

Trustees Report For 31st May 2020 to 30th May 2021

Our charity like many others has been somewhat dormant throughout this accounting year due to the Pandemic. During the summer as the Covid19 virus appeared to be spreading less and vaccinations appeared to be gaining some advantage. The trustees met on October 2nd to plan for our annual dinner event in February. Sadly, no sooner had we made plans, booked the venue, sent out invites the Omicron variant appeared. On November 3rd at another Trustees meeting we had to make the disappointing decision to cancel February's event due to the impact of the Omicron variant. However, we soon decided to reschedule the dinner for September 2022, and we are currently due soon to meet again to put in place the planning for this event.

In August 2020 we received an update regarding the mock scanner, the report identified a reduction in the anxiety of children using the mock scanner before the real thing. In some cases, removing the need for children having the real MRI to require a general anaesthetic. This was shown to save over £30,000 in NHS funds over the course of the year.

The Trustees would like to take this opportunity to acknowledge the Walker family, especially in the memory of Alice Eveline Walker. Alice met with Sam on a couple of occasions, and in recognition of her contact and enduring interest in Sam and his life gifted a sum of money. The wonderful donation will help the charity in these difficult times to provide the respite support to families and continue to provide funding for research projects.

The Trustees would also like to say a huge thank you to the Baum family which gave a very generous donation to us this year also.

Summary of the main achievements of the charity during the year

In February 2021 frustrated by the restrictions of the pandemic which meant we were unable to put on our annual charity dinner. We took to the social media highway and instead put on a quiz night over zoom that helped raise some funds and gave some much needed light entertainment to some family, good friends and supporters of the charity.

February 2021, co-funding for a Headsmart e-learning module. This will provide a learning tool for continued professional development in paediatric brain tumour awareness diagnoses for the health care professionals.

In April 2021 the charity was pleased to have donated and co funded a PhD student in the University of Nottingham. The student will be on a 3.5-year project looking in to the metabolomic profiling of neurodevelopmental programs in healthy brain which promote dysregulated neural progenitor growth. So basically, identifying new drug targets based upon changes in metabolism when glioblastoma interacts with the healthy brain.

In May 2021 we invited to look at and consider 4 research projects from the University of Nottingham. Each project considered aligned with one of the aims of the charity, this is to consider funding research projects which may improve the lives or find a cure for children and young adults that have a brain tumour. More information regarding how these projects were considered and deliberated on will follow in next year's trustees report.

Unfortunately, due to the pandemic and restrictions of lockdown we only managed to send one family on a respite care break. However, we continue to send more families now.

Brief statement reserves

The trustees of the charity are always mindful when reviewing and deciding on expenditure that a level of resources must be retained. That level to be at a figure which would enable the charity to function for 12 months, should there be very limited or no income.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 05 / 2021**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
