10				
11				
12				
13				
14				
15				
16				
17				
18				
19				
20				

Names of the trustees for the charity, if any, (for example, any custodian trustees)

Name	Dates acted if not for whole year

Names and addresses of advisers (Optional information)

Type of adviser	Name	Address

Name of chief executive or names of senior staff members (Optional information)

Maureen Evans (Head Coach)

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation (CIO)
Trustee selection methods (eg. appointed by, elected by)	Appointed by existing trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Abbey Gym Club is affiliated with British Gymnastics (BG) and uses the facilities provided by BG to train its trustees and coaches as appropriate. Abbey Gym Club has adopted the major policies of BG regarding the safeguarding of children in its care.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The promotion of community participation in healthy recreation by the provision of facilities and instruction for gymnastics and related sports.

Summary of the main activities undertaken for the public benefit in relation to

Gymnastics Instruction

The major activity carried out by Abbey Gym Club is the provision of gymnastics instruction to children and young people aged 3-19 years.

these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

This activity is at the heart of the Club's charitable objects of "promotion of community participation in healthy recreation in particular by the provision of ... **instruction for gymnastics**". Classes are typically of one hour or one and a half hours' duration with participants grouped into age / ability ranges.

To improve opportunities for participation, Abbey Gym Club operates a discount scheme for children whose parents / guardians receive certain state benefits, for large families (3 or more children), and for children with disabilities. Discounts are up to 40% of normal fee rates.

The Club has been so successful at providing gymnastics instruction in a family-friendly and inclusive manner that it had around 220 members who, pre-COVID, participated each week, and a further 200+ children on its waiting list.

Gymnastics Facility

The Club operates out of a local school hall which gives the Club 3 main issues:

1. The hall size is smaller than a gymnastics floor area, and is also much smaller than the minimum size recommended by British Gymnastics, so the Club can only offer a limited range of equipment for its gymnasts, and can accommodate a restricted number of gymnasts;
2. The Club can only hire the school hall three evenings per week plus Saturday mornings, thus restricting the numbers of gymnasts that can be accommodated in classes;
3. The equipment must be set up at the beginning of every session and taken down again at the end of every session; this takes 30-45 minutes for set-up and the same for put-away, and creates excess wear and tear on both the Club's equipment and its volunteers.

To overcome the above issues, the Club has actively pursued the possibility of building its own gymnastics facility.

In 2015, the Club identified a potential site on which to build a new gymnastics facility and developed drawings to test the concept. Conditional planning permission was granted by Chiltern District Council on Thursday 22 October 2015.

However during further discussions related to the site with the freeholder, Chiltern District Council, and the sub-leaseholders (Prestwood Sports and Leisure and GLL Ltd) during the COVID lockdown period conditions which we had not previously been aware of came to light that made continuing with the project unviable, so that in Autumn we made the decision to withdraw from the project, whilst continuing to look for alternative facilities..

Public Benefit

The trustees have all read the guidance issued by the Charity Commission on Public Benefit. In planning the Club's activities for the period, the trustees have complied with their duty to have due regard to this guidance throughout the period. The trustees believe that all activities undertaken are directly related to the Club's objects and represent benefit to the public.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Between 01 January and 17 March 2020, when we had to stop because of the COVID-19 pandemic, the total volunteer coaching hours exceeded 400.

Section D

Achievements and performance

Whilst we were able to train, the Club ran at least 12 sessions per week of gymnastics instruction during Spring school term with around 220 children and young people participating each week.

Abbey Gym Club operates the British Gymnastics (BG) badges scheme and has also developed its own awards scheme. During the period of this report 52 badges were awarded to gymnasts.

On 17 March, following the Governments announcement that all physical activities should cease because of the COVID-19 outbreak, the Club ceased activities, and we have not been in a position to restart, because the School we meet at is not allowing any after-school activities.

We continued to post activities suitable for home practice on the Club's website.

Indications are that we will not be in a position to restart until after the 2021 Summer Holidays.

Until we know what the situation will be we have decided not to elect a replacement Trustee for the one who resigned last year.

Having had to withdraw from the project to build a new facility, the Club will continue to search for a suitable facility, however we realise this means we will have to widen our search area to include other parts of southern Buckinghamshire.

Section E

Financial review

Brief statement of the charity's policy on reserves

Abbey Gym Club had actively been saving money to build a new gymnastics facility for which it had gained planning. However during the Summer conditions about the lease for the site became apparent that resulted in us having to withdraw from the project,

The, the Club's reserves, excluding deposits, at the end of the period stood at £98,630. However as some of this includes monies that were donated specifically for the purposes of building the new facility, the Club is in the process of contacting the donors to determine if they wish for their donations to be returned. The results of this will be included in the next years accounts.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Most of the Club's income is from the fees charged for gymnastics instruction. The Club currently has stopped raising funds for a new facility until we can return to active gymnastics following the COVID-19 shutdown.

The Club's major expenditure during the period was to pay costs associated with coaching; hall hire fees; and replacement equipment. These expenses are directly linked to the **provision of gymnastics instruction** as set out above.

Section F

Other optional information

Abbey Gym Club is proud of its track record in developing promising gymnasts into junior coaches and beyond via a structured pathway as follows:

- From the age of 3 they work towards British Gymnastics (BG) preschool awards;
- At 5 they start working on Club and BG proficiency awards;
- From the age of 6 they are given the opportunity to take part in County competitions;
- From 12 years, they are encouraged to start helping younger gymnasts within their own classes;
- At 14 they are encouraged to attend BG Proficiency coaching courses;
- From 16 they can attend BG Level 1 Assistant Coach courses, attend Safeguarding and Child Protection courses and attend First Aid courses;
- At age 18 they are encouraged to attend BG Level 2 coaching courses.

All the above courses are funded by the Club. This steady approach is great for the self-esteem of the Club's gymnasts, enabling them to build their confidence in a controlled manner and giving the younger gymnasts something to aspire to. The skills that they acquire stand them in good stead for working life.

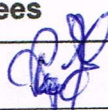

Section G

Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
