ACHIEVEMENT AND PERFORMANCE

Review of activities and achievements

Social Square (UK) was founded in response to local need with the aim of "Giving more to those who have less!" We step in and help when there is no one else to turn to, maintaining the dignity and respect of recipients and putting a smile on their faces.

We are pleased to present our annual report, describing another year in which we have once again been able to ease the lives of over 100 socially and economically disadvantaged families. We achieved this by setting up and running the following projects:

- Discounts on Essentials: This project continued to be very successful by saving families significant sums of money on their weekly shopping and everyday essentials. A typical family saved between £1000 - £2000 per year on groceries including fruit and vegetables. Local shops provided year round discounts of 12% - 15% to those in need. We received consistently positive feedback from beneficiaries telling us how much the discounts had helped them, and most importantly, that they had not been treated any differently from full paying customers. 30 FAMILIES HELPED

- Discount Vouchers: Twice last year, at the change of seasons, we partnered with local shops to provide discounts on clothing and essentials saving families a total of over £10,000 each time. Feedback was overwhelmingly positive as the project had allowed families to shop in a dignified manner, as well as giving their children the exciting feeling of having new clothing, rather than having to make do with shabby used stuff in poor condition. We were delighted that we were able to expand and help even more families this year than previously. 120 FAMILIES HELPED

- Household Necessities: We continued to support people in diverse ways. We sourced funds from generous charities who specialise in the particular areas we worked in, and also from local open-handed benefactors who understood the need. We used the funds thus generated to help poor and otherwise disadvantaged families in a variety of ways. These included, but not limited to, paying families' food bills in addition to dispensing grocery staples; providing new suits to young men, as well as furniture to families in need. We are pleased to report that we were able to support and aid even more families this year than previously. 70 FAMILIES HELPED

- Emergency Hardships: Our goal is to educate and to help prevent debt before it spirals out of control. However, emergency expenses can put a wrench in any careful budgeting. Our Emergency Hardship fund provides the help and support for just these circumstances. This includes, but not limited to, paying rent for a family in need so they can continue to have a roof over their head with their dignity intact. We also provided education and support to them. 3 FAMILIES HELPED OUT OF CRISIS

- Wedding Grants: A wedding is a most memorable occasion. It links a couple together and is the start of a new home and family. The costs associated with setting up a new home can be prohibitive. For some, it is a necessity, not an extra. For many people who come from disadvantaged backgrounds, marriage promises hope, a fresh start. We were delighted to help out. 3 NEW COUPLES HELPED

- Help for Widows & Orphans: Losing the head of the household is painful. When this happened to a young and jolly father and the sole breadwinner in the family, the pain of death, after a short and excruciating illness, was compounded. We cannot bring the father back, but we are pleased to report that we have continued sourcing donations from friends of the family as well as local philanthropists to help ease the plight of the widow and her children in a dignified way. 1 WIDOW, 4 ORPHANS SUPPORTED

- Covid-19 Relief: As Covid-19 struck our shores, wreaking havoc on many lives, no-one was spared, whether emotionally, physically, financially or in all 3 ways. With businesses suddenly shut, during the first lockdown and no way of earning money, many families were lost. Unfortunately, more people were knocking at our doors. We reached out to our existing benefactors, as well as new donors, who were eager to help out. We are pleased to report that we provided emergency assistance in whatever way was needed, including, but not limited to, providing food, paying bills etc. 20 FAMILIES HELPED

Our approach is discreet and confidential. We know it can be extremely uncomfortable for disadvantaged people to request assistance and so we made sure that our users could retain their self-respect and dignity despite their difficult circumstances.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2020**

Our strategy is to ensure that our help is locally targeted and we aim to fill a special niche in the community both, with the range of people we help, and with our diverse and unique projects. Our objective is to assist when there is no one else.

We constantly evaluate the success of our projects, and heartily welcome feedback, suggestions and even criticism to improve outcomes and ensure our input is effective.

The trustees are delighted with the success of this sixth year; our goal is to help more people in the year ahead. We plan to redouble Social Square (UK)'s fundraising efforts to enable us to help even more potential beneficiaries, primarily within our existing projects, however, we are open to expanding the scope of our activities as the need arises. Future plans include, but are not limited to: providing access to better employment and training opportunities; breakfast club for young people and more.

We are grateful to our faithful, generous and loyal funders for being our partners in enabling Social Square (UK) to support our disadvantaged service users with the resources they require so that they are able to access a better quality of life for themselves and their families.
