In preparing those accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

Independent Examiner's Report to the Trustees of
for the year ended 31 August 2022

I report on the financial statements of the company for the year ended 31 August 2022, which are set out on pages 5 to 10.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of the company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the companies Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

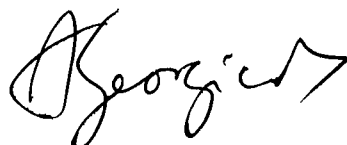

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Trust as required by section 130 of the Charities Act 2011 and section 386 of the Companies Act 2006; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Shenley Lodge Pre-School Incorporated
Notes to the Financial Statements
for the year ended 31 August 2022

1 Summary of significant accounting policies

(a) General information and basis of preparation

Shenley Lodge Pre-School Incorporated Limited is a charitable incorporated organisation incorporated in England. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are as set out in the Trustees' annual report on page 2 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Update Bulletin 1 published on 2 February 2016), the Charities Act 2011, and the UK Generally Accepted Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and are rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designed for other purposes.

(c) Recognition of incoming resources

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS102). Further detail is given in the Trustees' Annual Report.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange of services provided in order to raise funds and is recognised when entitlement has occurred.

Shenley Lodge Pre-School Incorporated
Notes to the Financial Statements
for the year ended 31 August 2022

(d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes expenditure incurred for obtaining gifts and donations.
- Expenditure on charitable activities includes expenditure incurred in organising charity events.
- Other expenditure represents those items not falling into the categories above.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to reasonable expectation that the recipient will receive grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

(e) Expenditure on activities

Expenditure on activities are those that assist the work of the charity and include wages, office costs and governance costs. They are incurred directly in support of expenditure on the objects of the charity.

Fund raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

The analysis of these costs is included in note 3.

(f) Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Finance Act 2019 and therefore meets the definition of a charitable incorporated organisation for UK corporation tax purposes.

(g) Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

(h) Judgements and key sources of estimation uncertainty

No judgements (apart from those involving estimates) have been made in the process of applying the above accounting policies that have had the most significant effect on amounts recognised in the financial statements.

No key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
