Section B Structure, governance and management

Description of the charity's trusts

Type of governing document	Constitution
How the charity is constituted	Charitable unincorporated association
Trustee selection methods	Elected by Members at the Annual Congregational Meeting

Summary of the objects of the charity set out in its governing document

The purpose of the Charity is to advance the Christian faith in the Area of Benefit in accordance with the principles and practices of the Participating Churches.

In achieving its purpose, the Charity will engage in a range of activities, either on its own or with others, including (but not restricted to):

- a) the celebration of public worship;
- b) the teaching of the Christian faith;
- c) mission and evangelism;
- d) pastoral work, including visiting the sick and the bereaved;
- e) the provision of facilities with a Christian ethos for the local community, including (but not restricted to) the elderly, the young and other groups with special needs; and
- f) the support of other charities in the UK and overseas.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

St Andrews Church, Devizes is set up to benefit the public in general. All meetings are free of charge and open to all. Services and facilities are provided to all in the local community who will benefit from them.

The Church's purpose is beneficial through the promotion of individual and family stability and wellbeing and increased ability to contribute positively to society. Pastoral work focuses on visiting the sick and the bereaved.

Groups benefiting from activities and facilities include, but are not restricted to, the elderly, the young and other groups with special needs. The Church seeks to meet the spiritual, mental and physical needs of people in the community. No detriment or harm is expected to result from the church's purpose. The Church seeks to develop and maintain positive relationships with other faith and non-faith groups. Families and individuals will benefit from meeting their spiritual, mental and physical needs. No financial benefits are paid by the Church.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit when planning activities for the year.

Summary of the main achievements of the charity during the year

Chairperson

We have celebrated the Church Festivals of Advent, Christmas, Lent and Easter, all with themes to help our thoughts through those times. We are grateful to those who, through the year, serve in many ways, making us the people of St. Andrew's.

Our young people's work continues with Messy Church being our main focus.

We have said 'farewell' to several dearly loved friends either moving away or passing away. We have launched our Climate Cafe in Partnership with Sustainable Devizes.

Our Thursday Coffee Morning continues as a valued resource where all are welcome; a busy hubbub of conversations and multiple meetings happening all over the building.

We have seen the increasing confidence of several people in leading worship and communion.

Property Group

Day to day property maintenance has involved: 1) dealing with the land use prior to St Andrew's – ie site damp; 2) dealing with footfall and accidental wear and tear; 3) meeting need for plant / equipment to use as part of social / spiritual life. Services have had alteration with the view to being more ecological and cost effective.

Lettings of Church Premises

There has been very limited use of our Church premises during Covid 19 restrictions.

Pastoral Secretary

St Andrew's has volunteers who act as pastoral visitors on behalf of the church. Numbers are falling as visitors 'retire'. However, there is also a network of people who simply support each other as friends, and who pass on any concerns to the pastoral secretary.

Safeguarding

The Safeguarding representative for St Andrew's Church makes sure that we have the procedures in place to keep both our children **and** our vulnerable adults safe. However, all members have a part to play in safeguarding and should become informed and undergo training if involved with these two groups.

There have been no disclosures made concerning either children or vulnerable adults this year.

Thursday Toddlers

We are a strong group with between 15 and 18 adults (male and female) and 30 children most weeks in normal times. The children learn to share and take turns with toys and we encourage them to sit down altogether at snack time.

There has been very limited activity due to Covid 19 restrictions.

Messy Church

In normal times, on the second Sunday of each month (except August), Messy Church families have met for an afternoon of craft and games based on a Bible story or theme. We start in the church itself for a group activity and to hear a dramatized reading. We then go through to the hall where things are drawn, cut, coloured and stuck! Models may be constructed and displays created. Then all these are taken back into church where we sit in a Messy circle. Everything comes together in a kind of 'show and tell' worship session with songs where one or two Biblical truths are drawn out that are relevant to the everyday lives of the children. There is also always something to take home. But before it is time to leave, everyone goes back to the hall to share in conversations over a lovely meal.

There has been very limited activity due to Covid 19 restrictions.

Tuesday Fellowship

In normal times our numbers attending every Tuesday afternoon average 24. We are all one, big, happy family, maintaining the tradition of opening and closing the meeting with devotions.

There has been very limited activity due to Covid 19 restrictions.

Choir and Music Group

The Choir helps lead our music on Sundays. It has dedicated members but always welcomes new ones. We have three organists who bring variety to the style of playing and we have two others we can call on if we need them.

St Andrew's music group has been joined by Churches Together musicians and we rehearse and have fellowship together. Currently 4 churches are represented and it is lovely learning music from the different traditions. The whole group enjoys being invited to take part in the various Churches Together events throughout the year to lead the music, help with the worship and be a symbol of Christian Unity.

There has been very limited activity due to Covid 19 restrictions.

Ladies Evening Group

Ladies Evening Group has about 50 members, over half of whom have no connection with St Andrew's Church. We feel we are an excellent outreach into the community. In normal times we meet on the 1st and 3rd Tuesday evenings of every month from September to June and we are a good place to meet and make friends – especially over tea/coffee at the end of the meetings.

There has been very limited activity due to Covid 19 restrictions.

Social & Catering (SOCAT)

This is the group that is involved with social and catering events within Church. This includes everything from Sunday lunches to fundraising activities. In normal times we meet every 2 months to plan upcoming events and get others involved too.

There has been very limited activity due to Covid 19 restrictions.

House Groups

House Groups have not met due to Covid 19 restrictions.

Section D

Achievements and performance

Poetry Group

In normal times the Poetry Group meets monthly to read poems on a chosen topic or theme. There are usually 9 or 10 of us from several churches reading aloud and enjoying not only the poems but also sharing why we like them and taking a break for tea, coffee and biscuits.

There were no meetings due to Covid 19 restrictions.

St Andrew's Traidcraft Store

Traidcraft was established in 1979 as a Christian response to poverty. It builds long-term relationships with producers, supports people to trade out of poverty and works to bring about trade justice – fair trade. The St Andrew's Traidcraft stall contributes to its work by enabling people to purchase fair trade foods – and potentially craft items as well.

Art Group

In normal times the Art Group meets on a Wednesday afternoon twice a month in the Church Hall. The group is open to anyone who enjoys art – dabbling in paints, pastels, coloured pencils etc. – but who can never find the time to do this at home. We usually have at least six people joining us including friends from outside the church membership.

There has been very limited activity due to Covid 19 restrictions.

Section E

Financial review

Brief statement of the charity's policy on reserves

Unrestricted (ie General) Funds are used for the day to day running of the Church.

The main reasons for holding general reserves are:

- To ensure that the church always has funds available to pay its way (working capital).
- To protect against unforeseen circumstances – ie loss of income and increased expenditure (eg urgent repairs or replacement of equipment).
- To enable the Church to respond to new opportunities for mission and service.

The target level of reserves is between £30,000 to £40,000: £15,000 to £20,000 for working capital and £15,000 to £20,000 for unforeseen circumstances and opportunities. Actual general reserves at 31 August 2021 were £34,371 (2020: £41,719).

Restricted Funds are utilised for the purposes for which the funds have been set aside. The funds are utilised in a time frame set by the Church Council. Actual restricted reserves at 31 August 2021 were £1,811 (2020: £5,191) to be used mainly for young people's work.
