The annual Summer School welcomed back regular volunteers as well as a number of new ones, groups are already booking for the next summer, which is looking to be a busy one. The Summer School is a very important part of the work run by the charity as it provides very welcome activities for residents of state run institutions as well as relief for young people living at home. It also encourages volunteers to develop an open mindset towards the children and young people in our care and many report a 'change of life' moment from their experience.

Attention has been directed to encourage Fundatia 'Little John's' to generate more income from within Romania to help with ongoing repairs and daily costs.
