Governance and management:

The charity a Charitable Incorporated Organisation and operates under the rules of its constitution of 14 March 2014. Management of the charity is carried out by the Trustees.

Aims and objectives:

'The promotion of good health and the relief of sickness by the development, promotion or provision of health education and training materials provided through the medium of the internet or other computer-based media, in particular but not exclusively for future and existing medical and allied health workers across the world.'

Summary of the main activities undertaken for the public benefit:

SUMMARY OF THE MAIN ACTIVITIES UNDERTAKEN FOR THE PUBLIC BENEFIT

Electronic resources play a significant role in the training of medical and allied health workers in many developed nations. Our strategy is to provide a link between these and medical and allied health workers in developing nations by promotion through the use of social media, third party organisations engaged in training and collaboration with relevant, specialist organisations.

Our website offers a range of resources particularly to users in developing nations, with many have been in Colombia, Ethiopia, Ghana, Guatemala, India, Kenya, Nigeria, Pakistan, South Africa and Uganda.

Notes to the Accounts

The service charges by our internet service provider and our website have continued to be maintained on a pro-bono basis. No expenses were incurred this finance year. Our costs have been covered by donations for our work.

The only monies held by the CIO are held at the bank.
