Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The provision and maintenance of a youth centre with facilities for helping and educating boys and girls resident in Pershore and the neighbourhood, through leisure time activities so to develop their physical, mental and spiritual capabilities that they may grow to full maturity as individuals and as members of society and that their conditions of life may be improved.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity provides a centre for the provision of general and targeted youth services. The charity receives some funds from Worcester County Council but raises additional funds to cover its costs. The charity funded a full-time youth worker and part time Centre manager for the year, with additional administration and youth work support provided by a number of part time paid and volunteer support staff.

The charity aims to actively engage, and support children and young people aged 8-18 years through focussed in-house youth work. The charity runs a varied programme of youth clubs, offers counselling and support, and provides a centre which supports social and disability inclusion.

There is a well-established network of user groups supporting children, young people and vulnerable adults, and there are several community health support groups and school groups who use the outdoor water education facilities at the centre.

The variety of activities ensure the building is used to its full potential as hub for youth activities for Pershore and the surrounding area.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Having maintained youth work provision during the challenges of 2020-2021, in person youth work sessions were maintained during the whole of 2021-2022. Youth numbers increased and the provision for SEN children was expanded to provide a similar provision for young adults.

A full summer programme was provided in the grounds of the centre with numbers of attendees doubling when compared to last year.

The range of different user groups attending the centre increased and as a result lettings income improved significantly. A new group for mums and babies was set up providing a valuable source of support and contact for its users. Other users included music groups, language groups, sensory and art groups for young people and a Parkinson's support group.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity provides several activities each of which is budgeted, and the aim is to provide each activity within budget.

In 2014 the new policy of holding 3 months costs (£30,000) was adopted by the Trustees as reserves in case the charity needs to dramatically change or wind down.

Some grants are given on the condition they are used solely for the purpose they are intended. The funds from these grants are ringfenced.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
