus.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Current account £19,991.76 Deposit account £50,003.92 Cash on site £317.26 Total £70,312.94 Plus due from Till System £0 Grand total £70,312.94
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	We hold a policy stating our reserves must be £20,000 or over.
Amount of reserves held	Para 1.22	£20,000
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<p>The Skate Park and Café closed due to Covid-19 on 20 March 2020. Reopened on 2nd September 2020, Closed for November Lockdown on the 4th. Reopened on 3rd December and closed on 31st December and Re opened 19th May 2021.</p> <p>A focus on fundraising and grant submissions has enabled us to secure our financial position. When restrictions are lifted the project is in a position to continue as a stable on-going concern.</p>

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>StreetLight runs the café and skate park, which provides partial income. Along side this is a large percentage of grant applications, churches and individual supporters who donate regularly to the project.</p> <p>The trustees are grateful to all those who have given to StreetLight over this financial year, including The Foyle Foundation who generously donated £6,000. www.foylefoundation.co.uk.</p> <p>We also are grateful for the financial support from HM Government through the small business grants and Corona virus job retention scheme.</p>

Investment policy and objectives including any social investment policy adopted	Para 1.46	
A description of the principal risks facing the charity	Para 1.46	The charity runs on a significant gifts and donations but we feel the support is higher than ever and don't see this as a risk to the future viability of the charity.
Other		Three years ago we reviewed the requirements for the presentation of the annual accounts. We where happy with the way we approachd this and will do the same this year. This still complies with the relevant legislation. We believe this is more meaningful and more understandable to the reader of this report.

Structure, Governance and Management

Description of charity's trusts:		
Type of governing document (trust deed, royal charter)	Para 1.25	Trust Deed

Independent examiner's report on the accounts

Section A

Independent Examiner's Report

Report to the trustees/
members of

Charity Name
Streetlight Project

On accounts for the year
ended

31st March, 2021

Charity no
(if any)

1156170

Set out on pages

to

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31-03-2021.

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect, the accounts are not correctly stated.

The requirements of Going Concern in light of the continued Covid impacts continue to be reasonably satisfied

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
